May House All of Them on the Campus South Hall

A new hall for freshmen will be built next spring, according to the plans of the University, and will be situated in the vicinity of the Luria gymnasium, which is in the immediate vicinity of the Luria gymnasium and will be the site of the new residence hall.

President John E. R. Roberson, of the University, said, "It is the intention of the University to build a new residence hall at this time in order to accommodate the increasing number of students who will be enrolling for the fall semester.

The new hall will provide adequate and modern facilities for the students, including rooms, bathrooms, and common areas for socializing and studying.

The plans for the new residence hall have already been submitted to the Board of Trustees, and the construction is expected to begin shortly after the fall semester.

President Roberson added, "We are very excited about the new residence hall and believe it will greatly enhance the overall educational experience for our students."
OLD FRIENDS AND NEW

Perhaps it is presumptuous for the youthful Notre Dame Daily to voice a welcome to the student body at the beginning of the new school year, for it is itself a newcomer. Yet, to those returning up-"stairs" who assisted so loyally in the test publication last spring, to the many freshmen whose support is essential for the continuation of the paper, the Daily wishes to express its pleasure in the renewal and the formation of acquaintance. Unexpected delays in the initial publication of the year have made this greeting of the Daily somewhat tardy, but they have not detracted from its sincerity.

Because of the fact that subscriptions have failed to fulfill expectations, the Daily will be issued on four days only instead of on five days, as was originally intended. It is hoped, however, that an increased circulation in the near future will make possible the publication of an additional issue each week.

Regardless of the number of issues, the Daily desires to place itself at the service of its friends old and new, and to express the hope that its readers will find it worthy of their support. There is every reason to believe that during the coming year a daily newspaper will go to the students for Notre Dame, providing that it has the co-operation of the student body. And it is with confidence that the Daily will have that co-operation that the members of the staff have begun their work for the year.

From Off Stage

The past week has been notable for the quality of attractions which have been shown in South Bend theatres. Lois Wilson and Elliott Dexter at the Orpheum in "Only Thirty-Eight" made as engaging a pair of middle-aged lovers as you have ever seen. The performance at the Palace was much as usual. One thing, however, is worthy of mention, that is the work of Ruth Edward of and Walter Long who played in the supporting cast of Colossus, Mooney's picture, "The Honeymoon," which was billed for the first half of the week. Their cleverness did much to account for whatever success the film attained.

At the La Salle, the gorgeous Gloria Swanson did the best she could with a role which was meant for the Chinese, that of "Blondie's Right Wife." "Brown's Saxophone Sin" at the Blackstone proved an attraction which appealed to those who enjoy the eccentricities of the most eccentric of musical instruments. "If Winter Comes," the current attraction at the Oliver, is a picture well worth seeing, and is one which brings much credit to Harry Millard, the director, and to Percy Marmon, who plays Mark Dax. Miss Marmon is a hard working, intelligent actor of more than ordinary ability, who, for the first time in years, is receiving due. It is hoped that "If Winter Comes" will do for Marmon what "The Four Horsemen of the Apocalypse" did for one much more worthy.

FUNERAL HELD.

The funeral of Rev. James Burns' mother was held in Mishawaka City, Ind., Thursday. Mrs. Burns was 75 years of age at the time of her death. The funeral service was conducted by Father R. Burns, formerly president of the University, and the sermon was preached by Rev. Thomas Lacy. Many of the faculty attended the services.

A BIG PEN to see you through a BIG four years

This is a great pen for college men and women! It is made by the makers of Eversharpen pencil. It has a huge ink capacity! And the Wahl filling device fills it plump full every time. It's a big pen. But it is so nicely balanced and proportioned that it fits into the fist most comfortably.

The Wahl Signature Pen writes the instant the point touches paper. The ink begins to flow evenly — always enough, never too much. The patented comb feed makes shaking unnecessary.

The everlasting nib is a wonder. Experts say it is the ultimate in nib-making. It suits itself to any hand—in any style. It is extra heavy. The 14-karat gold is tipped with the hardest and finest grade of iridium that money can buy.

The patented construction of the cap makes it possible for the pen to leak in the pocket. The cap cannot split, for it is strengthened by the plain gold band. There are two sizes of the Wahl Signature Pen—one at $5 for women, and one at $7 for men! Other Wahl Pens, $2.50 up!

Irish Show Form in Open Scrimmages; Granted a GAME at Carlier Field

The Irish met Irish and brother meet brother in the annual Varsity-Freshman football clash on Carlier field yesterday afternoon, which informalized opened the 1935 grid season at Notre Dame.

The yearlings, playing together for the first time, displayed remarkable ability at judging and breaking up plays, knocking down passes and general defensive work.

Burling, a product of Danny O'Connell's from Duluth, looked good at tackle for the Freshman.

In the last half of the game, Keeg, the Freshman coach, sent Edwords into the fray at quarter, Edwards who comes from Winton, Va., played a good offensive and defensive game, and showed up well on knocking down passes.

The varsity first string, starting the game brought back to life the echoes of last year's brilliant campaign.

Harvey Brown, the fighting captain and rover at the guard, smashed thru the Fresh line almost at will and shattered the green-jerseyed backs before they could get started. Walsh at center, Stanus, birthday and "Rip" Miller at the tackle, Vergura and Mayl on the wing, dashed through the Freshman defense with ease.

Don Miller, away for long runs and dropped in some nice passes. O'Keefe, Louise, Caskay, Bergman and Maher displayed their usual snappy brand football. Harry Stubbels, "the little general," beginning his second year, with the Irish warriors, proved a master at all times.

Jaron, Leyden, Reagin and McGeeney were unable to get into the game because of minor injuries.

A large delegation of South Bend residents were in the stands to witness the opening fray.

Paul Castner, triple threat backfield on last year's aggregation, was also present.

Infirmary Treats Football Injuries

Frank "Judge" McElgun, IV, Fenton, N. J., and Edmund Callahan, of Chicago, are in the hospital suffering from injuries received while practicing football with the Brownson hall squad. McElgun's right leg was broken and Callahan suffered a torn ligament in his shoulder.

McElgun is secretary of the Sophomore class and was a candidate for the varsity earlier in the season.

Henry "Spiney" McDonald, of Roselb, Henry Walters, of Evansville, Ind., and Thomas Bracken, of Indianapolis, are in the infirmary dealing colds.

Lee Schaller, of Pittsburgh, is confined there with a broken arm which he received in the gymnasium.
