Carter bars future
Iranian oil imports

WASHINGTON (AP) - President Carter halted oil imports from Iran yesterday, declaring that America will not bow to "economic pressure or terrorism in its efforts to protect the lives of our people" held hostage at the U.S. Embassy in Tehran.

Carter said he was cutting off Iranian oil imports, which account for at least 4 percent of daily American consumption, "to eliminate any suggestion that economic pressures can weaken our stated position on issues of principle."

He said the Iranians who have held the embassy and 60 Americans hostage since Nov. 4 are "imposing unacceptable demands on our country."

The president said it is in the United States and the world that diplomatic personnel be protected, "and that they refuse to permit the use of terrorism and the seizure and the holdup of our fans."

Carter said: "America does face a difficult task and a test. Our response will measure our character and our courage."

"It is that we Americans will not fail."

"We praised Americans for their restraint, despite scatterer- ing anti-Iranian incidents across the country."

"We urged Americans to keep calm "despite the intensity of our emotions."

"He added: "The lives of our people in Iran are at stake."

U.S. officials said earlier in the day that there had been no dramatic change in the condition of the American hostages.

In his statement, nationally broadcast from the White House press room, Carter said: "No one should underestimate the resolve of the American government and the American people in this matter."

He then ordered a ban on the purchase of "any oil from Iran for delivery to this country."

He said the move must be part of an international effort to secure release of the American hostages.

In announcing the ban on Iranian oil, Carter warned that "one action will present a "real challenge" to the nation and will test American strength and determination."

He said he has asked the Energy Department to develop conservation measures and promised to work for fair and equitable distribution of existing oil supplies.

"We are working with energy to reduce our oil consumption," Carter said.

"America does not have all the answers," Carter said. "But we have a right to demand of the hostages."
News in brief

Iranian student held for fatal shooting of youth

/DENVER (AP) - While the governor urged Colorado residents to "stay calm," District Attorney Dale Tooley said it could be tomorrow before he decides what charges, if any, to file against an Iranian held in the shooting death of a 13-year-old high school boy. Two other youths, who police said were looking for "some Iranians to hassle," were wounded in the shooting Sunday, which followed several days of demonstrations in Denver and Boulder over the seizure of American hostages at the U.S. Embassy in Tehran. Alian Shariat, 21, a student at Loretto Heights College, was being held in the city jail. Tooley said Shariat would be advised of his rights at a hearing today. "We're investigating a possible homicide, a possible burglary and several other matters," Tooley said.

Pacer production halts; new Eagle model soars

DETROIT (AP) - American Motors Corp. will end production of its tubby Pacer model Dec. 3 to increase production of its new four-wheel-drive cars by 60 percent, the company announced yesterday. AMC said it would boost production of the four-wheel drive Eagle models at its Kenosha, Wis., assembly plant from 25 to 40 a day. Spokesman John Pichurskas said a "moderate" number of new employees will be hired, but could give no immediate figures. The Pacer, introduced in 1975, has been in increasingly less demand in recent years.

Brown reimposes odd-even gas sales; promotes solidarity

LOS ANGELES (AP) - Gov. Edmund G. Brown Jr. said yesterday he will reimpose odd-even gasoline sales in California next week in a show of "solidarity" with President Carter's plan to halt the import of Iranian oil. Brown, a candidate for the 1980 Democratic presidential nomination, said he, too, supports Carter's action and will not try to second-guess the president while the 60 Americans are being held hostage at the U.S. Embassy in Tehran.

PLO halts Iranian negotiations

(AP) - A Palestinian delegation many regarded as the best hope for winning freedom for the U.S. Embassy hostages in Tehran gave up on efforts yesterday and left the Iranian capital, a Palestinian Liberation Organization official announced in Ramallah.

Work of the PLO's apparent failure to end the impasse came after President Bachar al-Assad, head of the Syrian government, announced his willingness to negotiate for the release of Iranian students captured by PLO forces in the Lebanon.

A three-man negotiating team that went to Tehran failed to come to an agreement because the United States and Iran would not sit down to negotiate the issue. Tehran officials said that if the Americans would not move first, the PLO could not move.

The continued Growth of

Ultimate

has created an outstanding opportunity on the sales staff for a sales trainee. Initially, the position will require a period of training so as to fully prepare the individual in all facets of our industry and business. It is anticipated that this position will lead to sales representative position.

Compensation includes excellent salary plus liberal fringe benefit package. We are located approx. 25 minutes southeast of South Bend.

If you are an enthusiastic and energetic individual who is looking for an outstanding opportunity for personal and professional growth, please contact MR. BRIAN BRADY, ULTIMASTER DIVISION, 701 BRADY STREET, SOUTH BEND, INDIANA 46601. A personal opportunity interview is required.

Film lottery applications available

Applications for film sponsorships during the spring semester are available in the Student Union office. Monday, November 25 at 6 p.m. to determine which organizations will receive movie dates.

Fr. Hesburgh reschedules lecture

Father Theodore Hesburgh's lecture scheduled for today has been cancelled. The talk, titled "Technology Transfer and the Third World: Reflections on Virona," has been rescheduled for Monday, November 26 at 4:15 p.m.

Coach Phelps speaks at Howard

Coach Digger Phelps will speak tonight at 7:00 p.m. at Howard Hall. All those interested in hearing Coach Phelps speak about the '79-'80 ND basketball season are invited to attend.

ATTENTION SEMESTER GRADUATES

Terry responded, "I don't have a system of logging when cars go down that road. We don't tell them (security) any particular time." Both Terry and Roemer noted that the road patrol could be evaluated.

Triegel also relayed suggestions that more lights be installed along the road, a guardhouse be built on the intersection of 31, better education be offered about rape, and that a buzzer or emergency phone system be set up along the road.

Neville, relaying suggestions from the Off-Campus Council, suggested that a student escort service be set up, possibly using the Library as a dispatch center. Roemer noted, 'The University would support that idea enthusiastically.'

Ballentine to present lectures

Dr. Rudolph Ballentine, director of the Biofeedback and Combined Therapy Program at the Himalayan International Institution in Honesdale, Pa., will present two lectures tomorrow at 4:30 and 7:30 p.m. in the Little Theatre. The first lecture entitled, "Medical East and West-How They Stack Up In Terms of Modern Research," will take place in the Angela Room of St. Joseph's Hall on Notre Dame Ave. The second lecture, entitled "Wholistic Therapy," will be held at the Recital Hall at the South Bend Century Center. The lectures are sponsored by the Wellness Support Center of South Bend.

As the discussion on the reporting of rape ended, Triegel and Shannon Neville, campus commissioner, offered suggestions on rape prevention. Triegel presented five suggestions made by the SMC Board of Governance. The Board suggested that the patrol on Saint Mary's Road be evaluated.

"The road has been better patrolled recently," Triegel said, "but I don't know how long that will last," she said.

Tamborini noted that the women's hall staffs are 'only half the battle.' "Men have to know what to do, too," she said. Tamborini, however, agreed with Kearney that a program for women was necessary.

Kearney then explained that she had bypassed the Office of Student Affairs and had set up a presentation for all women hall staffs this Sunday night in Farley Hall. The program will include presentations by a nurse from the emergency room, a member of SOS, a rape victim, Tamborini, and Kearney, who will discuss the legal aspects of rape.

Christian Lawyers plan meeting

Christian Lawyers plan meeting

Please note that the November meeting of the Christian Lawyers Forum will be held today at 4:00 p.m. in Room 101 of the Little Building.

The speaker will be Andrew Treidl, a partner of the law firm of Flodowski & Sanford in Mishawaka. His topic, "The Christian Lawyer as Family Counselor," will focus on the problem that divorce law presents for the Christian attorney, and the role he can play when his client seeks a divorce.

There will be ample time for discussion of this issue, but the meeting will end by 5:00 p.m.

As are all Christian Lawyers Forum meetings, this one is open to the public.

The Shame of Iran

Christopher A Stewart

Iran is a nation to which the grizzly glories of the past are attached. Iran has seen the ranks of modern outlaw nations. Iran has a penchant for terrorism. The Ayatollah and the American Embassy are capital cities of that terrorism. Iran.

While the exception of Sadat, the roar of diplomatic protestation is strangely reminiscent to the deafening din accompanying the recent atrocities of Pol Pot's Cambodian regime. Which just goes to show how cowed and spineless the international community is toward any oil-rich regime.

What most Blinging-cyed devils might turn off the oil if we protest, or double the price. Then where would we be?

So soon the oil-importing nations from Japan to Whiz in Germany. Now, can't stop that oil. Progress, progress, Profits, brave, easy profit, remember.

And they learned it all from that U.S. of A. Iran.

After seizing the embassy, the Iranians did not want anything but as diplomatic protocol spoiling their latest racist feast from—imper, the Ayatollah and the American Embassy is the latest insult in a long sequence of antithetical American-Soviet actions. Deserving violence with vote is mere a manifestation of Iranian tradition than American freedom.

The students are wrong to demand the extradition of those students. The U.S. will be forced to retreat among the boycott of Iranian oil better dramatize American scumbag behavior. Demanding violence with vote is mere a manifestation of Iranian tradition than American freedom.

The Ayatollah and the American Embassy are capital cities of that terrorism. Iran.

Iran.

A Chichano at ND

Is Still a Chichano

Dear Editor:

In response to Al Alba's article on "The Chicano Cheechum" (Nov. 6), I would like to say that I am a Chichano. Personally, I am a Chichano. I am from California and I am comfortable with this name. It is easy to use your roots here at Notre Dame, especially when your own people are away from their heritage.

Mr. Alba, I would like to thank you for your efforts to inform the Notre Dame Community of the real facts of your own people. As also would be the people of your future topics to express to all of the Latinos at Notre Dame.

Gracias,

Josephine Nevares

Tonight in the LaFortune Little Theatre (first floor), the film "Survival" will be shown by the Student Committee for the Investigation of Military and Nuclear Disarmament. It is a 25 minute documentary color film dealing with the strategic military forces of the U.S. and U.S.S.R. Times of the showings will be noon, 4 p.m. and 7 p.m. There is no admission fee.

The film gives an overview of the current nuclear crisis in both nations, with highlights of two actual nuclear alerts, the Cuban crisis and the Mid-East crisis. A simulated war-game scenario depicts how a local feud in East Germany could escalate into a full nuclear U.S.-Soviet exchange between the superpowers.

Film footage from Eisenhower and Carter acquaints the viewer with modern efforts to minimize the likelihood of nuclear war, chiefly through the channels of international diplomacy and arms control agreements. Focus is given to U.S.-U.S.S.R. relations in non-military domains, including joint scientific, technological, medical, trade and cultural exchanges. The film culminates with an explanation of the present SALT talks, a demonstration of U.S. verification capabilities, and the significant role of the U.S. State Department in ratification of the SALT II Treaty.

An excellent contingent of officials, leaders and specialists appear in the film, including Secretary of State Vance, Secretary of Defense Brown, Senator Frank Church, President Carter and Soviet Chairman Brezhnev.

This film was produced by the Committee for the East-West Accord, a non-partisan American group concerned with disarmament. For more information, or if you cannot make these showings but would like to see the film, call 350-7933.

BELLES end season on sour note

by Kate Hoffman

Sports Writer

The Saint Mary's College volleyball team rounded out its season last weekend in state tournament play at East­ham College. The Belles were defeated in a close opening match by Taylor University, whom the Belles had defeated earlier in the season. Match scores against Taylor were 11-13, 16-16, and 16-14.

In their second match of the day, the Belles were defeated by Maron, 15-8, 15-6. In what turned out to be its final match of the season, Saint Mary's lost to Huntington College, 7-15, 15-7.

In the first game of the match against Taylor University, the Belles scored 15 kills on 24 attempted spikes. After losing the second game, the Belles seemed to be heading for a victory in the third game, as they scored their 15th point and won the match. But the umpire called for a replay on the final point because a ball had rolled onto the court. Taylor then went on to win the match on the replay.

The Belles second match was even more discouraging to Coach Erin Murphy. The next match against Marion we played immediately following the Taylor match and Marion only had a couple of kills after the loss. "I think the girls did not have enough time to mentally recover form the loss against Taylor," Murphy said.

In spite of the loss, Murphy commended freshman Peggy Wescott on her offensive play and Mary Laught­on, also a freshman, on her excellent job setting for the Belles.

In the final match, Saint Mary's had a comfortable 12-1 lead over Huntington College. The Belles went on to take the game 15-7, but Huntington re­bounded to take the next two games to win the match.

The innerball soccer season came to a conclusion Friday afternoon andnopresent of dismal weather. The Flanner Hall team, which ended up second in the championship, had to play in the wet field too, but their game was an easy one to grab. The breaks went against Off-Campus early in the game. Fifteen minutes into the match, a foul call awarded Flannery his free kick just

outside the penalty area. Ken

didn’t take the opportunity to blast through off the net for a 1-0 lead. Only five minutes later another

free kick and a second free kick from off the Off- Campus crossbar. D. Davis then took a turn this time and fired the ball on the ground past wall of Off-Campus defenders for the insurance goal that clinched the victory. Flanner goalies Nat Walsh and Bob Gavett. 85-84 Off-Cam.

Red dumps Stanford; suffers no letdown

by Chris Needle

Sports Writer

Dillon head coach Jerry Bridgewater was a little concerned about how his team would perform in its inaugural semi-final playoff game against Stanford. The two top-seeded teams had been unbeaten and unscathed for the past two seasons until last week, when arch-rival Stanford defeated Princeton.

But any fears of a continued letdown were quickly dispelled. Sunday as Dillon scored on their first three offensive possessions and went on to defeat Stanford, 26-0 at Carrier Field.

The Big Red racked up a whopping 249 yards against a fine Stanford defense. Stanford was able to muster 153 total yards of its own, but as player-coach Red Ward put it, "Our mistakes just killed us," in reference to the 45 yards in penalties and two turnovers his team committed.

Dillon took a quick 6-0 advantage in the first quarter as the Big Red picked up 65 yards in eight plays, with Dana Crowley scoring on a 1-yard run. The key play in the drive was a 10-yard pass from quarterback Brian Burrough to brother Dana on a third-and-eight play. On the next possession, Stanford picked up two first downs, but was stopped on its own 48-yard line and was forced to punt a half a drive.

The Big Red took over follow­ing the punt at the Stanford 14-yard line on the "play of the game," when Burrough burst down the left side for a 66-yard gain to the Stanford 4-yard line.

"We knew they were weak on that side of the defense," Bridgewater said, "and to join us that way most of the game."

Five plays later, Brian Crow­ley sneaked into the end zone from the 4-yard line, and two-point conversion, Dillon led 14-0.

Then, Dillon recovered a Stan­ford fumble at its own 42 and added another touchdown when Brian Crowley lobbed a perfect pass to brother Dana who was streaking down the left side line. The play covered 57 yards to the Stanford one-yard line.

On the next play, Kevin Kenny went over for the score to put Dillon in command 20-0 at halftime.

Ward's reading of the riot act to his team at halftime seemed to charge up his troops in the second half as Stanford's off­ense, led by the gritty running of fullback Pat McDowin, recorded three straight first downs.

But another penalty, this one for offensive holding, ended another threat for the North Quad champions.

Late in the game, Dana Crow­ley scored his second TD of the contest when he caught a 14-yard pass from running back Mark Nasza to increase Dillon's lead to 26-0.

"With their starting quarterback and one of their key receivers coming in because of injuries, our team was able to make big gains and take advantage of their mistakes," Burrough said.

"With their starting quarterback and one of their key receivers coming in because of injuries, our team was able to make big gains and take advantage of their mistakes," Burrough said.

There's more than winning

Forget, if you will, about winning and losing, about point spreads and injury lists, tickets and television ratings. It's about a moment because this is one about having fun.

It started at 9 a.m. on the day of the Notre Dame-Duke game, when I found myself shivering on the sidelines of a well-kept football field at the end zone, trying to keep warm and watch a soccer game between two teams of South Bend women.

Carbonetti. That's what's so great about this.

There are girls on your team from the ages of 15 to 35 and you believe, and almost every other team you play, that their girls are just as talented as yours, and you can beat them at their own game.

We know Stanford has a fine defense. Like I've said before, there was always the chance we could have another letdown.

"I knew they were weak on that side of the defense," Bridgewater said, "and to join us that way most of the game."

Five plays later, Brian Crowley sneaked into the end zone from the 4-yard line, and two-point conversion, Dillon led 14-0.

"I knew they were weak on that side of the defense," Bridgewater said, "and to join us that way most of the game."

Five plays later, Brian Crowley sneaked into the end zone from the 4-yard line, and two-point conversion, Dillon led 14-0.

Then, Dillon recovered a Stan­ford fumble at its own 42 and added another touchdown when Brian Crowley lobbed a perfect pass to brother Dana who was streaking down the left side line. The play covered 57 yards to the Stanford one-yard line.

On the next play, Kevin Kenny went over for the score to put Dillon in command 20-0 at halftime.

Ward's reading of the riot act to his team at halftime seemed to charge up his troops in the second half as Stanford's off­ense, led by the gritty running of fullback Pat McDowin, recorded three straight first downs.

But another penalty, this one for offensive holding, ended another threat for the North Quad champions.

Late in the game, Dana Crow­ley scored his second TD of the contest when he caught a 14-yard pass from running back Mark Nasza to increase Dillon's lead to 26-0.

"With their starting quarterback and one of their key receivers coming in because of injuries, our team was able to make big gains and take advantage of their mistakes," Burrough said.

Swim team seeks timers

Those interested in timing varsity meets for the 1979-1980 swimming season are invited to attend an organizational meeting. Saint Mary's students are to meet tomorrow evening at 7:00 p.m. in LeMans Hall. Notre Dame students are to meet on the second floor of the Rockne Memorial on Thursday at 6:30 p.m.
