Gifts Continue in 12th Annual Alumni Fund

Faculty Development Program, Scholarships Receive Club Financial Aid

With a few chairman still in the 'cleaning up' stage in their personal solicitation efforts, Notre Dame Foundation receipts have been increasingly on the upgrade. As this edition goes to press more than 5,600 alumni have contributed $278,642, while 326 non-alumni friends have given $169,642 thus far in 1934.

One of the outstanding features these past few months is the number of cities exceeding their quota by amount. Twelve are presently in this classification with others edging closer to the top each week.

Mississippi, progressing under the direction of Governor William H. Miller, 30, is leading all states in percentage of quota contributors with 68%. Others over the halfway mark are: Delaware, 52%; Governor Arthur A. Baum, '36; Oklahoma, 50%; Governor William Sherry, '21; and South Carolina, 50%, Governor Thomas F. Armstrong, non-alumnus friend.

Alumni clubs have been especially generous to the University during the months of May and June. Scholarship gifts are as follows: Aurora—$1,000; Buffalo—$5,000; Kentucky—$1,300; Ft. Lauderdale—$500; Cincinnati—$2,000. The Ford Motor Company Scholarship Fund gave $5,500 to Notre Dame for those students who are presently attending the University under the provisions of this plan.

The programs of Faculty Development and Distinguished Professors received financial aid from these clubs: Detroit—$1,400; Chicago—$500; New York—$1,000; Toledo—$250. Unrestricted club gifts have come through the Women's Auxiliary in Buffalo, $25; the Women's Auxiliary in Mobile, $25; and Washington, D.C. alumni, $100.

The program for securing corporate gifts is being advanced through the Foundation headquarters staff and city chairman. Rev. Theodore M. Hesburgh, C.S.C., president, Rev. Paul Beichner, C.S.C., Dean of the Graduate School and Rev. Philip Moore, C.S.C., Academic Affairs vice-president are contacting learned scholars in the United States and in Europe with relation to Notre Dame's Distinguished Professors Program.

It is anticipated that gifts to the 12th Annual Alumni Fund will be a primary source of financial help to Notre Dame during the coming months, in addition to contributions from corporations and non-alumni friends.

Killian Speaks To Graduating Seniors

"The United States should stand in a jittery world as a nation characterized not by fear, hysteria or complacency, but by poise, composed and hopefulness," President James R. Killian, Jr., of the Massachusetts Institute of Technology stressed to graduates at the University of Notre Dame's 109th annual commencement exercises. "There is ample reason for us to move ahead with a sense of urgency without despair or apathy," Dr. Killian said.

Dr. Killian was one of six distinguished Americans who received honorary degrees at the exercises. The Rev. Theodore M. Hesburgh, C.S.C., president of Notre Dame, also conferred honorary doctorates on Bishop Allen J. Babcock of Grand Rapids, who delivered the baccalaureate sermon; Harold S. Vance, president of The Studebaker Corporation; Samuel Eliot Morison, professor of history at Harvard University; Thomas W. Pangborn, president of The Pangborn Corporation, Hagerstown, Md.; and Justice Ernest E. L. Hammer of the Supreme Court of New York. More than one thousand Notre Dame students from forty-six states and thirteen foreign countries were awarded graduate and undergraduate degrees.

Medals and Prizes Awarded

"America cannot progress without great men and great minds growing and working in an atmosphere of freedom —freedom of inquiry, freedom from fear and freedom from improper pressure," Dr. Killian declared in the commencement address.

The commencement weekend events got under way with the traditional Last Visit of the senior class to Sacred Heart Church on the campus. This private ceremony was followed by the annual Class Day exercises in the University Drill Hall. Medals and prizes were awarded at these exercises and senior members of the Army, Navy and Air Force ROTC units received their commissions. Student speakers on the occasion were: Willian Guilfoile, Fond du Lac, Wis., president of the senior class; Joseph Imbriaco, Elizabeth, N. J., valedictorian; and Thomas Field, Wilmington, Del., class orator and retiring president of the Student Senate.
Record Attendance At Presidents' Conference

Eighty-seven representatives from local alumni clubs attended the Club Presidents' Conference held on campus, June 10-11. Members of the Alumni Board of Directors also participated in the meeting. The group listened to the Rev. Theodore M. Hesburgh, C.S.C., discuss the importance of club programs with regard to the University; heard panel sessions involving major activities in the annual program which included Universal Notre Dame Night, Universal Communion Sunday, club membership, athletics, undergraduate relations, associate members and the women's auxiliary.

The Rev. John J. Cavanaugh, C.S.C., director of the Notre Dame Foundation, led the discussion on club participation in the Foundation program. Alumni secretary James E. Armstrong explained the Club Manual as a means of assisting the presidents in planning annual programs. Other features on the agenda included publicity, exhibits of direct mail pieces and a presentation by Joe Boland of the Irish Network.

The following presidents returned for the conference:

Successful Reunion

It was the biggest, and undoubtedly the best, Class Reunion Weekend that has ever been held on the Notre Dame campus. From Friday afternoon through Sunday morning 1,000 old grads dating from the Class of 1949 on back renewed friendships and observed the great physical expansion which has occurred at the University during the past 5—15—25 years. More than one-half of Notre Dame's 55 buildings have been erected since the men of '29 received their degrees a short 25 years ago.

There was a representative turnout for all classes and especially those in the '04, '29, '44 and '49 groups. Attendance records were established for the fifty-year men, Class of 1904, and for the 5-year-out alumni, the Class of 1949.

Father Theodore M. Hesburgh, C.S.C., president, and Alumni Association President James G. McGoldrick, of New York City, were featured speakers at the Alumni Banquet on Saturday night. The Class of 1929 'imported' a band from downtown South Bend and staged a colorful parade from Lyons arch to the Dining Hall.

All classes held their traditional Friday night dinners on campus. '04, '09, '14 and '19 were served in the Morris Inn dining room; '24 in the O'Shaughnessy cafeteria; '29 utilized the private room at Morris Inn; '34 ate in the East Dining Hall; '39 assembled at the Rockne Memorial; '44 men were in the Walsh Hall rec room; and '49 held its affair in Vetville Rec Hall.

Memorial Masses in honor of deceased classmates were observed on Saturday morning in the various hall chapels. Father Holderith conducted the all-day golf tourney on Saturday. Box lunches were served at noon to each class reunion hall and liquid refreshments were included for the weekend in the general registration fee of $20.

The Notre Dame Law Alumni Association welcomed members to the traditional cocktail party prior to the Alumni Banquet on Saturday night. Progress Forums in the four colleges, campus tours and movies in Washington Hall, were on the agenda Saturday afternoon.

The weekend officially terminated with a Mass in Sacred Heart Church for all reunion classes on Sunday morning. The sermon was given by Father Joseph Barry, C.S.C., '29.

Reunion Week-end attracted members of the 1904 and 1905 classes. (L. to R.): William Jamieson, '05, Daniel O'Connor, '05, A. C. Stephan, '04, John Quinn, '04 and Fr. Irving '04

The Class of 1929 came early and stayed late—and enjoyed a wonderful week-end which featured a luncheon with Father Hesburgh and a class dinner on Friday evening.

The Class of 1934 had a special class dinner on Friday night. Local co-chairmen Cahill and Krause must have overslept for the picture.
The boys of 1924, with Father Tom Kelly as local chairman, had an active reunion week-end.

The Class of 1939 had a much larger turnout for reunion week-end than indicated in this photo. Chuck Reddy was elected class president.
Editorial Comments from your Alumni Secretary

"All the alumni get is the constant appeal to give."

I've heard this. And sometimes, because opportunities are so great, and because your help is so vital, I think maybe it is a valid statement. But we don't want it to be like that, and I am sure it isn't. I have just read a talk given at an educational conference on "Ten Responsibilities of an Institution to Its Alumni." I have measured Notre Dame by this yardstick, and you should be aware, and proud, of the result:

I. To Insure A Vigorous, Productive Alumni Program. If you look in any issue of our ALUMNUS, and at the report of the FOUNDATION, you will know that our Clubs, our Classes, and our Fund are all vigorous and productive, not only for Notre Dame, but for you as alumni, in Club or Class, and as individuals. The University has worked closely with your Alumni Board to insure this.

II. To Guarantee A Firm Financial Base for the Alumni Program. When the Alumni Fund replaced the old system of alumni dues in 1941-42, the University assured your Board of Directors that the first charge against alumni contributions would give adequate budget provision for a sound, progressive Association program. That has been our experience in the subsequent years.

III. To Maintain the Independence of the Alumni Association. In spite of the integration of the Alumni Office, and budget, the University has recognized the Alumni Association program as a proper and sole responsibility of your own elected Directors. That your Directors recognize the need for integration, and that the program cost is a part of the University budget, has not, over the years, affected the fundamental independence of the alumni organization.

IV. To Provide Avenues of Communication Between Alumni and the University. The ALUMNUS magazine has been supplemented, for all alumni, by the magazine NOTRE DAME. In addition, administration, faculty and staff visit Alumni Clubs on many occasions, and Class Reunions bring hundreds of alumni annually to the campus.

V. To Recognize That Alumni Have Come of Age. In the 1954-55 University Bulletin there are 25 religious and lay officers of administration listed in the executive, academic, student, plant, and development categories. Of these officers, 23 are alumni. So that the recognition of alumni maturity begins at home. It extends to the many areas in which the University points to alumni as Trustees, as Council members, as its official representatives in a diversity of fields.

VI. Willingness To Put Alumni To Work. In the above areas, and in the programs of the Foundation, the Local Clubs, and in all phases of Notre Dame life, on and off the campus, this has been a recognition by the University that needs no elaboration for Notre Dame men, or for their families who have shared their time and efforts with the University.

VII. To Provide A Satisfying Student Experience. This involves the development of undergraduate relations, so that the student is formed as a good future alumnus between his matriculation and his graduation. The University and student leaders are working on this. Your Alumni Office is working with the student leaders; we have worked with the sons of alumni on the campus; we have met with and played host to the Seniors on occasion; and to the officers of all the Classes; we have worked with the freshman orientation program. This is an area of recent, but encouraging development.

VIII. To Provide Continuing Education For Alumni. In the scattered nature of our alumni population, this has not yet been practicable to any great extent. But by ALUMNUS articles, by reading lists, by visiting faculty members, by programs for alumni meetings on the campus, we have begun to enter this relationship more seriously. A new proposal for a network of Discussion Clubs, led by

alumni, dealing with Great Issues, is being studied by your Alumni Board and the University, and can prove to be the bridge in this relatively pioneering channel. The Association has recognized the principle of this responsibility, as has the University, for many years.

IX. To Enlist Alumni As Spearheads In Securing Public Understanding and Support. The staffing, almost in its entirety, of the Foundation program by alumni, as Governors, Chairmen, and Committeemen, and the public relations programs channelled through the Local Clubs, is adequate evidence of the University's happy discharge of this responsibility.

X. To Uphold Its Own Standards And Make Maximum Use of Its Resources To Move Constantly Ahead. If any alumnus has read his magazines, or has visited the campus, or knows from Deans and professors of the great developments in Arts and Letters, in Science, in Engineering, in Commerce, and in Law, he cannot fail to realize how far beyond the call of duty and the "quid pro quo" Notre Dame has gone in raising its standards, moving ahead, and enhancing thereby the degree of every alumnus of every Department.

You have been wonderful alumni. No college or university I know of—and I study the field carefully—has a more far-flung, active, dependable and responsive alumni. Our Annual Fund participation by alumni is twice the national average.

There is admittedly much room for improvement in every phase, on our alumni side.

And Notre Dame also recognizes much room for improvement in all the above channels of responsibility.

But I wanted you to know that in 8 of the 10 Responsibilities, Notre Dame has far more than a creditable showing. In the 9th,—adult education—the success will rest on your response, and in the 10th,—a satisfying student experience—progress is most gratifying.

—Jim Armstrong.

The Class of 1949 seem to be enjoying life on reunion week-end.
Fr. Hesburgh Appointed to Science Board

The Rev. Theodore M. Hesburgh, C.S.C., has been confirmed by the U. S. Senate as a member of the National Science Board. President Eisenhower had nominated Father Hesburgh for a six-year term expiring in May, 1960.

The National Science Board was established in 1950 to promote the progress of science, advance the national health, prosperity and welfare, and secure the national defense. It is composed of twenty-four members, appointed by the President with the approval of the Senate, from the fields of the basic sciences, medical science, engineering, agriculture, education and public affairs.

Award Meehan Scholarships

Four-year scholarships to Notre Dame beginning in September have been awarded to four students from southern states. The Meehan scholarships, founded in 1936 by the late Augustus F. Meehan of Chattanooga, provide an annual stipend of $750 for four years. The grant is renewed automatically each year provided the recipient maintains an academic average of 85% or better.

Foremen Graduate

Eighty-nine South Bend area foremen received certificates recently at a graduation dinner marking the close of a 15-week Foremanship Development course held on campus and taught by N.D. professors. Dean James E. McCarthy of Notre Dame's College of Commerce presided at the dinner which was attended by executives of 17 companies whose foremen enrolled in the program.

N. D. On Sorbonne Program

Two representatives of the University of Notre Dame had prominent roles in the American celebration of the 700th anniversary of the founding of the College of Sorbonne recently in New York City. They were the Rev. Philip S. Moore, C.S.C., vice-president in charge of academic affairs at Notre Dame, and the Rev. A. L. Gabriel, director of the University's Mediaeval Institute.

Labor Leader Donates Personal Papers

The personal papers of a 93-year-old labor leader, recording a half-century of the history of the American labor movement, were presented to the University of Notre Dame. Frank Duffy, vice-president of the American Federation of Labor from 1913 to 1948 and secretary of the International Brotherhood of Carpenters and Joiners for 48 years, gave the material to the Rev. James E. Norton, C.S.C., vice-president in charge of student affairs at the University.

Sullivan Named Asst. Dean, MSU

Professor Robert E. Sullivan, '40, of the Notre Dame College of Law has been named assistant dean of the law school at Montana State University at Missoula. His appointment, effective August 1st, was announced by Dr. Carl McFarland, president of the Montana institution. Sullivan, a Notre Dame alumnus, joined the faculty of his alma mater in 1947. A specialist in oil and gas law, he is the author of Handbook on Oil and Gas Law soon to be published by Prentice-Hall. He has served as executive secretary of the Notre Dame Law Association since 1948.
Law Scholarships

Two new scholarships valued in excess of $1800 each have been established in the Notre Dame College of Law, according to an announcement by the Rev. Theodore M. Hesburgh, C.S.C., university president. Father Hesburgh has designated that they be known as the John J. Cavanaugh Law Scholarships in honor of his predecessor, the Rev. John J. Cavanaugh, C.S.C., who served as president of Notre Dame from 1946 to 1952.

Freshmen Survey

Nearly 65 percent of the fathers of Notre Dame's freshman class who are gainfully employed are professional men or proprietors, managers or officials of a business enterprise, according to recent research directed by Dr. John F. X. Ryan of the University's education department. The same occupational classifications represented only 16.5 percent of the employed males in the 1940 census, Ryan said.

Dr. Busch Gives Painting

*Massacre of the Innocents*, a painting by Jan Brueghel the Elder, a noted 17th century Dutch artist, has been donated to the University of Notre Dame galleries. The painting is the gift of Dr. M. L. Busch, head of the Mission Hospital at Huntington Park, Calif. It is the sixth painting that Doctor Busch has given to the Notre Dame galleries in recent years.

Fr. Ill Celebrates 60th

The Rev. Bernard J. Ill, C.S.C., celebrated his 60th anniversary as a priest on April 29. Father Ill was ordained in 1894 by Bishop Rademacher. He taught at Notre Dame, at St. Edward's University, Austin, Texas, and at the University of Portland, Ore. He was president of St. Joseph's College in Cincinnati for seven years.

Kent Fellowship

James J. Cannon, Jr., a 1954 Notre Dame graduate from Glen Rock, N. J., has been awarded a Kent Fellowship by The National Council On Religion in Higher Education. According to the Council, fellowships have been granted to seventeen American students "who are committed to a religious approach to life and who look forward to professional service as teachers or administrators in higher education."

Fr. Lauck Receives Prize

The Rev. Anthony Lauck, C.S.C., has been awarded the Leonard Cantor Memorial Prize for Sculpture in the 47th annual Indiana Artists Exhibition at the John Herron Art Institute, Indianapolis. Father Lauck, who is a native of Indianapolis, is a member of the fine arts faculty at the University of Notre Dame. His prize-winning terra cotta sculpture, "The Visitation," portrays the visit of the Virgin Mary to Saint Elizabeth.

Reyniers Gets Pasteur Award

The Society of Illinois Bacteriologists named Prof. James A. Reyniers of the University of Notre Dame as the recipient of its Pasteur Award for 1954. Reyniers, who is founder and director of Notre Dame's LOBUND Institute, was selected "for his pioneering work in germ-free research," according to Dr. J. C. McCaffrey, award committee chairman.

Chemistry Profs Present Papers

Six University of Notre Dame chemistry professors presented papers at the 125th national meeting of the American Chemical Society. They were Dr. Milton Burton, Brother Columba Curran, C.S.C., Dr. William H. Hamill, Dr. Patrick McCusker, Dr. James Quagliano and Dr. Russell R. Williams.

Four Students Awarded Fellowships

Magazine Salesmen

Beware of magazine salesmen who imply that they are being sponsored by the University or an Alumni Club. A solicitor in the Chicago area recently posed as a Notre Dame student. The University does not sanction in any way its name by any solicitor nor does it permit students to solicit magazines using the Notre Dame name.

Eighty-seven club presidents and alumni board members attended the conference.
By James E. Murphy

Seventy-five years ago the University of Notre Dame was all but destroyed by fire. Fortunately there were no casualties—the fire started at eleven in the morning—but the flames razed four structures, including the Main Building whose magnificent Golden Dome plunged into the smouldering debris. The fire of 1879 brought to Notre Dame the greatest crisis it has experienced before or since.

Within a few hours, the disastrous blaze had wiped out the result of thirty-seven years' work by Father Edward Sorin, C.S.C., founder of Notre Dame, and the other Holy Cross priests and Brothers, and laymen who had built a university in the northern Indiana wilderness. Only one-fifth of the $200,000 loss, staggering in those days, was covered by insurance. Father William Corby, C.S.C., then president of the University, decided that the students should be sent home, but he promised that they would find a bigger and better Notre Dame when they returned in September.

Father Sorin had left the campus a few days before the fire for a trip to his native France. The 65-year-old priest had travelled as far as Montreal when he received word of the tragedy that had come to his beloved Notre Dame. Returning immediately to the campus, the aging priest surveyed the still smouldering ruins and then summoned his fellow religious and faculty members to Sacred Heart Church, one of the few campus buildings which escaped the flames.

A man of lesser courage and trust in God might have broken in the crisis. But in a spirit to be manifested again and again in later years by Notre Dame men, Father Sorin declared: "If it were all gone, I should not give up!"

"This fire has been my fault," Father Sorin told his colleagues. "I came here with the vision of a great university and named it after the Mother of God. Then, I built a great building, so I thought. But she had to burn it to the ground to show me that my vision was too narrow. Tomorrow, when the bricks are cooled, we will clean them and be-

Old Timers’ Dinner Sponsored By New York City Alumni Club

The New York Club sponsored another “first” among alumni activities with an Old Timers’ Dinner for the men in the area who had been out of Notre Dame for thirty years or more. Rev. John J. Cavanaugh, C.S.C., director of the Notre Dame Foundation, was the principal speaker, while arrangements for the affair were handled by a committee headed by the Hon. Frank C. Walker, ’09, chairman, and Leo J. Rasche, ’96, Edgar Kobak, ’16, and Charles M. Reagan, ’17.

Edward T. Tighe, ’24, served as toastmaster. Father Cavanaugh turned the meeting into an interesting roundtable question-and-answer discussion of Notre Dame and its development during the past three decades. J. P. McEvoy, ’14, well-known writer, told his amusing story of how he worked his way through the University.

There were thirty-seven men present including “Zip” Lathrop, ’16, who played tackle in the first Notre Dame-Army game. Senior members at the dinner were Leo Rasche, ’96, Edgar Kobak, ’16, and Henry Brown, ’02. The hosts for the meeting were three young alumni members of the club who liked the idea so much that they asked to be permitted to give the dinner anonymously.

Those who attended the dinner included: John T. Baile, ’20; Henry Brown, ’02; Glen M. Carberry, ’23; Alex J. Colgan, ’21; Gerald J. Craugh, ’21; William A. Daunt, ’08; Simeon T. Flanagan, ’14; Charles A. Gorman, ’03; Francis E. Hackett, ’11; Hon. Ernest E. L. Hammer, ’04; William H. Has-

Ten Priests Ordained In Sacred Heart Church

Ten young men were ordained as priests of the Congregation of Holy Cross at the University of Notre Dame recently. The Most Rev. Leo A. Pur-sley, Auxiliary Bishop of Fort Wayne, officiated at the ceremony in Sacred Heart Church on the campus.

Celebrate First Mass in Home Parish

The newly ordained priests celebrated their first Solemn Masses in their home parishes on Sunday, June 13th. Shortly thereafter, they will be assigned to one of the activities of the Holy Cross Fathers.

Four members of the ordination class served in World War II before beginning their studies for the priesthood. All of them received their college education at Notre Dame and their theological training at Holy Cross College, Washington, D. C.

Father Keller, who for a number of years headed the Bureau of Economic Research at the University of Notre Dame, has compiled in a small, attractive book, published by Arthur Conrad’s (’35) Heritage Foundation, interpretation of the Social Encyclicals as they may be applied to conditions, especially capital and labor and management, in the United States.

His Excellency, Most Rev. John F. O’Hara, C.S.C., D.D. (’11), Archbishop of Philadelphia, makes the im-

portant point for alumni to consider, in his introduction to the book: “... Father Keller in his application of social doctrine of the Church to the United States gives his personal interpretations of the social doctrines. He does, however, raise many logical doubts concerning the interpretation of some Catholic social scientists, who seem to approve the ‘modern superstition’ and who in their own personal interpretation of encyclical teaching make ‘co-management’ the heart of the Church’s social doctrine.

“It is our hope that such a frank discussion of the social problem as Father Keller’s will stimulate serious study of the very difficult problem of the correct interpretation of encyclical teaching and its application to the United States.”
MAIN BUILDING FIRE

gin again. But this time, we will build a really large building, and when it is finished, we will place a magnificent Golden Dome above it to show to all the glory of Notre Dame, the Mother of God, who has inspired my life's work."

The next day found Father Sorin, among the other religious, pushing a wheelbarrow and going about the task of building a greater Notre Dame. Ground was broken for the new Administration Building on May 17th. By the Fourth of July, at a pace of construction difficult to match even today, three stories of the structure had been completed. When 324 students returned to the campus in September, they marvelled at the new building, the major portion of it completed and substantially the same as it is today.

Notre Dame has been building and growing ever since. The Administration Building, still at the heart of the University, is now surrounded by over fifty buildings, more than half of them built since 1930. The student body numbering a little over three-hundred in 1879, now stands at 5,400, the largest in Notre Dame's 112-year history. The University has experienced a number of crises in its century of existence and doubtless others will come in the future, but none is likely to match the fire of 1879.

Holy Cross Brothers Plan School in Dacca

Into the Dacca of 1951 with its increased population and its infant industry and city-planning, it was with an eye to the future that the Brothers of Holy Cross, encouraged by Archbishop Graner, C.S.C., envisaged a center for the training of young men for industry. Ever since there has been planning and a searching for property. This past February land was purchased for this project and the work actually begun. There have been shipments of machinery and tools until now there is sufficient for a beginning. These tools and the machinery were forthcoming from many of Notre Dame's alumni and we wish publicly to acknowledge these gifts and donations. We wanted to show them some evidence of their benefactions before this, but things in the East are things in the East, and as I wrote to one of the alumni, "We don't have the overnight service between Chicago and South Bend," over here.

With this then, Mr. Armstrong, let me thank you again for your assistance and suggestions given while I was in the States, and through you we thank all the alumni of Notre Dame and the friends who have in any way assisted us in this project. Archbishop Graner is almost as much pleased when he learns of gifts and donations that we receive as we are in receiving them—almost.

Three Paintings Given To Notre Dame Gallery

Three paintings have been presented to Notre Dame by two Chicago art collectors.

Lewis J. Ruskin, president of the Ford Hopkins Company, is the donor of Cincinnatus Offering His Baton to a Farmer, a painting by Giovanni Battista Tiepolo, the last of the great artists of the Venetian school. Richard W. Hoffman, radio executive and former U. S. Representative, has presented two German primitives by Jakob Schick to the University.

Fr. Cunningham Speaks At Meeting in Havana

The Rev. William F. Cunningham, C.S.C., professor of education at the University of Notre Dame, addressed the triennial convention of the Catholic Inter-American Educational Confederation at Havana, Cuba, recently. Father Cunningham discussed "Regional Accreditation of Colleges and Universities in the United States." Approximately five hundred educators from countries throughout the Americas attended the sessions at the Colegio Belen in Havana.

During his stay in Havana, Father Cunningham was present at a dinner-meeting of Notre Dame alumni in the area. Before returning to the Notre Dame campus Father Cunningham went to Cincinnati for the executive committee meeting of the college and university department of the National Catholic Educational Association. A veteran member of the Notre Dame faculty, Father Cunningham is the author of the new book, General Education and the Liberal College.

Father Cunningham has travelled widely throughout Latin America and for many years has served as coordinator of Inter-American groups at Notre Dame. He was accompanied to the Havana convention by the Rev. John E. Walsh, C.S.C., who joined the Notre Dame faculty this Fall after receiving his doctorate in education at Yale.

Central New York

Universal Notre Dame Night, traditionally a "big event" here in Syracuse, easily won honors as the outstanding affair of the year. We celebrated with a dinner dance, preceded by a cocktail hour and highlighted by an address by Dean LAWRENCE BALDINGER, head of the College of Science at Notre Dame. Over eighty people, alumni members of the Central New York club and friends, ate roast turkey; listened with enthusiasm to Dean Baldinger's comments on news, progress and needs of Notre Dame; danced until midnight in the North Room of the Yates Hotel in downtown Syracuse.

The dance made history in that it promises to become an annual affair and many thanks go to the hardworking committee: Dr. TOM SNYDER, PHIL KELLEY, Mrs. ED KENEFKE and Mrs. DAN KELLEY.

At long last the men in the Central New York club have come to realize the importance of the "woman's touch"—even in New York affairs. They've had to acknowledge that many of their wives, without ever trodding the campus, have caught that indescribable "spirit of Notre Dame" that the feminine touch is not a bad thing at all when it comes to planning parties, organizing outings or promoting projects.

Bearing this in mind, recently the men encouraged the formation of a ladies' auxiliary (not yet named) and even underwrote the first luncheon meeting held at Schrafft's last February. The luncheon was attended by twenty-five wives, all very devoted to Notre Dame and determined to boost its stock even higher in these parts. At that meeting they elected the following officers: MRS. ED KENEFKE, president; MRS. WILLIAM GREENE, vice-president; MRS. RICHARD GREENE, treasurer; and MRS. JOHN TERRY, secretary.

The ladies' auxiliary plans to hold monthly meetings with a mixed Communion breakfast and picnic on the agenda. Their Notre Dame "philanthropy" (when fund-raising projects get under way) will be assistance in furnishing one of the many chapels on campus. At their second luncheon meeting each member brought an article of clothing to be sent to a Notre Dame missionary priest in Texas. The tremendous success of the recent dinner dance was due largely to the work of the auxiliary. Once it gets rolling, with women at the helm, there's no telling what's in store for the Central New York club!

—Paul Lonergan

Milwaukee

Our annual observance of Universal Notre Dame Night was a success.
We had 125 in attendance, which included alumni, fathers of alumni, and fathers of some of the undergraduate students, as well as some distinguished guests who are friends of Notre Dame. Our affair was held at the Milwaukee Athletic Club and TOM KELLY of the class of 1918 acted as our master of ceremonies.
We were very fortunate to have FATHER TOM "HANDBALL" BRENNAN as our main speaker. He gave a very inspiring talk and injected a great deal of spirit into the occasion. TERRY BRENNAN was the recipient of the "Notre Dame Man of the Year" award and same was accepted by his brother, JIMMY BRENNAN. Our Club Chaplain, FATHER RACE, made the presentation. Jimmy in accepting the award in behalf of Terry, made the classic remark that Terry had advised him he had been head coach at Notre Dame for exactly six weeks and still was undefeated. We received a very pleasant surprise by having as a guest Pat O'Brien who happened to be in town on behalf of the Cancer Fund Drive. Pat spoke to our gathering for half an hour, during which time he gave his famous imitation of Rockne's talk to the boys between halves. We certainly appreciated Pat's presence at our gathering and he contributed much to its success.

Our club has re-elected the present officers (yours truly, RAW DUATR and JIM BRENAN) for the coming year. We are in the process of reactivating the club and we are stressing continuity in our club program. This affair was an encouraging start and we are looking forward to a very successful club year.

Hammer, New York Supreme Court Justice, recipient on the preceding Sunday of an LL.D. from Notre Dame. The number exceeded the previous Classes but the announced intentions of '04 itself, and Class caps were at a premium before registration was half over. The 50-Year Gold Medals have been sent to all Class members, whether present at the Reunion or not.)

Bit by bit, by means of a letter here and an inquiry there, the tangle of mat of missing names, missing addresses and misinformation of classmates is being unravelled by your Secretary in his spare moments. The hardest part of the job, as former secretary PAUL CASTNER has already testified, is to get addresses on our list to answer their mail.

If these Class notes should come to the attention of any man of '23 who has not received or has not answered my letters or questionnaires, may he act as a gentle reminder to answer your correspondence. Letters from classmates are welcome. Fred worked until his retirement for the Scotch Tape people in Minneapolis. Write to him.

The death of STEPHEN WÓZNIAK came as a shock since we all enjoyed being with him a year ago. He was a member of the Class of 1928, who passed on April 16 after a long illness. Steve practiced law in Akron and was President of the Akron Notre Dame Club and the Polish-American Citizens' Club at the time of his death. He studied in 1931 at the University of Jagiellonian in Krakow, Poland. On his return from Europe, Steve was named assistant county prosecuting attorney and later he was promoted to first assistant prosecutor. Steve and his brother, Joe, formed a law partnership and were seen in Democratic party politics. He is survived by his wife, Mary; four daughters, Mary Jean, student at St. Joseph College, Cincinnati; Nancy, student at Detroit College, Detroit; Dorothy and Ellen who are in high school in Akron. A Mass was said for Steve, at the request of the Class of '28, by FATHER MARK FITZ-GERALD, C.S.C., at Notre Dame. Although we have had four classmaties die since our reunion, TOM GRIFFIN, GEORGE O'BRIEN, HERB SCHULZ and BILL DOWNEY, Steve is the first one of the class who attended the reunion to die.

BILL CRONIN is now a public relations consultant with Coates and McCormick, Inc., 292 Madison Avenue in New York. You will recall the outstanding job Bill did last year as chairman of the committee which broke all records on silver anniversary reunion class gifts. Bill has been with the Comerford Theatres in New York for a number of years since he left Washington where he served as Administrative Assistant to the Postmaster General. Bill has five children ranging in age from 5 to 22. His oldest son, Vaughn, was graduated from the Naval Academy this year.

I am indebted to LARRY CULLINEY for a newspaper clipping, announcing that Superior Court Judge JOHN T. CULLINAN removed himself as a possible Democratic gubernatorial candidate. Larry also informed me that Judge Cullinan had been prominently mentioned as a possible candidate.

JOE McCANN has resigned from Phillips Petroleum Company in St. Louis to return to his home town of Peoria where he is Vice-President and Treasurer of Cummings & Emerson, 424 South Washington Street, Peoria. He is in the auto parts and supplies business. Joe has three children, ages 10 to 14. I hope to see Joe more often now that he is back in Illinois.

We enjoyed a '28 get-together at the home of JIM ALLEN in April which included BILL MURPHY, BILL DOWNEY, BILL CORZON, BILL KEARNEY, HOWIE PHALIN, RAY MULLIGAN, ED MECKOWN and FRANK CREADON. A show­ ing of the 1952 Class Reunion film by FRANK CREADON was very much appreciated. The talent scouts may be interested in knowing that several of the boys could serve the Mass for deceased '28 men.

TOM LAKE & FRANK QUINN. We also had a showing of the film at Frank Creadon's home for LOU NORMAN and his wife while Lou was in Chicago arranging for the "G.M. Motorama of 1954." Lou invited us to a preview of the show.

Since I teach a graduate class at Loyola University two nights a week, I was unable to join the '28 men attending the Universal N.D. Night party in Chicago who partied and sent the famous valentine reunion mailing, reported that the following '28 men were present: ED RAY; BILL MECKOWN, HOWIE PHALIN, FRANK CREADON, BILL KEARNEY, ED BRENNAAN, BERNIE CORZON, DAVE SMITH, HOWIE PHALIN, RAY MULLIGAN, JUDGE JOHN LYONS and BILL Dwyer.

TOM MAHON of St. Paul was recently elected state deputy of the Minnesota Knights of Columbus. Tom, who was financial secretary of the N.D. chapter of the K. of C. in 1927, has been active in that work for a number of years in St. Paul, having served as District Deputy in recent years. Tom has two boys and is special agent for the Northwestern Mutual Life Insurance Company.

I SAW HAYES MURPHY on a recent visit to Melrose where he practices law. Hayes has served as Assistant State Attorney and Assistant Attorney General of the State of Illinois. He has three children varying in age from 8 to 18. His oldest son is a freshman at Notre Dame. I also had the opportunity to stop and see AL GURY in Peoria where he operates a tent and awning company and has an agency for Miller's beer. Al has one child, three years old. Al regretted his inability to attend the reunion last year but promises to be on hand in 1958.

GUS JENKINS reports that the talk given at the Buffalo Universal Notre Dame night party by WILLIAM LAWLESS was based entirely on the report of the survey of the Class of 1928 issued by us last year. Gus said that he, FRANK CONNORS and MARTY RYAN sat together at the affair and enjoyed the many references to the Notre Dame Class of 1928. Gus, who covers considerable territory as Vice President of sales for the Dunn Welding Co., Inc., passed along several items of news, ART SLAVIN has moved from Milwaukee to 223 Main Street, Elbridge, New York, where he is in the nursery business. DICK GREENE won a free trip from Syracuse to the Penn game for himself and his wife. Gus met FRANK DONOVAN at the Marquette basketball game last winter and accidentally met ALLAN JOHNSON of Niles when they were both stopping at the same hotel in Detroit. Allan travels for the Platt Luggage Company. He has two daughters, one of whom is at Michigan State College. Gus has four children. His oldest daughter is married and a mathematician at the Cornell Aeronautical Laboratories in Buffalo. His son, age 20, is now in the Third Marine Division in Japan. Another son expects to enter civil engineering at Notre Dame in September. You will remember that Gus and his wife brought Mrs. John McMahon and her two sons to the reunion so the boys could serve the Mass for deceased '28 men.

JIM CONNELLY has moved from Albany, New York, to Rochester where he lives at 335 Cobbs Hill Drive. He is with the Tobin Packing Company in Rochester. Jim attended the Universal Notre Dame night there and saw CLARK WALKER and JOE GERAGHTY. Joe, according to Jim's report, has taken a very active part in the Rochester club and was named "Man of the Year" last year. Joe's daughter entered the Convent of Mercy nun in 1953. Also, Jim saw PHIL O'CONNOR who is still a bachelor and with the Eastman Kodak Company.

While speaking of Rochester, I obtained some additional news of other '28 men there. JOE GERAGHTY informed me that DON CORBETT is practicing law there and has five children. KENNETH POWER, who was with our class from 1924 to 1927, is deputy county clerk and deputy Supreme Court clerk in Rochester. Kenneth has three sons, ages 12 to 24. I noted in an announcement describing a June conference on alcohol studies at the University of Wisconsin that GERALD MCGILL was a member of the staff. Gerald directs the Bureau of Alcohol Studies, Division of Mental Hygiene, Wisconsin State Department of Public Welfare. He participated in the Yale Summer School of Alcohol Studies in 1950 and was chairman of the National States Conference on Alcoholism in 1953. He established and directed the Adult Guidance Alcoholic Clinic in Superior, Wisconsin. Gerald lives in Madison and has three children, ages 8 to 17 years.

MIKE HOGAN is running a close second to JOHN LEITZINGER as Mike recently announced.
the birth of his fifth daughter and tenth child. There are nine children living. Mike's oldest son is now a medical student at Indiana University after receiving his B.S. degree last year at Purdue. He has also a son in service in Alaska. Mike is a pharmacist with the Medical Arts Supply Company in Fort Wayne, Indiana. He mentioned that he sees WILLARD WAGNER regularly. BILL FLUCHOLS stopped to see Mike recently. Bill is a traffic agent for TWA. He assured Mike that we can bank on him for the 50-year reunion.

FRANK DONOVAN'S son, Dick, was married in 1951. Are there any others who married later than this? LARRY CULLINEY also mentioned that he met FRANK KELLY recently in Pittsfield, Massachusetts. Larry is an examiner for the Federal Deposit Insurance Corporation and lives in New Haven, Connecticut. He has four children, ages nine months to 12 years. BERNIE GABER and his wife were godparents last fall for the baby.

GEORGE COVERT was so enthusiastic over our reunion last year that he is arranging a similar get-together for the Alumni from Cathedral High School in Toledo, George is with the DeVilbiss Manufacturing Company there. His wife died in 1936.

I have reports on the three Collins in our class. JIM CULLEN is practicing law in Sayre, Pennsylvania. He has three children, ages 3 to 13. JOHN CULLEN, who is located in Buffalo, is with the Industrial Appraisal Company as manager for western New York. He has four children, ages 5 to 17. MATT CULLEN is practicing law in Chicago and has three children, ages 3 to 10.

TERRY DONAHUE should be added to the list of classmates with Ph.D.'s referred to in the last issue. Terry received his M.A. from Ohio State and his Ed.D. from Columbia. He is now Superintendent of Schools in Eastchester, New York. He has eight children, ages 7 to 17.

FRANK GALARDY, Vice-President and General Manager of the Automatic Telephone Services, Inc., of New York, sent me a clipping from the April 30, 1954 New York Herald Tribune reporting a meeting of transit experts. LARRY WINGERTER, President of the San Antonio Transit Company and President of the American Transit Company, was quoted as advocating the restriction of the use of automobiles in American cities.

FATHER NORMAN JOHNSON, C.S.C., is now an Air Force Major and Chaplain. His address is Box 245, Edinboro, Pennsylvania. Ed is a graduate of St. John's University after receiving his B.S. degree last year at Purdue.

ED Mccormick is a copy writer with the Ted Bates advertising agency in New York City. Ed is another who should be added to our list of bachelors.

JIM J. REILLY is in general farming and livestock production in Spalding, Nebraska. He has eight children, including twins boys.

GERALD SHEIDLEY has a son attending Our Lady of Lake Seminary, Lake Wawasee, Syracuse, Indiana. Gerald is a packaging technologist and Director of the packaging laboratory, Roson Forest Industries, Inc. He has two other children.

JOHN WALLACE is in the real estate loan business in Beverly Hills, California. Father Norman was Editor of the Bengal when he was recalled to the Air Force in 1953.

ED McCORMICK is a copy writer with the Ted Bates advertising agency in New York City. Ed is another who should be added to our list of bachelors.

Their silver wedding anniversaries last year: JOHN LARSEN, BILL McGEEN, ED McCLARNON and ED QUINN. Those married in 1927 include KENNETH POWER, JOHN VOEDISCH and TERENCE DONAHUE. Please let me know of others who should be included in these groups.

The list of classmates with children in college which appeared in the last Alumnus should be supplemented as follows: Those with sons include BILL CULLEN, who is located in Buffalo, is with the Industrial Appraisal Company as manager for western New York. He has four children, ages 5 to 17. MATT CULLEN is practicing law in Chicago and has three children, ages 3 to 10.

From ED QUINN:  
"Although WILLARD WAGNER didn't get out to the reunion this year, I see him occasionally in town, since he lives only a few blocks from McKinley Avenue. Wagon, a manufacturer's agent, is in training now for our 50th reunion, which is too far away, and hopes to be in good condition by that time."

"It was my pleasure to be a guest of FRANK DONOVAN and his wife, Mrs. Clara, and their son, Ed, on Sunday, March 18th, 1954, at the Miller Hall of the University of Notre Dame. Frank, Frank's youngest son, Pat, has just finished his first year at Notre Dame.

GEORGE SCHILDER, who is a member of the South Bend Tribune staff, combined business and pleasure the second week in June when he attended the Aviation Writers' Conference in Miami, Florida. George reported back some very interesting information about the latest developments in aviation to his paper."

"I had a letter from our class treasurer, JOHN SHEEDY, who wanted me to know that his son is also enrolled at Notre Dame this year, a sophomore next year in the College of Arts and Letters, the Dean of which College is Rev. Charles E. Sehey, C.S.C., John's brother and Jack's uncle. Sorry I overlooked your son, John. It was entirely unintentional."

"Our most amiable and capable class secretary, LOU BUCKLEY, was an invited guest of the Class of '29 at their 25th reunion. Lou came down from Chicago well armed with notebook and pencil to take down the ideas for their 50th reunion, upon which he is already hard at work. My brief visit with Lou in front of the dining hall was a very enjoyable and a very enlightening one. Lou would like all his classmates to know that he very capably represented the Class of '29, and that he will soon be calling upon you for your 50th reunion ideas."

"I had the opportunity to exchange a few pleasantries with JOHN CLAYTON, HASLEY and JOHN McNAMARA after the banquet, also. As you will no doubt recall, they all went on for a few drinks at the conclusion of the banquet. So their allegiances are, of necessity, divided between '28 and '29, and they make the most of the ideal circumstance of two consecutive reunions in two years. Bill, originally from Wisconsin, is now practicing law in Illinois; Henry is still in Fort Wayne; and John, a native son, is now practicing law in Indianapolis evidently wanted to get away from Hooiserdom. He is now practicing in Connecticut."

"I got to see Father ROBERT WOODWARD, C.S.C., who is president of the Office of Military Information under the Golden Dome, and is very busy with his assignment."

"We're delighted to have ROYCE BOILEY get over to the Huddle or the Main Building once in a while, at which times I get to pass the time of day with him."

went out to scout quite a bit of their doings. At their Friday night dinner held in the Morris Inn, they had FRANCIS JONES as MC and FATHER EUGENE BURKE as main speaker. It was a good combination, and I began to think about our own affair next year. Any ideas?

I ran into quite a number of 1930 men visiting the '59 reunion in some capacity or other. Had a nice visit with CHICK DRISCOLL who promised me right on the spot a very nice contribution for our big reunion next June. This is one everyone will enjoy.

PAUL FARMER and BOB HOLMES were present to renew ties with a bunch of fellows they knew so well back in 1929-30. I mentioned a gathering of local committee men to lay plans for our anniversary reunion, and they were all hot for it. Also I had a chance to chat with VINCE McGUIE who was with some friends of the 1929 class; he promised to be back next year, and also to help out in any way in the preliminary plans.

JACK ELDER was very busy about the place, going at his usual clip. Jack ought to be back next June for a visit with his other class. It was lots of fun chatting again with Doc TOMMY FERRITER, who was back for his first visit to ND since leaving in February, 1930.

Our local alumni club had their annual golf day last week here on the ND course. It appeared to be a good turnout, and the beef barbecue held on the course at the close of play was another big success as it has been in previous years. MARSH KIZER was on deck with some friends from Plymouth; he was recently re-elected District Chairman of the Democratic Party. FRAN MESICK was present; we see Fran at more functions than ever. Here are some more news items gleaned from the questionnaires sent several months ago to class members. Some returns are still coming in. We could use many more.

WILLIAM J. REAUME is the golfing coach at Denby High in Detroit. He has two children, Daniel Jr., who is 19, and Felice M., 15 years of age. Bill has been swimming coach at Denby and his team has been undefeated in the East Side League of Detroit for the past 13 years. At present he is president of the Michigan Amateur Athletic Union, and President of the Detroit Health Education Club. Editor of the Scholarly Section of the National Athletic Assn. Swimming Guide, Bill spends his spare time in the business of building homes. Bill would like to hear from RAY ZELIAK and ADAM BRAY (so would I).

FRED M. BURRELL is located in Green Bay, Wis., with his wife Arvella, son Fred, 18, in the Air Force, daughter Arvilla Lynn, 16, son Michael, 14, and son Mark, 5. He reported he saw TOM LAVER at Milwaukee a short time ago, first since graduation. Fred said he had a dandy trip with family through Mexico and the west coast recently but failed to run into any Notre Damer. Fred says: "No newsworthy accomplishments except that I didn't vote for Joe McCarthy and accept no responsibility for him. Look for the Green Bay Packers to become National Pro Champs again with TOM HEARDEN, '27, as backfield coach and JACK YARNELL as scout and public relations man." Fred is district manager of the Seidline Paint and Varnish Co. of Kansas City, Mo. Will be at the reunion.

FATHER EDWARD R. FITZGERALD, C.S.C., is Deputy Command Chaplain, located at Langley Field, Virginia. Father said he had seen FATHER JIM RIZER some time ago. (Wander if these two gentlemen will be on hand next June for reunion and the Mass assignments which are a part of each reunion?) Many thanks for the personal note, Father Fitz.

JACK NOVERY is a Lease Broker in the oil business. His children are Ann, 18; Donnie, 16; Michael, 13; and Robert, 9. Jack says he frequently sees his neighborhood classmates, VIC MARTZEL; he ran into JIMMIEFAVERET (Favorett Construction Co., New Orleans) about 6 months ago; couple years ago saw TONY CIAZ in Yucatan (Calle 60, Numero 338-T, Merida, Yucatan). Jack said he was going down to Mexico this summer and hoped to visit with some ND alum at home. Promised to be at the 1955 reunion.

ED A. HINDERSCHEID, with his wife, 3 boys and one daughter lives in Akron, O. Ed is the operating assistant to the V-Pres. of Firestone T. & R. Co. Says he sees ANDY SNYDER every week. Would like to contact COTTER and ED MCCLELLAND. Ed has one son who is a junior at Notre Dame now, and another boy, Lee, who is entering this fall. Ed says: "Have been with Firestone 19 years—went all through field accounting and auditing—have been in the sales department for 8 years, and on present job 6 years."

AUSTIN C. GILDEA, with wife and two children, 14 and 10, lives in Elyhurst, Indiana, where he helps to make Gildea and Stuar a thriving law concern. In recent months Austin has seen BOB GRANT, former Congressman, FRANK READY, MARSH KIZER, LEO SCANLON and LOUIS CHAPLEAU. Austin said he would like very much to hear from BOB EGGEMAN, FRED SCHOFIELD, TOM MCDougAL, GROSSMAN, GOODMAN and all the LL.B.'s from '30. Austin wrote: "Immediately after graduation I returned to my home town (it was no novelty—I had been doing the same thing for 5 years) and hung out the

I was very pleased with Vince's extended note and I pass it on to you. He wrote: "Contacts with Notre Dame were pretty much confined to radio and the sports page from 1930 to 1933. Then with the graduation of my oldest son from high school came the matter of college education. Of course, there could only be one choice, and in September, 1933, the two of us matriculated at Notre Dame. Tom in the physical sense while my matriculation was spiritual. EDWARD G. CONROY, '30

Recently, Ed Conroy was publicly honored in San Antonio at a luncheon given by grateful citizens. It was the occasion for presenting him an honorary life membership in the American Social Hygiene Association. As director of the Bureau of Governmental Research and as executive vice-president of San Antonio's Research and Planning Council, Ed established the council-manager plan and helped to check the corrupt spoils system that had been in operation.

He graduated from Notre Dame in 1930 and returned to San Antonio where he supervised its police radio system. Later he received a master's degree in Public Administration from the University of Minnesota. During World War II he served with the U.S. Navy and attained the rank of commander.

Some of his awards have included those in Civic Service and in Good Citizenship, from San Antonio, and the LaGuardia Award for Outstanding Achievement in Municipal Affairs.

be celebrated after a fatality for the next one to die. Keep up the fine work, Jim."

JACK SAUNDERS was on the campus for the Alumni Association meeting and upon his return to Boston sent a check and the following letter: "Had high hopes of seeing you at school last weekend. In that I failed to 'meet up with you' there, I now enclose my contribution toward the 1951 Class Mass Fund. My Chicago visit last week was only a 'technical one'—at the airport just long enough to switch planes. At school, from '31, I saw JIM MUAID, FRED RAHAIN, JOHN McINTYRE, BOB GORE, et al. More soon, Jim. Congratulations on the better than outstanding job you are doing as Class Secretary. I'm sure our fast-approaching 25-year Reunion in 1956 will be a totally refreshingly memorable get-together."

These letters should be an impetus for many of you to sit down and send that check with some news.

I received a letter from the Alumni Office that ANDREW G. PATRICK of Strafford, Conn., had passed away. TOM ASHE also wrote telling me of the death of AL HOWARD in California about the middle of April. Please remember them in your prayers. Mass cards will be sent to their families. While on the bus one day I ran into FRANK ZIMMER who said he had heard from ED McGALLEN, JR. I phoned JOHN RADGI-VICH, but didn't get a return call from him. WALF GAMBO was in the hospital suffering from injuries as a result of falling out of a tree. JIM McQUAID sent me a card thanking me for some subscription renewals and promised to send a letter soon. EDDIE RYAN and CARL CRONIN were down for the Alumni Reunion and saw FRED RAHAIN (how about a letter, Freddie?), BOB GORE, TONY SCHREINER and TEX BRIEGER, one of the 1931 faithfuls. Last week I saw FITZ GORE who will be around town for a few months running Chicago's cool weather. Saw JOHN (KEVITL) SHERMAN, the Santa Fe Freight Agent, recently.

Present at the Universal Notre Dame Night dinner in Chicago were: GENE VALLEE, KAY COLLINS, ED RAYN, BILL LEARY, DON O'TOOLE, CARL CRONIN, JIM MULANEY, TOM CONLEY, TOM COUGHLAN, AL STE-PHAN, GENE HARBAUGH, NICK BOHLING, SPIKE McADAMS and VINCE BUSCH. It was the first time I had seen Vince since 1931.

I wrote Tom Ashe after visiting with him in February and received the following: "I am very sorry that it has taken me so long to reply to your letter, but as a matter of fact I mailed it out only a few minutes ago. Just this morning I found a card with your address on the back (something I had written in Chicago) and this inspired me to dash off a note. Anyhow, Jim, thanks for writing so promptly, and I can readily understand why you have been so successful as a class secretary. As for me, my intentions are good, but while the twins are so young (they were four on Monday) I never seem to get much accomplished. My trip to the west coast was very pleasant, but it was a real job to get rid of my cold for three weeks, so I amused myself and looks at the "In" basket—I'm going to ask you to send him home when he gets back to the office and looks at the "In" basket—I'm going to ask you to send him home when he gets back to the office. I still have the almost delirious pleasure of being given me an opportunity to get acquainted with the folks at home. Nevertheless, I expect to go east in a couple of months, and if that trip materializes I shall advise you in advance so that we can have a meeting of some of the "three-sons." Your letter reminded me to get in touch with a pair of delinquents, so I shall do so without further delay and have them drop you a line. (Tom, they are still delinquent.) Sorry, I have nothing more in the way of news. After Universal Notre Dame Night I should be in a position to send you a few items. With kindest regards, and again thanks for the trip to Skokie so that we could get together and chin a bit."

GIL SEAMAN has just completed a stimulating year as president of the ND Club of Chicago and is to be congratulated for an excellent job.

Due to moving and the rush of business I haven't had time to juggle some of the lazy '31ers with postcards. If Grand Rapids has been able to show life again there is no reason why more of you cannot get letters in for the next issue of the Alumni. Don't forget to send your contribution to the Mass and Reunion Fund and be sure to take care of the Foundation too. If you have any pictures of your respective outings showing any aging 1931 men, be sure to send them for the enjoyment and amusement of your classmates.

Inasmuch as a man's desk gets that overburdened look when he travels for a few days—it's enough to send him home when he gets back to the office—and looks at the "In" basket—I'm going to ask those of you who expect to do the unexpected and drop a letter to the secretary to address it to my home instead of office. SO—from now on, address those letters to:

have made a Marian year pilgrimage yet? It’s usu-

pastor—and the rewards are great. Get with it—
there aren’t too many months to go!

Clark, Jr., is a sophomore at Notre Dame—any one in the class beat that? Nice idea on this mailing program—now you will get action. Do it right and you can get $10,000 by 1938." (Ed. 20 Year Reunion

June 10-12

1935

Franklyn C. Hochreiter, Phil. Reine and John Logan.

Well gang, it looks as though we might begin to have an idea of how many months of "91" which came directly out of the Alumni Office. The turning point came with the questionnaire. And you know, it actually set off enough enthusiasm in several of the crowd to write honest to goodness letters. That was worth a great deal in itself. NOW WE HAVE NEWS! The Class of '35 has returned from life!

May we say at the outset that the Alumni Office deserves our thanks for the major part of the work in getting out the questionnaire. All we had to do was mail it. Our job has been one of tabulating the results. And they are very interesting as we hope you will agree. We had hoped the returns would be greater than they were. Apparently the end of the news line has been reached since there were no returns during the past week and, now on June 12 we are attempting to make our deadline.

Including our own, there are 138 questionnaires on file. Our approximate current count, runs just under 500. This means that responses have been received from about 27 percent of the class. While this is a good start, it is far from overwhelming. We could have been on the other 73 percent of the 33ers? Could it be that they are not interested? Or maybe they just didn't get around to it? Our enthusiasm doesn't indicate this—of course, there is a large bulk from the non-coastal states. It is upon you 100 enthusiasts that the responsibility of follow-up will be put to work. And we will at this point restate the questionnaire which came directly out of the Alumni Office. The Rev. DONULUS BRIDENSTINE, C.S.C., has announced the election of J. Thomas Trxler, Portland, Ore., and a member of Notre Dame's 1947 class, to the company's senior board of directors.

CLASw REUNION ATTENDANCE

Hugh DeVore is the new head coach at the University of Dayton. Hugie had been an assistant on the Green Bay Packers staff last year.

Edward F. Fitzmaurice has been named product service manager for Swans Down products in the General Foods Corporation. Ed is a resident of Clappappa, N. Y.

John T. Casey has become associated in the practice of admiralty and administrative law with Milton C. Grace. He is located in the Warner Building, Washington, D. C.
We have tabulated 23 occupations from the questionnaires and we hope that our guesses are correct, where we had to make the decision, sometimes with the help of the DOME. Seventeen men have been entered in two occupational groups as follows: teacher, 5; professor-teacher, 3; bookkeeper, 1; real estate-insurance, 2; engineering-business, 3; social worker, 1; law-business, 2; landscape, 1; and, brother-librarian, 1.

This is how the total breakdown looks when spread across the 138 replies received: Priest—4; Brother—2; Doctor—3; Dentist—1; Lawyer—18; Engineer—5; Bookkeeper—4; Coach—4; Teacher—9; Business, Man—54; Banker—6; Mortician—2; Insurance Man—11; Real Estate Builder—2; Publisher, Bacteriologist, G-Man, Librarian, Revenue Agent, U. S. Bank Examiner, Department of Defense Staff, and a number of other names are entered in the total.

Interesting story is told by the above statistics. Let's get the rest of the class tabulated for the record. As we go along giving you the word on each of the men who replied we will tell you the occupation we have used. If we have made a mistake, how about a correction from you?

And now, before we get into the questionnaires, may we take notice of a death reported in the latest ALUMNUS. Jim Devers died on February 20 and is survived by his wife. No children reported. To Mrs. Devers we extend the sympathy of the Class.

Also, to Frank Holahan, who made the latest vital statistics column for Births may we extend our congratulations on Rita Louise born May 18, 1954. His wife, Marguerite, and his four children we extend our sincere sympathy. (Thank you Mrs. Burger for so kindly sending us the questionnaire, the letter and the news clipping.)

As we go through the questionnaires we note a number of the men feel as if they do. We'll extend to them our congratulations on the children. It's about time, in our view, we need a reunion. Another reunion man for '55.

Richard A. Bloom, Vice President and Director of Sales in charge of the Special Sales Division, Oneida Ltd., has been named Vice President and General Sales Manager. In his new position Mr. Bloom will have the responsibility for marketing all of Oneida Ltd.'s more than forty trade-marks.

Dick graduated cum laude from Notre Dame in 1930. After a brief career in the Oneida office, he became manager of the leased silverware department in Dey Brothers Company in Syracuse, New York. In 1935 he joined the Community Division sales force, and in 1939 he became Sales Manager of the Holloware Division. During World War II he was Manager of the War Production Division. In 1943 he was Sales Manager of the Wm. A. Rogers Division, and in 1945 Director of Sales for the Oneida-Rogers and Sterling Divisions. He was elected Vice President in 1948.

Dick is married to the former Gertude Viola Duggan. They have two sons. He is a member of the 24 Karat Club and the Knights of Columbus.
biamin in the Political Life of Britain—1919 to 1931." Yes, he'll be at reunion.

JOHN SHANKER, 25 Bellevue Acres, Normandy, Mich. is a surgeon. He and wife Ruth have three children. Sons Michael, Thomas and Kevin are 11, 7 and 5 respectively. John is coming to reunion in '55.

BOB SHIELDS, 1822 Grand Ave., Kalamaoo, Mich. is plant manager for the Klover Gold Milk Co. He and Dorothy have a son, Mike, 11, and three daughters: Pat, 15; Joanie, 10 and Kathy, 7. Chalk up another for '55.

ED SPRINGER, N.D. Club of Chicago, Suite 649, 38 S. Dearborn St., Chicago 3, Ill. (we'd like a home address on you Ed—please!), is District Sales Manager-Special Services for the Illinois Bell Telephone Co. Ed's wife is Dorothy and together they have a daughter, Gail, who is 13. Ed says he spends most of his time in Civil Defense work and in "beating the drum" for the Redemtorists. They've just started a fund drive for a new retreat house. He'll be at N.D. in '55.

FRANK SINKOTT, 320 S. Selkirk and Leigh High Avenue, Philadelphia 32, Pa., is with the Philco Corporation (position unknown). Frank's wife is Lorraine. They have one and one-half daughter, Laraine, 7, and son John, 4. (Please tell your attorney, RAY BRODERICK, to get that brief filed for us!) Frank thinks it may not be possible to make reunion.

KURT SIMON, 1216 East Wayne No., South Bend, Ind., is an engineer. Wes and wife Thelma have three children and a son. Robert, who is 6. Kurt would like to hear from HARRY SHEPARD. Kurt will be on hand in '55 and we hope to hear some good news. He'll be at reunion.

WESLEY STREHL, 305 East Fifth St., East Liverpool, Ohio, is a lawyer in general practice. He and wife Elizabeth have three daughters and a son. Lawrence III is 4 and Cynthia is 6. We think Maureen and Isabel are twins in '57. (Correction in order, Larry?) At the moment Larry is uncertain about reunion.

PAUL STAIB, 13867 Ward Ave., Detroit 27, Mich., is an attorney. He and Jean Elizabeth have two daughters: Mary Margaret, 13, and Barbara Jenn, 3. Paul took his law degree from U. of Detroit in '47 and has been in the same law firm which he joined as a student in '45. Plans for reunion are indefinite for Paul. But the meantime he would like to hear from JOHN GLANZNER and ADAM DRAYER.

WESLEY STREHL, 2174 Kinimb Ave., Memphis, Tenn., is an engineer. Wes and wife Thelma have no children. He does not state where he has been working. Possibly, Wes will be with us in '55. He'd like to be heard from JOHN MURPHY.

TOM STRINGER, 501 N. Elizabeth St., Dearborn, Mich., is Office Facilities Manager for the Ford Motor Co. Tom and wife Blanche have three children. One is a son—Tommy, 10, and two are daughters: Kay, 14, and Ann, 4. Tom will be regular at the reunion crowd.

BROTHER THADDDEUS, O.C.S.O., is at St. Edward High School, 13500 Detroit Ave., Lakewood 7, Ohio. He is teaching high school and fears reunion will be impossible due to summer school. Brother has been back to N.D. only twice in the past 12 years for two football games.

PAUL THOLE, 1011 Fullman Building, Evansville, Indiana, is in Office Building Management. Paul married Sarah Hoffman, St. Mary's of the Woods ('35) and they have two daughters: Rose Marie, 16, and Sarah Catherine. 12. Paul had to leave N.D. after his freshman year when an auto accident put him in the hospital. (Well, Carl SAZZA may remember.) Paul is returning for reunion in '55 and would like to hear from any of the old classmates, '35.

ED VAN HUISSELING, 250 West Grantley Ave., Elmhurst, Ill., is in the Export Dept. of Felt and Tarrant Mfg. Co. (Comptometers). No word on Ed's kids but they've got a couple daughters—Susan, 11, and Barbara, 8. Ed wrote that he sees oc' kids from JACK EDWARDS frequently. Jack is still with Edvards, Page Co., and export freight forwarders. Allegedly Jack has three children and the business deal was an outgrowth of the '50 reunion. (How about a full confirmation from you, Jack?)

ED will be with us in '55 and with bells on. (Thanks for all the dope, Ed)

FRANK VUKOVICH, 1060 Belvedere Blvd., Silver Springs, Md., is a Consultant for the Department of Defense. He and wife, Florence, have two children: Barbara Jane, 13, and Betty Jeanne, 9. Frank has various positions in government and private industry. He is now consultant on supply and logistics in the office of the Secretary of Defense. Yes, he'll be there in '55.

SPENCER WALTON, City Hall, Mishawaka, Ind., is a lawyer and Mayor of Mishawaka. (How about a good one for reunion?) Frank thinks we may have to set up a separate classification for mayors instead of lumping Spencer in with all the other lawyers. Wife, Edna, and Spencer have four young ones—three daughters: Sally, 12; Sharon, 9, and Suzanne, 6. Spencer, Jr., is 2. "Mr. Mayor" will be there for the twentieth.

CASSAZZA had a.

CASSAZZA, 701 E. 9th Ave., Kankakee, Ill., is Sales Assistant to the Director of Sales, Kankakee Chemical Division of General Mills, Inc. No word on whether or not Cassazzza is still with H. C. Weber's—Jim, 13, and Bill, 4, are on the same list along with Carol Ann who is 8 months. Carl says he has 14 and a half years in his job and he should be ready for the links when he returns in '55.

SAM WEST, 618 E. Tenth Ave., Tarentum, Pa., is Sales Engineer with the Duquesne Light Co. of Pittsburgh. Sam has wife Rose Marie and they together have daughter Joanne, 15, and son Jimmy, 8. Sam is presently designing first atomic power plant to be operated in the Pittsburgh area. He wants to hear from ARNIE HACKENBRUCH whom we have a report on via questionnaires. If we don't get to Arnie till a later date, for column spread. Sam is DEFINITELY coming to reunion.

C. T. ("TOM") WILLIAMSEN, 1612 Jasmine Ave., New Hyde Park, L. I., New York, is in technical sales and consultation work. He and Harriet have two children: Charles T., 11, and daughter Barbara Elaine, 11. Tom writes that JOHN COOGAN is teaching chemistry at Farmingdale, N. Y., in the Technical and Agricultural College. (How about a return on the questionnaire, Jack?) Tom would like to hear from any of the chemical engineering crowd. He hopes to be at reunion.

LOUIS YAEGER, 1458 National Road, Wheeling, West Virginia, is a Director of a bank in Wheeling, Lou and wife, Kathleen, have three daughters and a son. They run like this—Blanche, 6; Kathleen, 4; Mary Anne, 3 months and Louis, 11. Lou went to work in a bank on graduation for four years and then became a federal bank examiner till the Navy got him in '42. On discharge in '45 he came to his present bank as cashier and secretary, now a director. Lou would like to hear from BOB PENDERGAST on whom we have a report for a long trip to press. We hope that your plans will jell for you to make the '53 party, Lou.

JOHN KAVANAUGH, 321 West Sixth Street, Dixon, Ill., owns and manages a manufacturing plant. We don't know what he makes! (How about a fill-in, John?) Maria and John have six children: Mary, 13; Ann, 12; Maria, 10; Carol, 6; Patricia, 5; and Maureen, 3. We'll have the Kavanagh man with us in '55.

ARMAND KELLOGG, 309 N. Front Street, Rock Springs, Wyoming, is an architect. Married to Mabel, they have four sons: Garry, 13; Pat, 11; Bill, 9, and Phillip, 6. Armand says a fifth is a fifth on the way—it must be a girl! He is in partnership with brother Fred of '47. Armand is District Sales Manager for the State Training School at Industry, N. Y. He and wife Mary have daughters: Margaret, 11, and Kathleen, 9. Luke is working in "after-care program of the training school with juvenile delinquents. He writes that BILL CASSAZZA had a coronal a few months ago but is improving very well though not back in work.

BOB KENLINE, 418 Bank and Insurance Building, Dubuque, Iowa, is a lawyer. His wife, Betty Jane, is an office worker from Bob's and your Scribe's Swin day. She and Bob have three children and they think they come out to be two girls and a boy, but we could be wrong. Kenline's handwriting hangs together (!). We think they have Joes James, 14; Jenny Bab, 9, and Michael, 11. (We're waiting for a correction. Bob!) It could be Jerry Bob which.

It's always a problem to know how to start these columns. Should we start with some shimmery
little jewel of reminiscence? Should we kick off
with a recipe for hand-set Highballs as compounded
by a current Notre Dame student, you know, in
the old, old office of the old, old office in the old
office? Or should we start out with a
"Gee, fella," type approach?

We have decided on geography and we are here
and the committee which handled it apparently could
unwillingly admit that the committee which handled it apparently could
see the commas correctly. That's how we
tabulated them. Maybe it should have been seven!

stands back, men, JOE LEVI is County Judge
in Stevens County, Kansas. He is married, a practicing architect, has two daughters
and a son: Paula, 16; Elena, 12, and George, 9. It was good
to hear directly from Al though things have been

drifting in from various quarters, unaconfirmed,
years. He didn't say it, but we recall that he holds
an important position with Aetna and has been re-
ponsible for some of their policy making. (Want
to confirm, Al?) We'll all see him at reunion.

And we think that makes 50. It comes to
thirteen pages and we hope they will print it all
now that we have burned up the typewriter putting
it out. We'd like your additional ideas about
reunion even though practically all of you, those
presently reported and those to come in the future
trips to press, were so glowing in your remarks
about the 35th party. None of us thought that
fifteen years and yet filled everyone's bill.
The committee which handled it apparently could
not have added a thing to your enjoyment. We
were, though, they did a top-notch job and only
hope some of them can be again pressed into
service.

And the rest of you '35ers who have not sent in
your questionnaires—please return the next one as
soon as you get it. Let's start the campaign for
35 with everyone we've got.

It's always a problem to know how to start these columns. Should we start with some shimmery
little jewel of reminiscence? Should we kick off
with a recipe for hand-set Highballs as compounded
by a current Notre Dame student, you know, in
the old, old office of the old, old office in the old
office? Or should we start out with a
"Gee, fella," type approach?

We have decided on geography and we are here
and the committee which handled it apparently could
unwillingly admit that the committee which handled it apparently could
see the commas correctly. That's how we
tabulated them. Maybe it should have been seven!

All were over at the Callahan domicile that evening in a gathering that started late (following the Club Presidents’ dinner), and ended late.

The Dome, glittering magnificently in all of its polished glory, created the greatest excitement.

It was reunion time, our tenth, and how fast the years melted as we saw familiar faces, heard familiar voices. It was yet year as we lounged again on the steps of Walsh, and visited the grotto, and sat in the "caf," and walked the old paths; and it seemed that we'd never really left this place.

Friday evening, after a catered buffet dinner in Walsh, retiring presby DICK DOERMER conducted the closing prayer and said what was hailed as a "truly Catholic and democratic election."

President: JACK THORNTON; Regional Vice-Presidents: BILL TABLOT (East); SAM WING (South); MIKE FRAWLEY (West); BEN MAMINA (North Carolina); GINGE BARISCILLO; Treasurer: FRAN CURRAN.

Set the weekend asidel! Drop me a postcard with any suggestions, and I assure you that serious consideration will be given to any and all suggestions.

Many thanks to each of the men named above whose names were there. TOM BERGIN will be helping out, but was not able to present. Special thanks to FATHER DAN CURTIN of our class, who gave me the voice room in Farley Hall where I spoke out, but was not able to be present. Special thanks to YOUNG, DON CLAEYS, and FRED BIGGS.

Letters from Department:
From Dick Young: "Enclosed is my check to cover my class dues—past and present. I appreciate the fact that you and a few others spend a great deal of time and money trying to help Notre Dame and our class. I am ashamed to say that it is a sorry state of affairs when so many like myself only give you support mentally—and we are not too strong in that department either. Best regards to all."

From Fred Crowrey: "This is a Mother's Day to remember. Baby David now has a little sister. Mother and new arrival doing nicely."

From otherFullgence, C.S.C.: "For the past few years I have successfully ignored your appeals to the class for cooperation and information. Your persistence now is finally taking me down; I can no longer endure the guilty feeling that comes with checking away your reminders. "My distance from the States and the other members of the class limits the amount of cooperation I can offer you. As for funds, I am a mis-のに. However, I can give you a bit of information about myself and some of the other members of the Class of '45.

"I taught two years in the States, then came to Pakistan in December of 1947. After spending two and a half years at St. Gregory's in the capital city, Deccan, I was transferred out here in the country to Holy Cross, Bandura. It is a rural school, but in heavily populated Pakistan, a rural area is as populous as a suburban area at home. We have 978 boys in the school this year. On the staff are four brothers from Notre Dame and 23 lay teachers."

Another letter is from the mission, BROTHER ROBERT BELLAIRE, left in January for home and his sabbatical year. He has spent the past eight years at Biridakulti High School among the Garo Christians.

"I hope that you are more successful in arousing responses among the other '45ers than you have been with me. Regards." (Thank you for your letter, Brother. Any effort is worth it to get newvies like you include in your letter, and to hear from one more of the class. That is the big reward of this job, AL.)

From BOB THOMAS: "My previously paid dollar must have been lost, so here is another dollar.

LETTERS FROM DEPARTMENT:
From John RINELLA: "Enclosed please find my check to cover dues—long, long past due. You should be on the good work. Personal regards," (Thank you, John. The real test is up ahead . . . the reunion. We plan to have the best one ever, with everyone there. We're gearing up for real action these next few months. See you then. Best regards. AL)

From Fred Mauser: "Sorry I'm so late with the dues. Here is my check. I hope to get us all together again in your class of '45. Thanks again." (Fred's address is 733 S. Pears Ave., Lima, Ohio.)

From Dick Leite: "Enclosed is my buck so get my name off your needling list. I hope I have not acquired the title of 'last to pay.' (I'm afraid not, Dick. There's still quite a few of my 'indifferent' who have not paid up. We're looking for one more reminder soon. I'll be hatked yet, AL.)

in Indianapolis after a trip through the great Northwest during which he visited TOD DORAN and ART ANDERSON. This trip followed his re-

duty in the Air Force.

"I very definitely plan to be on hand for the '45 reunion in May. Having such a wonderful trip to the Northwest in 1951's May 24 trip to Alaska, I think I can do one for anything short of a major disaster. I'm sorry that I've been rather lax in the past but probably that will change this year. Let's see. . . ."

PAYNE's words in the last ALUMNUS sort of hit the quick, so I'm back in line.

To: FRANK MILLER, in order to render some as-

was a student, and bigger things in the future. Give my regards to your wife, and suggest someone or someplace down and talk more concretely when you return the dough, enclosed is two dollars. That should get the balance. Enclosed please find two dollars. You know that I'm still alive. I was glad to talk to you, and intend to attend the class reunion in 1955. My plans for the gala reunion that you more than likely have heard of, are still in the works. BAMS and Mitzie still need reminders because they just keep putting it off. I'm far from being settled; unmarried as yet you can believe.

From JERRY COSGROVE: "Here are the dues you were looking for. I didn't think I was a member of the '45 class, although I guess I can get along with you young kids alright. I haven't missed any Notre Dame men here in Rapid City, S. D., as yet."

From ELMER GILLESPIE: "I am finally send-

ing in my class dues and probably have your address. I'm rather curious to know, therefore I have no idea where I'll be or what I'll be doing when '55 rolls around. In view of that, I'll try to contact you by mail. I hope to eliminate the possibility of being excluded. When you prepare the next column for the ALUMNUS, write me the boys good luck for me. Enough for now."

From JIM L. LAMB: "Enclosed please find the dollar you have been screaming for! I now own a lovely home at 1016 Chestnut in Grand Forks. Am an attorney with an established local firm and have two sons, Larry, born December 3, 1939; and David, born March 13, 1942."

From JOHN J. O'ROURKE: Enclosed herewith is my long due back which you have been patiently waiting for. Sorry for the delay. I've been up to my neck lately with a lot of details, and as usual, mail is placed aside and then forgotten. I will be busier than ever, more particularly the next three months as I am attempting to pass the N. Y. Bar. Which has been elusive so far.

From JACK KEARNEY: "Please excuse my tardi-

erness in sending the enclosed check for our class reunion fund. I have made the check out to your order; undoubtedly you can put it to good use. Despite the fact that I live in the N-E. Illinois area I don't get to see many of my classmates. Most of them seem to be working out of town; although I sometimes see BOB CLARY and GEORGE O'- VANY and I have just recently had a phone call from TOM MULKERN, who has just recently re-

turned to the city after living and working in the Midwest. Since 1948 I have been designing public utility plants and like the work very much. For the past few years I have been working on stations for the Florida Power and Light Company which is nice since it usually entails a trip once a year, sometimes in the winter."

From JOE MENEZ: "Just a line or two. First: I've sent a dollar to Ray. Second: I'm married to Charlene Knowler of Chicago (June, '53), and we don't have two boys. Martin will be 4 in April, and Mike who will be two on December 27th current. Come this February we will have the third boy. Third: During '46-'47 I taught at the University of Detroit after receiving my Master's at N. D. in June, '46. Since the summer of '47 I've been at Loyola U., Chicago. In June, '53, I received a Ph.D. from Notre Dame and am an Assistant Prof. in the Dept. of Political Science. Fourth: I'm doing some writing, mostly articles for scholarly journals. One of these days 'Social Science' will publish one of my pieces on the Vice Presidency. Mid-America (winter edition) will publish Part I (maybe 40 pages), on the President and Congress. I do book reviews regularly for several magazines, particularly Books on Trial.' I also do a good deal of lect-

curing in the Chicago area. Fifth: Played host re-

cently to LOUIS BEBRANE of Guatemala (Ph.D. in June, '47), JAINE VALEZ de Colomba (Ph.D. in June, '51) and LARRY ROMAGOSA of Panama of our own class of '43. Met BROCK LYNCH, M.D., when his brother graduated in June, '55. Sixth: I expect to be at the reunion in June, '55. Al, a question: Can you get the Alumni office or the Scholastic to send me a copy of the graduation issue with the pictures of the class? I would appreciate it. Some of the names I see in your class I just can't 'picture' but I'm sure I know 'em."

"Lastly (a) I don't do anything drastic like quitting. For myself, I'll try to be more helpful in the future. I should like to specially send my regards to Mike MANZO, HENRY LULI, JOE CARDENAS."

From MICHAEL COFFY's sister: "You asked for some information on my brother, Michael Coffy, in the last edition of the ALUMNUS, which I am forwarding to you at this time. He has been back in this country since last April. At the present time he is completing a residency in psychiatry at Greystone State Hospital at Morris Plains. Joe is living at 20 Westbury Road, Woodbury Gardens, Woodbridge, N. J., with his wife and two young daughters."

FOUNDACTION WORK:

Several members of the class of '45 have been busy these past few months doing Foundation work for Notre Dame. This personal type of solicitation program is very beneficial and has shown that many alumni who like to contribute to the school need reminders because they just keep putting it off. Some of the Foundation Chairmen are the following: FRANK LINEHAN has been doing an excellent job in Schenectady, N. Y.; GEORGE SCHWARTZ has been busy as a beaver in Lebanon, Pa.; JOHN KRAMER has done himself proud in Elyria, Ohio; MATT BAJOREK has been of tremendous help in Titusville, Pa.; and I have..."
been doing my best in Nassau and Suffolk Counties in New York. If you feel you would like to help Notre Dame in your area, why not drop Jim Arm
strong a line.

Yours truly will be taking over this column of keeping you up on your class news since ENSIGN THOMAS W. REEDY and his new bride, the former Dede Brenner of Kentville, Illinois, are headed for foreign seas at this writing. Tom finished up his Naval Supply School Training at Athens, Georgia, and was assigned once again to Athens, but this time it was not Georgia but Greece. We all want to sincerely thank Tom for his wonderful contributions in keeping us posted about the whereabouts of our classmates and at the same time wish him and Dede the world of success in Greece for the next eighteen months.

FRANCES K. WILCOX, who is stationed at Fort Lewis, Washington. She is connected with the Regimental Supply Office, which is right next door to Mike McNULTY in Division Finance. WHISKEY SHEEHAN is also at Fort Lewis in the Medical Corps.

JOE TRUCCO took Ann Schnitt to the altar on June 26 in Chicago. JIM O'BRIEN came in from
his Army Supply duties at Fort Eustis, Va., in order to serve as an usher. JIM CELANO, who just completed his first year in law school at Georgetown, was also in the wedding party.

ENSIGN BILL REIDY reports from San Francisco where he is stationed on an LST that he ran into LEE TAVIS and his wife who are also based in Frisco. ENSIGN REGIS PHILBIN also makes his base there. Reg was saying that he expects ENSIGN BILL MAUS and his new bride, the former Jane Illidwell of River Forest, Illinois, to arrive any day in order for Bill to pick up his ship.

Ran into BOB KELLY who has just been transferred to an anti-aircraft base in Chicago. He likes it in Chicago but is looking forward to getting back to Duluth. TOM McNAMARA, JOE PAGLIARI and TOM MORSCH just completed their first year in Northwestern's school of law. Speaking about law and graduate students, BOB BERNER ranked in Northwestern's school of law. Speaking about transfers and looking for friends in Chicago but is looking forward to getting back to where he is now stationed. EDGAR C. O'CONNOR is stationed Btry. B, 50th Armd. FA Bn., Div. Arty., 3rd Armd. Div., Fort Knox, Kentucky. Ed reports that other alumni there include VIC GEORGE, NORB LEVINSKI, TOM HAMILTON and JOE DeSAUTELS.

That's about all for now. I would certainly appreciate it if you fellows would drop me a line to what you're doing and who you are with. Best of luck.

After the transition from undergraduate to alumni and the adventuring to the four corners of the globe by most of us it would be an easy process to lose touch with the fellow members of our class. We hope that through the use of this space we can prevent the high peak of spirit in the class of '54 from ebbing. The procedure will be simple. Just drop me a line and let me know what you are doing and where you are and it will be printed in our ALUMNI magazine. Don't hesitate to send photographs of you and yours, we'll make every effort to use them too. If in your travels you run into other members of the class be sure to mention their whereabouts to us also.

Wishing you every success in your future endeavors and looking forward to hearing from you, I remain, Sincerely, GEORGE PFLAUM, JR., Secretary, Class of 1954

APOSTLE of the SACRED HEART

Around 1900 there was a Brother at Notre Dame who had a great devotion to the Sacred Heart. His name was Brother Columba, C.S.C. Besides repairing shoes, Brother used to make Sacred Heart badges and pass them out among the students at Notre Dame.

Before long, crowds were visiting Brother, asking him to bless them with one of his badges. Many favors and some bodily cures seem to have been granted.

If you would like a Sacred Heart badge and a picture of Brother Columba, send a self-addressed envelope to

The Brother Columba Apostolate, Box 19, Notre Dame, Indiana

They are free. These Two Hearts, a 64-page booklet about Brother Columba, is 50c postpaid.
Dear Notre Dame Men:

It is always an exhilarating experience to visit Notre Dame. Those of us who recently attended the class reunions and the Club Presidents Council will verify this fact.

One receives an instant impression that here is a busy place. New educational facilities regularly make their appearance. There are always new, sound plans for improvement. New ideas, too, are always welcome.

Not so obvious is the activity of the faculty members who add meaning to these facilities, these plans, these ideas. During the past several years I have had the enviable opportunity of meeting many faculty members. The vigor of their endeavor, the alertness of their minds and the consistency of their determination to achieve educational accomplishments are impressive.

You, too, have been similarly impressed—those of you who had like opportunities to meet the faculty. Although we have all, I am certain, conveyed these impressions to our friends at the University, I feel that a mention of our regard for the faculty is a topic pertinent to a letter such as this, since so many of you have commented to me in this respect.

The educational accomplishments of these men are regularly documented, but frequently this information does not come to our attention. They, too, are constantly engaged in research on new concepts and in testing new plans. There is no doubt that this vigorous, enlightened endeavor on the part of Notre Dame's educators must secure for the University a position of leadership recognized by all.

In your behalf, I offer to them our congratulations and our prayers that God will bless their future efforts.

Yours sincerely,

Gifts to Notre Dame Indicate '54 Increase

Notre Dame Foundation progress is extremely encouraging with returns for the first three quarters of the calendar year indicating marked improvement in numbers and in amount. As the ALUMNUS goes to press 7,024 alumni have contributed $336,830 compared with 5,535 alumni gifts and $148,729 at this same time in 1953. Contributions from non-alumni friends are also on the increase over last year. The statistics reveal that 617 friends have given $250,359 thus far in 1954, while 573 non-alumni gave $213,824 during a similar period in '53. Response from alumni in the final quarter of 1954 can boost the number and amount of alumni gifts to an all-time record.

Contacts are being made by Foundation staff personnel with corporations throughout various sections of the nation. The Fall issue of NOTRE DAME announced the designation of four districts each of which will be under the responsibility of Foundation office representatives. Allan Powers, '51, will have charge of the following states in District I: Michigan, Wisconsin, Iowa, Minnesota, North Dakota, South Dakota, Nebraska, Wyoming, Montana, Idaho, Washington and Oregon. The largest enrollment in Notre Dame's history, more than 5424 students, highlights the beginning of the University's 113th academic year. Although classes began on Sept. 23 the formal opening of the schoolyear was observed with a Solemn High Mass in Sacred Heart Church and a sermon by the Rev. Theodore M. Hesburgh, C.S.C., president, the following Sunday. The Mass was preceded by a colorful academic procession of more than 500 faculty members from the Main Building to the Church.

Freshmen were given a week-long orientation program prior to the registration of upperclassmen. Various officers of the University administration and deans of the colleges spoke to first-year men at special sessions. About 1,500 freshmen will be members of the 1958 class.

A new department head and 49 new faculty members have been appointed according to the Rev. Philip S. Moore, C.S.C., vice-president in charge of academic affairs. The Rev. Herman R. Reith, C.S.C., has been named head of the Philosophy Department succeeding the Rev. Bernard I. Mullany, C.S.C., who will continue as Assistant Provincial of the Indiana province. Three visiting professors will teach at Notre Dame during the schoolyear. Dr. Joseph A. Becker, of the Bell Telephone Laboratories, Inc., will conduct a seminar in the Department of Physics.

Four Faculty Deaths

Two present members of the faculty and two former Notre Dame professors died during the summer. Raymond V. Pence was injured in the wreck of the Santa Fe Railroad's Chief near Lomax, Ill., and died a few days later. Mr. Pence was a professor in the Department of English, and had been on the Notre Dame faculty since 1930. He received his bachelor's and master's degrees from Indiana University. He is survived by his widow and a daughter, Joan.

Dr. Albert F. Zahm, '83, a scientific pioneer in aviation, died July 23 in the student infirmary after a year's illness. His age was 92. Dr. Zahm built a wind tunnel on the campus about 20 years before the Wright Brothers made their first flight. He received the Lecetare Medal in 1925 and an honorary doctor of laws degree from Notre Dame in 1917. From 1929 to 1946 he was chief of the aeronautical division of the Library of Congress. Dr. Zahm was unmarried.

Dr. Caparo, a native of Cuzco, Peru, served on the Notre Dame faculty for thirty-three years and was head of the electrical engineering department from 1918 to 1939. He retired in 1946 as a result of ill health. In 1953 Dr. Caparo wrote an historical novel about 16th century Peru. In addition to Notre Dame Dr. Caparo held degrees from the University of San Antonio, Peru, and the University of Chicago. Surviving are his widow and two sons, Joseph, '46, and Edward, '47.

**AB, ENGINEERING STUDENTS TAKE COMBINED COURSES**

A cooperative liberal arts-engineering program designed to provide students with the cultural background of a liberal education as well as technical engineering training has been instituted by St. Francis College, Loretto, Pa., and Notre Dame. Under the cooperative program, students may receive both their bachelor of arts and engineering degrees within a period of five years.

Officials of the two schools explained that students may pursue a prescribed liberal arts course at St. Francis College for three years and then go to Notre Dame for two years' training in their chosen field of engineering. These students will be awarded their A.B. degree as soon as they have completed the liberal arts requirements at St. Francis and will receive their engineering degree from Notre Dame at the end of the five-year period.

Five other Catholic colleges have established the cooperative liberal arts-engineering program in conjunction with Notre Dame. They are St. Thomas College, St. Paul, Minn.; St. Vincent College, Latrobe, Pa.; St. Joseph College, Collegeville, Ind.; Villa Madonna College, Covington, Ky.; and St. Benedict College, Atchison, Kansas.

CARDINAL TALKS AT INSTITUTE OPENING

His Eminence Valerio Cardinal Valeri, Prefect of the Sacred Congregation of Religious, addressed the formal opening of the Institute of Spirituality at Notre Dame recently. More than 650 Sister Superiors and Novice Mistresses, representing virtually every women’s religious community in the United States, were present. At a spe-
cial University convocation in Washington Hall Cardinal Valeri received an honorary Doctor of Laws degree from Notre Dame.

Cardinal Valeri spent the early years of his priesthood as a seminary pro-
fessor. He later was assigned to the Vatican’s diplomatic service and held posts as apostolic delegate or nuncio to Egypt, Palestine, Roumania and France. Shortly after the outbreak of World War II he was named Undersecretary of the Sacred Congregation for the Oriental Church. Pope Pius XII named Archbishop Valeri executive chairman of the committee for the organization of the Holy Year in 1950 and three years later elevated him to the cardinalate.

He recently attended the Canadian National Congress of Religious Men and Women.
