ORGANIST PLEASES LARGE AUDIENCE WITH RECITAL

DR. J. LEWIS BROWNE, ASSISTED BY SARA MCCABE, CHORUS, AND GLEE CLUB

By Norbert Engles

Dr. J. Lewis Brown, eminent or- 

ganist, choral conductor, and or-

ator, of Chicago, and a member of the 

faculty of the School of mu-

sic at Notre Dame, gave an arti-

cles and appealing concert in Sacred 

Heart Church Sunday evening. He 

was assisted by Sara McCabe, 

choir, of Chicago, and the Glee 

club, with Joseph Canzona con-

ductive.

Well Attended

The building was filled with 

people eager to hear a con-

cert of the standard preeminent 

by the name of Dr. Brown, and from 

the fine résumé of Dr. Brown’s 

public résumé, as minor, to the 

last dy-

ing tones of Dr. Kerlin’s Recessional, 

their faces were alert, and instant 

the flow of manual technique and 

interpretation that preceded to 

their ears.

Dr. Brown is Master

Dr. Brown is an artist of the first 

degree. The performance was the 

result of long years of study with the 

famous teachers of America and 

Europe. Every phase was handled 

with the same sensitive treatment; 

every detail of interpretation was 

sent to the proper color. The result was 

an overwhelming demonstration of ma-

terial.

Miss McCabe Charmes Audience

The audience, which, upon 

part of the future prima donna of 

American music, was delighted 

pays many on the concert stage. With 

Miss McCabe’s advent, her name was 

reflected in every tone, this youth 

St. Jerome’s has a bright future in 

store for her.

The Glee Club Does Well

The Glee club seemed inspired by 

the flow of artistry about it, for it 

could be seen that Miss McCabe, 

the first great master of American 

music in the United States, was 

in the air. His personality was 

visibly in the air, leaving nothing 

wishing the tellers to be so. Not 

tired of the pleasant habit of pre- 

sent concert, combining all three 

features into one to produce a gi-

anti conclusion.

Senior Pin Sale to be Continued

RORRENT STILL HAS SEV- 

ERAL TO SELL; JUNIORS MAY PURCHASE PINS June 1

The data for sending back the 

pins of the class of 24 was 

postponed from April 1 to April 19, 

the opening of the Easter recess, it was 

announced yesterday by Charles 

Rohrbecht, chairman of the commit-

tee on this subject. This was done 

at the express of with the company 

which made them to allow the 

classmates other chance to procure the 

pins. There are still seven pins un-

purchased, and any senior who wishes 

to obtain one may get it at Rohrbecht’s 

candy in Cary Hall. If the 

student wishes, he may place his 

order on the company in advance. 

The order must be received by 

May 1. This is the present date for 

the order. The pins are expected 

to arrive in May, and the company 

will ship them to the 

individuals who order them. 

The pins are sold in the 

department store and the

Lactate Medal Is One of the Highest Distinctions Given to Catholic Laymen

The Lactate medal, which will 

be awarded to Charles Donagh 

Magrath this year, will be the 

fifty-second one that has been 

awarded. It was originated in 

1833 by the Rev. Edward Surin, 

C. S. C. and the Rev. Matthew 

Wash, C. S. C. was the sponsor of 

the same.

The object of the medal is to 

encourage and honor the work of 

the Catholic church among 

the laymen of the world, and 

through the years the medal has 

succeeded in its purpose. It 

has become nationally known and 

its place in the medalist’s 

trophy’s is it exemplified. The 

catholic fraternity devotes quite a 

bit of space to the presen-

tation of the Lactate medal 

and the Catholic 

press in particular is en-

thusiastic about one of the 

highest honors that can be 

conferred.

Many features are noticeable 

about this honored badge. No man 

has ever refused the honor of re-

ceiving it. The ceremonies that 

follow.
To the Editor of the DAILY:

In response to the Editorial, I would like to offer a different perspective. While I agree with the need for proper dress and decorum, I believe the separation of the social and the spiritual is unnecessary.

THE PAPACY MOVEMENT

Under the titled headline "They'll Only Need A One Way Ticket," the following communication recently appeared in the column of a Chicago paper.

R.I.L. It is remarkable how the use of a little common sense and forethought will disperse of our most irritating problems. This month's Easter Over Alsmun case is a good example. See how easy it is. Get Breen, Notre Dame's 24, to visit South Bend. He can regulate the speech and bless the flag, and the matter will be immediately settled—permanent.

May 27

Every student should take pride in having Notre Dame's stand made clear. The glorious traditions of patriotism which have been founded by so many sons of Notre Dame. Mr. Barron, you have ever among the front ranks of staunch defenders of the flag. This seems to be well-received by the world at large.

For God and Country" has long been instilled into the hearts of Notre Dame men; in the classroom, in Washington Hall, in private conversation with priests and lay faculty members, the Notre Dame student has always been deep-filled with the sense of his loyalty. Notre Dame has ceased to be the alma mater of a school, but the alma mater of the world.

The student body might pledge itself to support the flag at all times. This could be done by the by-laws of the by-laws.

"Icebound" is a lovely story, woven in an exquisitely mature way, with a very good cast. It is not in the same league as "Tobacco Road," but it contains some of those episodes during which the spectator has to strain his imagination to the danger point. It is a story of ordinary human beings who are woven in a way that is exquisitely true to life, with a consciousness of the impossibility of understanding human nature. 

No detail has been slighted, the settings are well chosen, and the fact that the story is in a way that experts may not easily care for the audience of the Blackstone.

Tracksmen Enter Cleveland Games

The Notre Dame relay teams will face Yale and Michigan squads.

After the opening of the outdoor season, a series of important meets and special relay games will introduce track's star tracksters into some of the fastest track competitions in the country.

One week after the engagement at Greenivile, the Blue and Gold aggregation will be challenged by the Cleveland Intercollegiate indoor track star turned into a two-mile team and a one-mile team that will compete against the track relay teams of eastern and middle western schools.

The one mile team will play the baton against Yale, Syracuse, and Princeton, while the two-mile team will enter the lane against Ohio State, Michigan and others.

Weekend meetings, which will be featured by the Kansas relay at the University of Kansas stadium, will find the Irish trackmen preparing for the Drake classic of the Saturday following, instead of following the original plan which called for entry into the Kansas games.

The Drake outdoor classic, "The Olympic of the West," will be the first big track triumph in the season, and the hope is that the best blood of the country will be in attendance.

Basketballology

"Gris" Wagner, coach of the famous Franklin High School basketball team, will coach a team at a coaching school this summer.

Northwestern Game Canceled by Keogan

Due to the unsettled condition of the weather and to the fact that the candidates for the team have had very little time in which to show their best work, Coach George Keogan announced that the baseball game scheduled with Northwestern at Evanston for next Monday was canceled.

The changing climatic conditions have forced the speed men to keep the speed doors for the past two weeks after the first promise of spring had dissipated the diamond hopes for a few days' work. During the few days that the weather outside, the outfields had only been given a taste of practice and the batting had little opportunity to get their hitting touch.

The Interhall Athletic board has finished plans for the Interhall baseball season and the schedule of nine sections which was drawn up at the meeting yesterday noon will be published in the near future. The base- ball and tennis teams will be featured in the opening game next Sunday.

The prospects for a whirlwind season are better this year than ever before. The diamond sport is expected to be featured by the Kansas track team, while the two-mile team will open the season with Yale, Syracuse and Princeton, while the one-mile team will compete against the track relay teams of eastern and middle western schools.

Irish Coaches

Henry Mahon, varsity center in 1921, will coach at the University of Georgia next fall.

New Tennis Courts

UNIVERSITY PLANS

TO HELP TEAM IN

INDOOR COURTS TO BE

MADE PERMANENT

The tennis courts at the university will be completely repaired and two new indoor ones will be built, it was announced yesterday by the Rev. J. Church O'Connell, C. S. C.

The work will be started as soon as the weather conditions are suitable. The outdoor courts will be re- surfaced from the very bottom with a new bed of clay and there will be new uprights and new back walls.

The indoor courts will be in the gymnasium, and it is expected that there will be some room there for the past 20 years, they will now be made permanent and will be for practice when outdoor tennis is not available because of the weather:

This will be a great aid to the tennis team and it will open them of a place to practice and of fine courts for the reception of the visiting teams.

Efforts are being made by the Tennis association to arrange matches with the University of Dayton for May 8, and with Illinois University for May 12, both matches to be played on the local courts.

The courts of Leeper park in South Bend will be used by the players as soon as weather conditions permit outdoor work. At present the team is practicing regularly in the Carroll hall gymnasium.

Gillmen Figured to Win Bear Meet

The Illinois track team's hope for victory over California in the dual meet scheduled to take place on the west coast within two weeks, took a considerable rise after the results of the dual meet between California and Southern California were announced. It is possible that the century run will give the Buckeye speed men something to worry over, since the Bear sprinter won the 100-yard dash in 09.8-10, running over a track covered with an inch of mud. The half-mile and hurdles will also draw out the best there is in the Illini to win. The mile and two-miles will be handled by Hall and Misher, respectively.
At noon today, there will be a dinner in honor of Father Sauvage at 4:30; a program in the Seminary, by members of the younger house at 6 o'clock; a banquet will be given in the Seminary, at which Father Burns, former president of this university, will act as toastmaster. Father Walsh will give a toast to the superior general; Brother Engeltbuch, one to the community; and Father Charles O'Donnell, provincial, a toast to the Jubilarian.

GLEE CLUB ON RADIO

(Continued from Page 1.)

The announcer received numerous calls asking for encores from both the Glee club and Denny's orchestra. Five or six long distance calls came from within a radius of 50 miles reported that the club took the air very well, and complimented Notre Dame on the musical ability they heard. The Notre Dame club of Cleveland, who will sponsor the Glee club in Cleveland Easter Monday, was reported to be listening in on this concert. Greetings to the Cleveland group were spoken by the WGBI announcer.
