IRISH WALK OVER INDIANA 8 TO 0

CAPTAIN SHEEHAN FEATURES WALK OVER INDIANA 8 TO 0;
WELTER PLAYS AND WORK AT THE PLATE.

Hammering out a pair of two-baggers and counting three hits for the winning Notre Dame's favored two runs, Captain Billy Sheehan, all-around athlete, took the track on the Indiana nine Tuesday afternoon, in which the Irishmen yielded defeated, 8 to 0.

From a very slow, one-sided contest, which was maters of the situation at all times. The class walk of Notre Dame stood out prominently in comparison with the loose playing of the Indiana, and not once during the game did the Bloomington bids threaten to score.

Frank McCath on the mound for Notre Dame pitched an elegant game for nine innings, allowing but one hit, and permitting none of the lancers to get on base for so much as two base hits. Lans. Meenan twined two hits for the Indiana, but neither man had anything to show for it.

SPECIAL MEETING OF SENIORS TODAY

A special meeting of the Senior class has been called for tomorrow morning, May 13. This class, one of the largest in Notre Dame's history, is important in many ways and the present meeting will be a very important one.

The purpose of the meeting will be to vote on certain matters that have been brought up during the term.

Preparations are being made for the election of the class officers, and the meeting will be an opportunity for the seniors to make themselves heard.

The meeting will be held in the library at 9:30 a.m. All seniors are urged to attend.

SOPHOMORES NAME 1925 OFFICERS TODAY

The Sophomore class will meet this evening to name officers for the coming election and two or three candidates are expected to be mentioned. In the Sophomore class has received a lot of attention in recent months, as has been evidenced at the recent meeting to elect the 1925 Dime staff.

Notre Dame to Have New Mascot

The Notre Dame mascot, the Irish Terrier, will be replaced this year by a new mascot.

The student body has chosen the Irish Terrier as the new mascot, and the new mascot will be introduced at the football game against the University of Chicago on September 11.

New Scholar Is The Best of Year

The forthcoming issue of the Scholar will be sent out this week. The Scholar is a student-run publication that features articles on a variety of topics, including sports, politics, and culture.

The cover story will feature an interview with the University of Notre Dame president, who will discuss his vision for the future of the university and its role in the broader society.

COURT CATALOGUE.

The catalog for the upcoming year contains detailed information about each of the upcoming courses, including course descriptions, prerequisites, and recommended readings.

The catalog is available online and can also be picked up in the library.
THE DAILY'S SONG FOR NOTRE DAME:
A union building to be built as soon as possible.
True recognition of good scholarship and a better appreciation for the efforts of men in campus activities.

IN A NEW FIELD:
Notre Dame will enter varsity competition in a new sport tomorrow when the football team tackles Notre Dame at Chippewa Lake. The tennis team has recently begun an intensive schedule.

ON MOTHER'S DAY:
Next Sunday the entire nation commemorates Mothers' Day. Those mothers who are living and those who have been called by Their Maker from the bondages of this earth will be remembered in some special way by those who love and cherish them. Usually a box of candy, a bouquet of roses, or a sentimental bit of verse is given to those living mothers as a token of gratitude and appreciation from their children.

At Notre Dame:
A visit to the country is the customary method of paying respect to the memory of a deceased mother. And as an outward manifestation of the love felt for mothers, a carnation is worn in the coat lapel.

All of these conventional methods are splendid ways of paying the degree of respect which mothers so truly deserve. The world without such conventionalities would be dull and uninteresting, and an insipid place in which to live. But when we actually wish to display our thankfulness for the insatiable love, the ever constant devotion, and the tender affection which our mothers always have shown us, we should do so in a manner which will impress upon the minds of others what a mother's love is and what it means.

The Province offers "The Dancing Year" of Mr. Scott who said that love is heaven and heaven is love. Certainly a mother's love is the purest, the noblest, and the most sacred—similar to that Virgil said love for the Christ Child.—and if this love loses its origin in heaven, it is godly, and we can best show our appreciation of it by remembering our mothers next Sunday in our prayers.

Father O'Hara has had neat and appropriate spiritual bouquet cards printed for this Mother's Day originally, and every mother of a Notre Dame man should receive one from her son.

IT PAYS TO SMILE:
The winning of a $40,000 loan is a popularity contest by a traffic policeman seems to be an anomaly. Ordinarily such police are supposed to be without friends. For it is their privilege, and no doubt true, to be pleasant to represent boldly both the lovely and the mighty on slight provocation.

Yet in New York City a traffic policeman recently won first place in a contest sponsored by a secret committee. The world without such conventionalities would be dull and uninteresting, and an insipid place in which to live. But when we actually wish to display our thankfulness for the insatiable love, the ever constant devotion, and the tender affection which our mothers always have shown us, we should do so in a manner which will impress upon the minds of others what a mother's love is and what it means.

Special mention should be made of the secret committee's idea in the conduct of every day commercial affairs.

What to Do THIS SUMMER?
25 men worked at once for research work in the home territory during summer with a quick selling art. Some men earned $900 monthly. Night barbecue. Leave your name at the Daily office before Saturday.

At Other Colleges:
INDIANA UNIVERSITY—Definite concrete work has been exposed lately by the crumbling of parts of the gymnasium which is now under construction. Although this will mean a great financial loss to the university, the repairs will not delay the dedication of the stadium next fall.

ILLINOIS UNIVERSITY—Miss Dorothy Naylor, '26, was chosen May Queen early this week by her classmates. She will be crowned at the May Fete, May 10.

WISCONSIN UNIVERSITY—Three hundred and thirty-eight students dropped from the college of letters and science at the end of the first semester. This is about 6 per cent of the students enrolled in the college.

NEW YORK UNIVERSITY—A new course has been opened in a course of business and organization and management of real estate business, and salesmen in housing and home building.

Going Into Business?
"To us, we do not tolerate none of those swindling operations. We applaud this move. We are going to have a new man in the business field.

ILLINOIS DIAMOND SQUAD PREPARES FOR HARD SERIES

Urbana, Ill., May 7.—With the conference season reaching the stores where the title is within reach of three or four Big Ten teams, coach Loudnfoot of Illinois is preparing his charges for a series of stiff games during the week beginning Saturday, May 10. Ohio State will entertain at Columbus next Saturday while Iowa, Notre Dame and Wisconsin will appear at Champaign in the order named. The encounters with the Irish and the Badgers will be features of the intercollegiate athletic carnival to be held here.

The Illini mentor is still in a tight position without the services of “Lefty” O’Connor whose absence throws the burden of the mound duty on Wally Boettger.

“Hugo” Woratum of Ohio State will be a feared man on the mound for the Columbus school since his formlessness of last year is still remembered. In the Illini camp, Harper has been substituted in the Illinois line-up for “Red” Grange who failed to come up to expectations as a batter. As a fielder Grange always gave a very creditable performance.

N. D. DEFEATS INDIANA.

(Continued from Page 1) offer that the locals could not solve Sheehan's ever-puzzling pitching as the Irish started to get the better of them in the three of the Crimson hits had come to bat. Sheehan started the third in the third and stole second after Quinlan and McGrath had counted for two outs. Crowley struck out and the Irish leader was left on second. A similar order of events completed the inning for Indiana. In the fourth, Indiana doubled to deep right and scored on Nolan's home run. Dune singled and scored on Quinlan's sacrifice fly to right.

Again, elegant fielding support ended the inning for Indiana after three of the Crimson clubs had come to bat. Sheehan opened the fifth for Notre Dame with a single and scored on Crowley's two-out hit. Nolan singled but was out at second when Dune grounded to the Crimson second baseman. While the play was in progress, Crowley on third was called for home. Silver was out, Gause to Parker, Indiana went blank in its half of the fifth.

Notre Dame singles came back again in the seventh for two more runs when Sheehan began the fireworks by singling to right and hitting to second on an error. Crowley flied out to Lobato and Sheehan went to third on Vergeur's sacrifice. Nolan walked and stole second while Dune singled scoring Sheehan. Silver, reached first on an error but Pearson flied out to Lobato. Notre Dame made another attempt to score in the eighth when Gause walked, reached second on an error and third on a sacrifice by Crowley, but was put out by Noonan when he tried to get home. Indiana killed out the game and pursued two hits in its ninth with long drives into center field.

The Kluangitees displayed their usual batting strength although not faced by any puzzling offering from the Crimson mound. Joe Quinlan on the keystone seek for the Irish played a slick fielding game, but still looked a little weak at bat. Quinlan is one of the hardest working players on the Irish club. Crowley, Vergeur, and Dune displayed their usual hitting ability and each man scored one run. Dune capped two hits in three times at bat. While Vergeur and Crowley connected with a two bagger each.

KLUN RUMOR PROVED FALSE.

A report that the K. K. K. was planning on burning a fiery cross on the field south of the post office, and west of Cather Field, reached some five hundred students just as the May devotion services was finished last evening, and they all hurried to the spot where it was reported the Klan would stage a demonstration. Neither klansman nor fuzzy cross could be seen, as the students returned to their respective halls.

BADIN DEFEATS DAY.

The Badin hall baseball nine annexed another victory yesterday afternoon after the club from the west campus defeated the Day Dodgers, 14 to 2 in an Interhall league game. Harmon and Powers composed the batteries for Badin while Smith twirled for the Day nine with Knight and Freeman behind the bat. Haeckler, of Badin connected with a home run.

The Best Clothing Store for You

EVERY clothing store wants your trade; we do, and we figure that the best way to get it is to make this a store for YOU. If we do that and you know it, we'll have big business; and we have that.

Our idea in making a store that serves YOUR interest first is this!

1. Good quality in stylish clothes is first.
2. Prices as low as good quality allows; there's a bigger total profit in many sales at a small margin than in a few sales at a large margin.
