DAILY CELEBRATES FIRST BIRTHDAY

Both Flannery and McGuire Congratulate Purrson on Anniversary

One year ago today, a new campus publication was born to the University of Notre Dame community. It was "The Daily Notre Dame," and it has been the creative outlet for many students who later have become well known and beloved. Now, on this day, the newspaper is celebrated with a special anniversary issue.

Godfathers of the Daily

Harry Flannery

Those to Godfather Harry Flannery, the first editor-in-chief, and James Hayes, the first business manager, were largely responsible for the early success of The Daily, which celebrates its anniversary today.

PACIFIC COAST CLUB ELECTS AT BANQUET

At a banquet of the Pacific Coast Club in the Wedgewood room of the hotel last week, the following officers were elected: John Keenan, of Happener, Ore. Hayden Yerkes, Bernard Klaas, Tom Denny, Dareman, Sachem, Gerald Small, Tom Pacci, Chief Scout. Bert Dunn, general chairman of the Powwow committee. Songs were given by Alfred Meyers and Michael Kurth, and French, Spanish, Italian and English.

M'CREA's TO HOST KEEPERS

A banquet in honor of the newly elected keeping staff will be held in the rotary room of the hotel at 6:00. After the dinner, entertainment will be provided by a variety of programs, including music and singing.

KOF. C. INITIATION IS VERY SUCCESSFUL

Thirty-four candidates were initiated into the K.O.F. C. and the Milroy speaks.

MEETING TONIGHT

All newly initiated members will be regaled at a banquet to be held at 7:00 tonight. Father Wininger will speak on the "Kief Kiefer," fried chicken and traveling cards will be distributed. There will be singing, entertainment and a banquet.

One of the most successful initiation ever held under the auspices of the Notre Dame Students' Council, 1847 Knights of Columbus, took place Sunday afternoon at the Minshawi Council, 1847 Knights of Columbus, O'Shaughnessy who had re-elected as president, met with about 100 members of the club for their final dinners. District Deputy Culkin and Grand Knight M. J. Sweeney of the Notre Dame, O'Shaughnessy and their staff, assisted in performing this "beau,

UTTERWORTH ENTERTAINS

Dinner was given to the K.O.F. K.C. by the Daily Notre Dame. Mr. Utterworth, chair of the club, was present at the dinner and shared the meal with the newly initiated members. He gave a speech of welcome to the students and expressed his appreciation of their activities and contributions.

THE DAILY'S STAND FOR NOTRE DAME

A union building to be built as soon as possible.

We are working for the betterment of the campus.

True recognition of good scholarship and a better effort for the persons in campus activities.

THE FIRST YEAR.

The Daily is today one year old.

On a Sunday morning last May the first issue of the Daily, the Student Journal, made its appearance on the campus. The Daily has been guided along a perilous course to what now promises to be a successful destination.

The Daily has had its interests and its charge done their level best to make it a representative paper. It has not been easy, yet if the Daily has succeeded in becoming a part of Notre Dame they will all be gratified.

The Daily has tried to "shoot square" with everybody—that is its policy. It has displayed the principles of the beginning of the Daily, and its appreciation for all who have aided it through the uncertain days. And so its readers will not forget its object, it asks leave to repeat the motto which was drafted by its first editor, James Brennan:

"The Notre Dame Daily exists for the student body and has for its object the promotion of the welfare of Notre Dame—institution, student and faculty. It aims to represent the University to mirror its life, to foster and protect its traditions, and to preserve a spirit of loyalty among the students. It shall make a sincere and courageous effort to print the truth, thoroughly, accurately, impartially, and charitably. It shall not be influenced by the desires of any individuals, the right of the body, of the University, of civic national units."

Records Slated to Fall in State Meet

With the annual State track meet which is sponsored by the Minnesota Athletic Association (MAA) to be held in June, two days away, track teams in all the colleges of Minnesota that have entered the MAA for collegiate classes are undergoing an intense training preparation to the high class field that will face the starters gun next Saturday afternoon.

The state meet for Minneaplois college teams will be held at Richmond last Saturday, gave further indication that the advance dope slating Butler college for the challenger of 'Notre Dame at the state class this year was correct. Butler is the power in the track circles' of Minnesota, and coupled with Purdue and Indiana, the bottomstares are going to make it an interesting afternoon for Coach Rockens' tracksters.

The conference schools can be figured on to pass the competition in several events, notably the mile and half mile. No one of the states is stepping the mile in a little better than 4.95. Heading off Purdue won the 880 yard run against Northwestern in 1:57. The Biller-baker flash is also a quarter mile, taking the ball in 50.51. 6.0. The conference schools will roll out some exceptionally fast men when Kentucky of Notre Dame, Defoe of Butler and Robb of Washab take the mark, along with Fouts of Michigan and distance man, competing at different cut meets throughout the state college in the half mile mile and two mile. The other schools will not be able to play a man in this class with the exception of May of Indiana who will take for a place in the future.

Defoe of Washab holds the state record in the mile. Since all institutions there is little danger to be lost. W. Leonard of Purdue should be his closest competitor, the latter turning in a 4:41 in the mile. On the individual course Defoe holds the state mark at 2:28.3 for the conferences schools and the other colleges will not be able to enter a two mile runner better than ten minutes flat. Robb of Washab, however, may do the unexpected. (Continued on page 4)

RAIN HOLDS UP INTER- HALL BASEBALL CARD

Rain halted all Interhall baseball contests of this week's schedule with the result that the games will have to be decided at a later date. There also a number of past games which have not been played, and the managers of the various teams are urged to arrange dates to play off the encounters. At present Wash, Baldwin and Brownian are leading the league, and this week's series will give them plenty of stiff opposition. Washman Off-campus, Baldwin engages Freshman and Brownian plays Senior. In the other contest Carroll will battle Cadillac and Sophomore will encounter Curry.

President of Auto Company to Speak

Mr. Eydard Haynes, president of the Haynes Emergency Steel Co., Kokomo, Indiana, who designed and constructed the first American automobile, will be one of the speakers at the Educational Kayaking Conference of the American Society of Naval Architects.

Mr. Haynes, who is said to be one of the foremost authorities on alloys, will address the group on Saturday morning, his subject being "Development Work on Alloys."

Besides being credited in "Who’s Who in Indiana," Mr. Haynes has worked long hours on his projects. He is a master scientist, and his alloys of cobalt, chromium, molybdenum, and molybdenum-tungsten have been highly acclaimed. Mr. Haynes was born in Portland, Indiana, in 1897, and was graduated from Wabash Polytechnic Institute and from John Hopkins University.

On the same program will be Professor E. E. Nohr, Purdue University, who will speak on "Eddy Discharge of Metals."

Professor E. E. Nohr, who is recognized as an authority in the field of electrical engineering and the appearance of these two men assures a splendid program.
