"The Necessity of Religion in Education" was ably discussed by Father Bolger, President of the board of the department of politics and history, at the meeting of Notre Dame Knights of Columbus, Tuesday night.

Father Bolger pointed out that faith is the great problem of the day, and that if a solution of it is not found, the world is headed for the destruction of all the great institutions, the chief of which is religion. He then proceeded to make a speech on this subject.

"We can see all around us the great need of religion. The world is in a state of flux, and yet there is no place for religion. We must, therefore, see that we have a religion that is strong enough to withstand the onslaught of the ages."

Father Bolger also pointed out that religion is the greatest force in the world, and that it is the only thing that can save the world from destruction.

To the presidents of campus clubs and organizations:

Early this year, the president of the Student Activities Council, in an attempt to alleviate the over-accumulation existing on the campus, appointed a committee of three to make recommendations for the relief of Notre Dame's overstocked cabinets.

The heads of the various organizations were called to a meeting and informed that the S.A.C. was interested in a campus club that failed to measure up to the standard of a reasonable amount of work that it presented.

In order that proper recommendations might be drafted for the use of the A.C. to act upon, the officers of each campus club are requested to report the activities of the club's activities during the past year. This report must be in the hands of the committees not later than May 25. Any club which does not comply with this request will automatically waive the right to recognize on the campus.

Exceptions to this rule: Glee club, Band, Orchestra, Shakespeare Club, Drama club, Knights of Columbus, Monogram club, St. Thomas, and the aid of the Maroon and Minor Sports clubs.

Mark Nau, S. A. C. Committee.

Walsh-Badin Game Today Features League Battle.

First place in the Interhall league will be decided tamperfully when both Walsh and Bonlton meet on the Brownwood diamond this afternoon. Walsh is leading the teams at present with a perfect record, but a defeat by Biddle would yet put it in second place. Both squads have presented strong pitching staffs and crews of heavy sluggers. The only game played between the Interhall teams this week, Corby defeated Sorin on the Brownwood diamond.

After trailing Sorin for four innings, Corby scored four runs in the fifth inning to tie the scores and then added three more in the ninth giving it a lead which is too much for the Corby squad to overcome, the final count being 8 to 7. The victory put Corby into fifth place, while the content Sorin's fifth consecutive loss.

The contest was one of the closest to be seen this season, the two runs scored by the Sorin crew in the last inning leaving Corby with a run behind at one point. John McNallen of Sorin hit the only home run of the game.

Sorin 1 1 0 0 1 2 7
Corby 0 1 5 0 1 9 8

Batteries—Banninger and Smith; Tchorzn, Luyten and Pou.

Advise weather conditions caused the other game to be postponed until later in the week. Corby and Caroll take the field this afternoon.

N.D. Nine Prepares for Illinois Game

Coach Keegan and his Notre Dame baseball squad are completing preparations for two of the most testing assignments that have yet appeared on the local diamond. Notre Dame will have everything to gain by keeping up its percentage of victories with a win over St. Francis and St. Viator. The Indians will be played at Urbana tomorrow, as one of the features of the Illinois Interhall meet and the St. Viator aggregation will be engaged Saturday afternoon at Rascal.

Both games will require the best baseball that the Blue and Gold squad can produce. While Illinois dropped Iowa on the short end of a 6 to 4 count this week the Buckeyes did not display their best game, and their flight to keep their slate clean will be carried through the week which calls for games with Notre Dame and Wisconsin in two successive days. Illinois will be occupied principally with winning over Wisconsin on Saturday in order to retain their place at the top of the conference league. The Buckeyes' win over Michigan this week indicates a sudden rise in the effectiveness of the Cardinals. The Buckeyes' intense rivalry with Illinois is being well realized in the game for the Landymen who are anxious to win from Notre Dame, another member of the Suckers' list of an.

The last dual meet on the Notre Dame track schedule will be run against the Michigan Argies at Lansing, Saturday afternoon. Coach Rockne will probably take a large squad to the Wolverine capital for the run with the Argies.

The Wolverine squad staged a meet with Amos last Saturday in which the Michigan boys lost by the overwhelming count of 10 to 6. Coach Rockne does not look for any serious competition from the varmints, although Coach Young has several performers on his squad that will make it an interesting meet for some of the varsity. Captain Kennedy will meet Captain Maguire in the mile run. The diminutive Argies' man gives an aggressive showing when the Michigan team appeared on Carlin field last Saturday. Their dash men are reputed to be negotiating the stretch in good time although the Layden-Tarra duo will undoubtedly be able to handle these events in finished style.

The meet will proceed the gigantic state meet by one week and the main objective of the Coach's team now until the last event is run off on Carlin field, May 8, will be to win the Indiana intercollegiate events. The Irish are going into this meet in high form, as surmised by the Butler college aggregation.

Danny McGowan Trains for Olympic Tryouts

Danny McGowan will leave this week for Culver where he will begin training in preparation for the summer trials to be held in Boston, the latter part of this month to determine the personnel of the American Olympic Track team.

McGowan, who is prominent in boxing circles at the university, earned the right to enter the trials by winning the final bout of the Indiana-Kentucky boxing tournament at Indianapolis last month, which was staged to determine who should represent the two states in the respective weight divisions in the final trials. In view of the fact that this competition will be in the Boston trials, McGowan has mapped out a strenuous training schedule which the excellent predictions based on the performances of equipment at the cadet school will facilitate.

McGowan has given sons: very noteworthy exhibitions of boxing in the flyweight class, in which division he won his place in the National trials, McGowan has set his sights on the spring trials.

Twenty-two members of the freshman track team, led by Captain Charlie Judge, and accompanied by Coach Ray Hoyer, will leave on the 10 o'clock interurban tomorrow morning for Kalamazoo, where they will engage in an outdoor dual track meet with Western State Normal tomorrow afternoon.

The Kalamazoo cinder squad will be remembered because of its victory over the freshman crew last winter in an indoor dual meet in the old Chicago Athletic Club, won by the meet by five points after losing out Notre Dame in the mile relay by three yards. Two weeks ago the Western Normal was defeated by the Washburn University by only three points. The relay team also finished first.

IN MEMORY OF NOTRE DAME'S DEAD HEROES

A monument to the men of Notre Dame who died in the World War is being erected in the form of a memorial arch and door over the east side of the Church of Our Lady of the Sacred Heart. This memorial was first planned five years ago when the Ex-Servicemen's Union was formed. At that time they began a drive to raise the necessary funds for the erection, but not until the Notre Dame post, No. 286, of the Veterans of the Foreign Wars revived the interest in the movement again that the plans finally materialized. These men completed the drive, and secured some money from the University, and a building sufficiently amount to begin the work. It is estimated that the monument will cost $6,000. The architects are Professors Francis Kardoff and Vincent Fraga of the architectural department of the University.

Two bronze tablets, one on each side of the door, are to contain the names of the twenty men who gave their lives.

N. D. PREPARES FOR ILLINOIS.

(Continued from page 3) Coach Kerkorian, the brains behind this psychological complex to work up the Irish on the Urbana diamond will have hard deciding the game itself.

In favor of the villains from South Bend, coach Kerkorian will be looking for the following day with St. Vincent, and St. Joseph's, in order to task the reserves of the Irish attacking staff.

Lindgren used two pitchers to mow town from the grasp of victory. Wally Rootiger, the Indiana one, west wild in the opening frames and middle three. His running style is known for its three runs. Kerdiman, who played Rootiger, had the runners in fact for when he dropped in the eight, Iowa came around to grab the lead. The Urbana nine did not play through the middle, but managed good fielding crossing into their work. With Nolan, Prag, Tormagren, Beeshan and Pearson making up a tight infield for Notre Dame, the Illini batsmen will have hit the ball hard to get away from the infielders, but high drives to the garden are as good as out with Vennega, Dorne and Crawford playing up to their small form.

Will downtown on its way to win to be the part in the close of the fabulous for the Bulldogs. Lefty O'Farrell toward not yet taken the mound. He then held his arm went out Rootiger, who has been receiving the burden of the pitching work all season will be used against the Irish if he is to twist against Wisconsin Saturday. Kerdiman, the next man out on the Indiana staff, will in all probability open the bottlenecks.

A hard game is looked for at St. Vincent on Saturday. The second edition of the Irish is going to be out to gain a decision over the Georgians. Their hard hitting and fast fielding have thus far served them in a good stead, insomuch as they have few runs given up. The corner of the squad making the trip was not available at press time.

Bowdown to Hold Memorial Services.

Memorial services for Frank Walsh and William Dockman, of Bowdown hall, both of whom died within the past semester. Services will be held Friday evening at 8 p.m., in Washington. A suitable program has been arranged by the committee in charge. The following persons will make addresses: Rev. Matthew Walsh, C. S. C., president of the University; Rev. Hugh O'Donnell, C. S. C., prefect of discipline; Rev. John O'Hara, C. S. C., prefect of religion; Brother Alphonus, rector of Bowdown hall; Douglas, president of the Senior class, and William Cogna, a representative of the students of Bowdown hall. These services are open to the entire student body.
