Soviet passenger liner sinks; casualties untold

Associated Press

MOSCOW - A 61-year-old Soviet ship big enough to carry at least 870 passengers collided with a freighter at night in the Black Sea and sank with a loss of lives, officials said yesterday. They did not give a casualty figure.

Search and rescue operations continued last night, about 20 hours after the ship went down, according to officials in the Black Sea ports of Odessa and Novorossiysk.

A naval Ministry official said by telephone late yesterday that the freighter remained afloat. He would not answer other questions.

Soviet media carried only a brief statement from the Communist Party Central Committee and Soviet government. It was the second sinking of a Soviet passenger liner in seven months.

The official announcement, distributed by the Tass news agency, said only that the 17,053-ton Admiral Makhllov collided with a cargo ship not far from Novorossiysk and sank on the night of Aug. 31.

Rescue measures have been taken, the official news agency said. It also said that necessary assistance is being rendered to those affected and that there has been loss of life.

It did not say how many people were aboard, how many were dead, if any, or what route the ship was following.

Lloyds Registry of Ships, published in London, says the ship was following the 17,053-ton Admiral Makhllov collided with a cargo ship not far from Novorossiysk and sank on the night of Aug. 31.

The bomb demolished the front windows of a Pick-n-Pay store in the Montclair shopping center and tore a hole in the ceiling, said Vernon Strydom, who had wounds on her head and hands.

Government spokesmen said one of those seriously injured was the cashier, Monica Strydom, who had wounds on her head and hands.

Two of the previous bombings occurred in Durban. Eight people have been killed and 145 wounded in the nine explosions, the last of which was Aug. 2 in Wavis Bay on the Atlantic coast.

No one has claimed responsibility for any of the attacks, but the government blames guerrillas of the African National Congress.

Anti-Reagan rhetoric marks Gadhafi speech

Associated Press

TRIPOLI, Libya - Noammar Gadhafi celebrated his 17th anniversary as Libya's leader yesterday by denouncing President Reagan and praising Soviet leader Mikhail Gorbatchev, saying the Libyans and Russians share common interests.

"Reagan is a madman, physically and psychologically sick," Gadhaifi told a flag-waving crowd of 5,000 in Green Square, gathered to hail the Sept. 1, 1969 military coup that brought him to power.

"We must be in the front row...

As the crowd held aloft his portrait and applauded, the 44-year-old colonel gestured with a silver pointer as he vowed to recruit an army from the best of Libya's youth and psychologies toward Libya.

"We must be in the front row..."

The sale of the assets was finalized in order to include the sale of the Alcohol and Beverage Permit, said Bradley.

Before the Przybylinski brothers can set up the restaurant-tavern business, they need a variance that will allow them to bypass a city ordinance which prohibits two alcohol establishments to operate within 1000 feet of each other.

Senate sets priorities on campus availability

DAVID LEE
News Staff

Increased student space control was marked as the top priority of the Student Senate for this school year in a meeting last night.

Senators criticized the closing of campus buildings, such as LaFortune, as early as midnight, and hoped to extend the hours.

I have a major problem with that (buildings closing early), said Student Body Vice-President Don Montanaro. If you are spending millions of dollars on a student activity center, its ridiculous to keep it closed.'

The Senate's number two priority was a dearth of university liability at student-organized events. One proposal included an idea for a dorm insurance program.

Third on the agenda was expanding student financial aid. The present policy gives aid on a need basis only, also requiring that the student be a Notre Dame scholar.

Along with the perennial issue of parietals, senators gave priority to coed dorms. They noted that Fanner and Grace Halls are ideally suited for that purpose due to the halls having two wings.

More attention, however, was focused on the lack of on-campus housing facilities, with Senator Mike Jaeger noting that there are many people off campus who would like to be on campus.

Committees were established for the top five issues on the Student Senate agenda. Other issues will be worked on, but in a prioritized manner, according to Senator Kevin McClosky. Senator McClosky added that students are encouraged to join the committees, and to contact the committee chairmen.

Environmentalist group plans to sue Pentagon in dispute

Associated Press

WASHINGTON - An environmental activist group is preparing to sue the Pentagon to stop defensive biological warfare research while simultaneously establishing a fund to encourage scientists to disclose evidence of illegal experiments.

The Foundation on Economic Trends, successful in a similar suit against the Army, also has distributed a position paper to officials from more than 55 foreign governments, suggesting ways to strengthen a 1972 international accord banning the pursuit of biological weapons.

Delegates from more than 100 countries are scheduled to meet in Geneva next week to review the 1972 accord. The position paper disputes the recently outlined position of the Reagan administration on the 1972 Biological and Toxin Weapons Convention. The group describes itself as a clearinghouse for public information on the political, economic and environmental implications of such research.

The lawsuit against the Pentagon, a copy of which was provided to reporters in advance of its filing in U.S. District Court today, seeks to stop all Defense Department research aimed at identifying potential defenses against biological weapons.

Under the 1972 agreement, the United States, Soviet Union and more than 100 other countries have agreed not to develop toxic biological agents for offensive purposes. But the accord does not prohibit defensive research.

The lawsuit, asserted that the Defense Department has expanded defensive research to such a point that it now falls under the National Environmental Policy Act, meaning environmental impact studies must be performed.

It requests both preliminary and permanent injunctions against continued research until environmental impact studies are conducted.

Field Goal gives Terps 10-7 win

Associated Press

PITTSBURGH - Dan Plocki kicked a 29-yard field goal with 2:10 to play and Maryland rode a dominating defense to a 10-7 college football victory last night over Pittsburgh, ruining the debut of Pitt Coach Mike Gottfried.

Pitt drove to the Maryland 38 in the final minute. But quarterback John Congemi, who completed 25 of 45 passes for 258 yards, was dropped for a nine-yard loss on a third down-play and threw a fourth-down incompletion to turn the ball back over to the Terps.

The loss continued a string of frustration for Gottfried, who also failed to win in his first game in three previous coaching assignments.

Congemi, contained for three-and-a-half quarters by a big-play Maryland defense, rilled a 32-yard scoring pass to Reggie Williams on a second-and-15 play with 5:12 to go to rally Pitt to a 7-7 tie.

Pitt had failed to score in the first half despite a thirteen-and-a-half-minute edge in time of possession, as junior kicker Mark Brasco missed field goal attempts of 41, 29 and 53 yards.

Tommy Neal, who had given Maryland a 7-0 lead with a 1-yard scoring dive midway through the third quarter, had runs of 14 and five yards, and Dan Henning hit Ferrell Edmunds for 13 yards and Azizuddin Abdur-Ra'oof for 15 to set up Plocki's winning kick.

Maryland's first score came after a turnover.

Pitt running back Charles Gladman fumbled at the end of a 32-yard pass play when he was drilled by safety James Brown, and linebacker O'Brien Atston recovered at the Maryland 45.

The officials had initially ruled that Gladman was down before fumbling, but reversed their ruling after a conference.

Henning, playing his first game as a college quarterback, hooked up with Vernon Joines on a 24-yard completion on a third-and-6 play to the Pitt 1. Neal leaped into the end zone two plays later, with 2:15 to play in the third quarter.

The loss eliminated the fifth-place Cubs from the National League East race.

Billy Hatcher opened the sixth with a single, extending his hitting streak to 11 games, and Craig Reynolds drew a walk off Ed Lynch. 4-4.

Roommates win NVA biathlon

STEVE MEGARGEE
Sports Writer

Sophomores Tom Doyle and Chris Petillo, roommates at Grace Hall, teamed up to win the third annual Non-Varsity Athletics-sponsored biathlon Sunday morning at St. Joe's Beach.

Doyle doubted the two would have competed together if they had not been roommates. Petillo swam half a mile across St. Joe Lake and back, and Doyle ran two miles around the beach in a time of 21:33, the best time for both two-person teams and individuals.

Senior Tom Doyle did both the swimming and the running in 22:53, placing first in the individual competition and third overall.

This was the first year NVA had allowed two-person teams to compete in the biathlon. A total of 21 individuals and four teams participated.

Sunday's biathlon at 11 a.m. kicked off a beach party Labor Day weekend sponsored by NVA. Festivities included canoe races, kayak instructions, and appearances by the rowing and sailing clubs.

NVA assistant director Sally Derengoski said NVA held the weekend to demonstrate some of the water sports and clubs offered at Notre Dame.

The top four team finishers in the biathlon were Petillo and Doyle, Troy Duncan and Pat Lynch, Chris Componovo and Mark Stillises, and John Krueger and Nancy O'Brien, the only woman in the competition.

Top individuals included Ward, William Filzondo, Patrick Bradley, and Dave Lednick.

But the third set was different than Turnbull, who has never won a Grand Slam singles title, kept up the pressure by chipping and charging at every opportunity.

She was tightening up (in the third set), Turnbull said of her Czechoslav's opponent. I wasn't tightening up. At least I was going for my shots.' Gilbert fought Lendl on even terms in the opening set, breaking the Czechoslav's serve in the seventh game to put the set back on serve. But Lendl, ranked No. 1 in the world, closed out the first set by breaking Gilbert in the 12th game at 30. After that, it was all Lendl.

"I started missing a lot of first serves and then he picked up his game a lot," Gilbert said. "He started to pass really well. Then I got a little discouraged."

"I wasn't sure what to do, if I should stay back or come in."

There was nothing indecisive about Lendl, who already has won seven titles this year, including the French Open.

He broke Gilbert's service twice in each of the next two sets to move one step closer to his second straight U.S. Open crown.

"I think after the first set he got broken mentally," Lendl said of Gilbert. "He felt he has to win now three out of four (sets), and he knows I'm going to run forever."

"I'm hitting the ball solid. I feel great physically. I feel strong. I feel quick, and I feel open I'm not going to tire out." Svetlana opened the second set by holding, but Navratilova took six of the next seven games in her rush into the semifinals.

ND soccer team earns ‘biggest win’ in 1-0 shutout of UW-Milwaukee

By BOB KEMPER

The Notre Dame soccer team started its season off on the right foot with a hard-fought 1-0 victory over host University of Wisconsin-Milwaukee. The lone goal was scored by junior striker Bruce McCourt at 15:02 of the first half. The tally was scored on a header and was set up with an assist by freshman midfielder Kevin Kade. The shutout was recorded by senior goalkeeper Hugh Breslin, who recorded six saves.

Aside from the starting the season on a good note, the victory had a special significance for the Irish. The win helped to average a disappointing 3-2 overtime loss of the previous season and proved to the team that they can compete with high-caliber competition.

"I have only been coaching here for three years, but this is certainly the biggest win so far," said Head Coach Dennis Grace. Wisconsin had nine returning starters and was ranked as high as 11th in the nation last year.

In addition, the UWM Panthers were ranked third in the NCAA Great Lakes regional poll, while the Irish were given no preseason mention.

The only disappointment of Sunday's contest was the injury suffered by co-captain Jim Flynn. The senior goalkeeper/stopper sustained a separated shoulder and was scheduled for diagnosis last night. Although sidelined for the time being, Flynn was very enthusiastic about the season debut.

"The team played a superb game," said. "To play that well at the beginning of the season is very encouraging. The defense was spectacular and the freshmen played with a lot of composure." Coach Grace said he was especially pleased with the unselfish play of his squad.

Teamwork was quite evident, said. "The players worked for each other and that is the way a good team must play."

"It was a great defensive effort. I am not talking about just the goalkeeper and fullbacks, but the entire team. Everybody, including the frontline, played with a lot of intensity on defense."

Turnbull ousts Mandlikova from U.S. Open

Associated Press

NEW YORK - Veteran Wendy Turnbull of Australia pulled off one of the biggest shockers of the U.S. open Tennis Championships last night, ousting defending women's champion Hana Mandlikova 6-4, 1-6, 6-3.

The victory sends the 33-year-old Turnbull, the oldest player left in the singles tournament, into the quarterfinals against top seeds, other quarterfinals.

Turnbull's doubles partner, also won in straight set victories.

Mandlikova was upset by Wendy Turnbull in Czechoslovakia.

Defending U.S. Open champ Hana Mandlikova was upset by Wendy Turnbull in yesterday's play. Details of that and other matches appear above.

2-6, 6-2; No. 9 Manuela Maleeva of Bulgaria nipped No. 6 Claudia Kohde-Kilsch of West Germany 6-2, 2-6, 7-6; No. 3 Steffi Graf of West Germany defeated Italy's Rafaela Reggi 6-1, 6-4, 6-0; No. 8 Bonnie Grunder stopped No. 15 Steffie Graf 6-4, 4-6, 6-2; and No. 7 Sukova of Czechoslovakia downed No. 12 Zina Garrison 6-4, 2-6, 6-4.

Besides the Navratilova-Shriver and Turnbull-Sukova matchups, other quarterfinals pairings send Graf against Gadusek and Maleeva against Lloyd.

It was the earliest a defending women's singles champion has been ousted from the U.S. open since Julie Heldman upset Billie Jean King in the third round in 1973.

Turnbull said that in the second set I started to feel kind of tired. That's the kind of player Hana is. I let her have an inch and she took the whole second set.
