MONOGRAM CLUB ADMITS 13 N. D. MEN

Harvey Brown Named Next Year's President; Rockne

By Hugh Hugh

Athletic stars who won their letters during the Spring became members of the Monogram Club yesterday afternoon. After their initiation, they dined at the College Inn.

The principal speaker at the banquet, Rev. Hugh Hugh, S. J., president of the University, was the principal speaker. He enumerated the individual members of the club and then introduced the former and had made Notre Dame famous and proud.

Father O'Donnell read this poem: Vignes, virides, vin-phaen-

The courage to set on a sudden run-

That's Rock;

With the woman, the man, the song- And hands that cling

As they say, 'Here comes a man ready to sing-

That's Rock;

America's greatest club; the people, the men, the woman, the style—

'Guiltniau, scholar-athelete—

That's Rock;

Senior members of the club who are leaving this year spoke. They were Hugh Hugh, Jim Fylan, Neil Flynn, Mike Kane, John Kinney, Jack Vanden, John Le lying, Tom Lieb, Eddie Hogan, Paul Costin, Paul Turner, Roy Smith, and Tom McVeigh.

The club was entertained during the banquet by an orchestra made up of local talent, with Richard Allen, Frank Walther, and John Gallagher.

Monogram Club's Dance June 11

For the second time in the history of the Monogram Club, a dance is to be held on the campus of the University of Notre Dame. The dance will take place in the Monogram Club on June 11, and will be open to members of the club and their guests.

The Dance Committee is working hard to make the event a success. The club has received many requests for tickets, and it is expected that the dance will be a great success.

The Monogram Club's dance is one of the most anticipated events of the year, and is sure to be a great party. Members of the club are excited to see what the event will bring, and are looking forward to a fun night.

Clubs and organizations on campus are also preparing for their own events and gatherings. The University of Notre Dame is known for its vibrant and diverse community, and the Monogram Club's dance is just one example of the many events that take place throughout the year.

Hickey Heads 1924 Juggler Board Says

Senior Week at St. Mary's Ends Friday

Another commencement is upon St. Mary's! Days are dawning that will bring it to the background of memory, days that will bring sweet memories that are to be. As the year draws to a close without meaning sweetness, the gates of St. Mary's swing open for her children to go forth.

The last day of the 1924 season will be Friday, June 5. The Rev. W. L. O'Connell, C.C., in the Chaplet chapel at 8:30, was one of the best-attended services on the year. The Rev. C. Hogan, Park Avenue, speaking at the Rev. P. McGeirr, Salt Lake City, Ohio, was yester-day蒲, July 4, preached at the University, C.C., of Chicago, preached at the University, and Father J. J. J. C. H. C. of Chicago, preached at the University.

"I came that ye may have life, and that your life may be more abundant," said the Rev. P. McGeirr, Salt Lake City, Ohio, in his sermon.

At the after-lunch the impressive Corpus Christi procession took place.

The distribution of certificates to the students and to the men in the Home Economics Department was attended by the Rev. R. D. Kennedy, secretary.

Academically, the University is the best of the present year.

BAND CONCERT ON THE QUAD

One question that arises is the music on the Quad. The concert is scheduled to take place at 7:30 p.m. on a warm and sunny day in mid-June.

The band is made up of students from various music departments across the University. The concert is a great opportunity for the students to showcase their skills and talents, and for the audience to enjoy the music.

The program for the concert includes a wide range of music, from classical to contemporary. The students will also perform a special tribute to the late President John Garvey, who was a passionate advocate for music and the arts at the University.

The concert is free and open to the public, and is a great way to kick off the summer season. So mark your calendars and make sure to attend this wonderful event!

FIVE AWARDED HIGHER DEGREES

Many Timely Subjects Are Presented in Graduation Theses

The University is awarding only one Doctor of Science degree this year. Three Doctor of Philosophy degrees are being awarded, one Master of Arts and one Master of Science. Those who are receiving the Doctor of Philosophy degree are: Sister Mary Eleonore, St. Mary's College, Notre Dame; Sister Mary Edward Joseph, St. Mary's College, Notre Dame; and Sister Thomasa Lourdes, Instructor in the College of Commerce, Notre Dame, Indiana.

Sister Mary Aloysi, of the Sisters of Notre Dame, Notre Dame Academy, Cleveland, Ohio, is being awarded the Master of Arts degree.

Harry Hoffmann, B.S., in Chemistry, '32, will receive the Master of Science degree. Mr. Hoffman was an instructor in chemistry at the University for the first semester of this school year.

In the Notre Dame College of Law many good briefs are expected. No these are submitted to the College of Law but briefs are required in their first year class.

The subject for the briefs this year is the case of John W. Eckart v. E. B. Sears & Co., Chicago and others. This is a case of quiet title to real estate, and it is a hard case, having been through both the higher and lower courts.

The nature of the case is fascinating and involving because of a conflicting title. It is expected that the brief will receive a price of $20: another price of $15.00 will be given to the best public speaker in the College of Law. It is thought that this would give the students the College a better chance to become acclimated with the type of work they will have to do when they practice.

Judge Varlitt, dean of the College of Law, says that there should be some very good briefs presented even through the case is a difficult one.

Dome Foreign Admen After Lots of Ads

The foreign advertising men of the 1924 Dome in the library yesterday morning made plans for the summer campaign. Under George Riddell, of Chicago, is likely that the men will get more ads for the Dome, than they have ever printed since Dome has been able to get. Their plan and determination indicates that.

HENNEBERRY A GRAD

Joseph P. Hannsberry, with the class of '12 at Notre Dame, until this year, graduates in foreign commerce of the University of Kansas, Washington, according to announce-

ments. He has been in the Department of Commerce, and some of his work will be given to his home, Chicago, as commercial agent of the Chicago office of the Department of Commerce.

ILINOIS PLAYS HERE SATURDAY

Games to be Feature of Senior Week; Castner Likely Hurter

The final game of the Notre Dame football season will be played Saturday when the Illinois team appears on the field. It will be the first time that Illinois has played at Notre Dame in six years. The game, together with an invitation track meet, will be the athletic feature of Senior Week.

The Illinois team has traveled at a clip and has defeated Notre Dame twice this year. In the first game the Irish (2-0-0) were held in the box, but Jackson held them scoreless for the rest of the game while Illinois piled up ten runs. In the second meeting O’Connor pitched a no hit game against the Irish and won, 6-1.

Castner will probably pitch against Coach Lengendre’s men next Saturday. It will be his last game at Notre Dame and as captain of the team. Shahan will probably be able to play Saturday and the Irish infield will be considerably strengthened. It will be interesting to see whether the Irish can break the Illinois jinx on home ground.
