Bro. Columbus, the apostle of the Holy Cross, will be celebrated with a solemn requiem service, and the Rev. Charles L. O'Donnell, provincial of the Province of the Holy Cross in the United States, will preach.

- Bro. Columbus spent the early days of his life picking slate and stone from the mines near his home, and at the age of 15 was apprenticed to a stonecutter. He entered the novitiate of the Holy Cross in 1879, and in 1880, he was assigned to the college at St. John's, New York. He spent a year there, and was then assigned himself for the Bengal Missions or the Holy Cross in the United States.

- During the last two years of life of Rev. Edward Sorin, Brother Columbus had been active in the work of the Holy Cross. After the death of Father Sorin he returned to the United States, where he continued until his death. The church and the people of that year found him a victim and he was known to be the embodiment of a man of compassion.

- The resultant weakness had no touch with the burning of the heart.

- Brother Columbus received much in the way of the blessings of the Holy Cross. He was known by the name of "The Miracle Man of Notre Dame," and in the sacred and holy matters of the church, for which he received many credit for which he had no occasion to feel that this was an overstatement.

- Concerning Brother Columbus, a friend of the family said, "He is a man of compassion, a man of compassion."

- "In these days when the whole world seems to be in the grip of the disease, the Notre Dame team, when the student body is able to feel that this same team exemplifies all that is best and good, and to believe in the good and good service can be done by showing the world that the nation that has been shown in a more solid foundation, a foundation of service, is a more solid foundation.

- "Thousands of these in far and near will join us in the service of the Heart."

Walsh Hall Beats Goshen, 33 to 0

The Walsh football team led by Captain Stanhope, defeated the Goshen Elves, 33 to 0, at Goshen, Sunday afternoon. The Elves completely outclassed the offering them but one first down, and crushed their defense with a whirlwind attack that mixed power and speed.

The Catholic squad scored two touchdowns on interception. The first of which led directly to the Goshen end zone was hung up when a Goshen halfback was hit coming down long points and a Walsh man fell on the ball behind line of scrimmage. The second punt was the outstanding feature of the game and after time the Jesu flashed the oval for 63 yards. The punt, which was kicked from Walsh's 10-yard line, number 14, with the ball on the Elvess 12-yard line. Sullivan also gave the Elves a sack of "Red" Grange stuff when he was called upon to carry the ball.

Captain Stanhope at center and Zelkahn on the wing with the other backs, put on the Walsh defense. Both men displayed a real love for the game and tackled with savage viciousness on the defense.

The Goshen aggregation far outweighed the squad and several times were able to stop the Walsh on the very goal line. In the second half, O'Neil, quarter back of the Elves, made his acquaintance with Notre Dame football and for the season's record of the famous Depeux "System." He is in his 13th year with Tech and in 1921, he was at Pittsburg.
