Soviets press U.S. to accept arms offer

Associated Press

MOSCOW - State-run Soviet news media Sunday hailed Mikhail Gorbachev's offer this week as President Reagan's nominee for director of the CIA, according to a published report.

The decision, which was not confirmed by White House and CIA spokesmen, came as Senate leaders warned that the nomination was in trouble.

Gates reached the decision "without much prodding," The Washington Post reported in Monday editions. The newspaper cited "well-informed administration and congressional sources."

However, White House spokesman Albert Brashier said late Sunday, "Mr. Gates is still the president's nominee." CIA spokeswoman Kathy Pherson said, "He hasn't withdrawn as nominee, and as far as we know he doesn't have any plans to do so."

No word of any such withdrawal has reached the Senate Intelligence Committee, which is reviewing the Gates nomination, said David Holiday, a spokesman for Senate Majority Leader Bob Dole of Kansas.

Speculation on Reagan's upcoming speech and changes the president might order in the wake of last week's release of the Tower report dominated discussion on weekend television interview shows.

On NBC-TV's "Meet the Press," Dole said he and other Republican leaders discussed with Reagan last Thursday what the president should say when he addresses the nation.

"Let the people know that it wasn't someone else out there who made mistakes," Dole said he counseled Reagan.

Police raid ND Ave., E. Navarre parties

By MARK PANKOWSKI

Aided by undercover officers, police raided two off-campus parties early Saturday morning, arresting one person and citing 41 others.

At a party at 121 Notre Dame Ave., police cited 39 people for underage drinking, said Sgt. Gregory Deitchley of the Indiana State Excise Police.

One person, whose name was not available, was arrested for resisting law enforcement, he said.

The other raid occurred around midnight at 121 E. Navarre St. Deitchley said police cited one person for selling alcohol without a permit and another for minor consuming alcohol.

Undercover officers participated in both cases.

At the party on Notre Dame Avenue, plainclothes officers entered the house before the raid, which occurred at about 1 a.m. They later left the party and notified uniformed police.

Fourteen officers from the Indiana State Police, excise police and South Bend Police Department then raided the party.

Approximately 70 people were at the party when it was raided.

One witness said police forced those at the party to stay inside the house and submit to breathalyzer tests. Those under 21 and registering a blood-alcohol level of .01 percent or higher were given citations, she said.

Two beer kegs were located in the house's backyard, but both were empty at the time of the raid, according to one of the students living at the house.

The beer was not sold at the see PARTIES, page 5

Laxalt: Renounce Iran initiative

Associated Press

WASHINGTON - Former Sen. Paul Laxalt said he doubts President Reagan is ready to renounce the U.S.-arms-sale initiative with Iran, despite the Tower commission's condemnation of that policy and Reagan's subsequent replacement of White House Chief of Staff Donald Regan.

Laxalt of Nevada, one of Reagan's closest, longtime political confidants, said that in his address to the nation later this week, Reagan should admit "this was a flawed policy ... a trip that shouldn't have been taken. . . . I'd like to have him do that, but I don't think he's there in his own mind yet."

Reagan acknowledged in his Jan. 27 State of the Union address that "serious mistakes were made," but he has never conceded that the "administration was seeking to trade arms for hostages.

Senate Republican leader Bob Dole of Kansas joined Laxalt in publicly urging Reagan to take full responsibility for the Iran-Contra affair when the president makes his nationally broadcast speech, probably on Wednesday or Thursday.

Sharing Laxalt's view, Dole said that Reagan must "if not apologize, get very close to it" during his speech. Dole added, "I don't know if he'll do it or not."

Meanwhile, former Republican Senate Minority Leader Bob Dole of Kansas said that the Reagan administration will decide early this week whether to withdraw the nomination.

Dole also said he didn't think it would be a good idea for Gates, the acting CIA director, to be "sort of held out there for five or six months" until special congressional committees conclude their investigations into the Iran-Contra affair.

Speculation on Reagan's upcoming speech and changes the president might order in the wake of last week's release of the Tower report dominated discussion on weekend television interview shows.

On NBC-TV's "Meet the Press," Dole said he and other Republican leaders discussed with Reagan last Thursday what the president should say when he addresses the nation.

"Let the people know that it wasn't someone else out there who made mistakes," Dole said he counseled Reagan.

A paperback edition of the Tower Commission Report is being published by Bantam books in conjunction with The New York Times. A total of 200,000 copies will be distributed to bookstores on Monday, and each will sell for $5.98. See story at left.

The question: Is Iran-contra scandal tragedy or comedy?

Somewhere in Hollywood the screenwriters are working around the clock to copy down the latest twists and turns in the Iran-Contra arms scandal. Ronald Reagan, once president of the screen actor's guild, undoubtedly likes to see the movie industry prosper. It was the magic of silver screen that first brought the Great Communicator to national prominence, establishing him with the reputation, wealth, and friends with which to launch a political career. But now, much to his chagrin, the benefactor-patron relationship will be reversed and the movies will prosper at his expense.

It is only a matter of time before the first books are written. Once these are published the films will be soon to follow. Certainly those with inside knowledge of Iran-Contra affair will command handsome prices for their memoirs - this is perhaps the reason why Oliver North and John Poindexter have shrewdly held out on their testimony. When the first copies inevitably hit the street, the booksellers face the difficult decision of where to shelve the work. Potentially it could fail under the subject of history, politics, war, adventure, romance, or melodrama - anything but family entertainment.

The Iran-Contra connection relies on the classic formula for entertainment success. Not only do we have the involvement of high government officials in secret arms deals, covert paramilitary operations, purchased Swiss bank deposits, and an elaborate cover-up scheme but also there are multiple characters in disguise, secretaries, and an unexplained suicide attempt. Add to this the mystique of travel to foreign lands, the looming Soviet threat in Central America (Amerika?), the sudden-death danger of international terrorism, and the deafening roar of the ongoing Iran-Iraq war and you have the perfect backdrop for all the excitement. What else could a James Bond film want?

Whatever productions are eventually made from this Iran-Contra affair certainty will not need artificial embellishments in order to keep the audience awake. To thicken the plot even further, there is the animosity between Nancy and Chief of Staff Donald Regan. The backstabbing behind this scene is gossip waiting to be told.

Sophomore parents have weekend at SMC

By PEGGY PROSSER
Staff Reporter

More than 200 members of the Saint Mary's Class of 1989 hosted their parents this past weekend at the College's annual Sophomore Parents Weekend.

Most parents arrived Friday night and attended a talent show, held in the Angela Athletic Facility, to begin their weekend.

Saturday afternoon the College hosted an Open House, also in Angela. Parents and students were greeted by College President William Hickey and College Vice-President Dorothy Feigl. The College's academic departments were represented by department chairmen and professors.

A Sunday Liturgy was held Saturday afternoon in the Church of Loretto on the Saint Mary's campus.

Saturday night students were given the chance to try out for the music department's talent show, held at the Century Center in South Bend. The evening began with a cash bar, followed by a welcome-to-parents speech by sophomore Marisa Ley, chairperson of the event.

The brunch held at the College dining hall Sunday concluded the weekend.

Fat Tuesday

Mardi Gras celebrations in New Orleans reach for trinkets being thrown during Saturday's parade. The festival hasn't been all fun, though.

Fifteen people were injured Saturday when a reckless driver plowed into a crowd of parade watchers. The Carnival season ends Tuesday with an all day celebration.

Security Beat

Thursday

1:05 p.m. - The rector of Grace Hall reported that during the night someone had kicked in the glass at the south door of the dorm.

2:25 p.m. - The vinyl roof of a vehicle parked in the D-4 lot was reported slashed. This happened sometime Feb. 22 between 1 a.m. and 5 a.m.

3:35 p.m. - A student reported two calculators were taken from a room in Cushing Hall.

Friday

7:35 p.m. - An off-campus resident reported that his bookbag was taken from the lobby of the South Dining Hall during lunch.

10:15 p.m. - The rector of Grace Hall reported that a type-writer valued at $190 was taken from his unlocked room on Wednesday night.

Saturday

3:55 p.m. - A professor reported that money had been taken from her purse while it was in her desk in the Law School.

10:30 p.m. - Keenan Hall residents reported that two suspects had taken a CD player from the dorm.

10:50 p.m. - Keenan Hall residents reported that two suspects had attempted to take a fire extinguisher from Cushing. The juveniles' parents were notified, and the case has been referred to the prosecutor.

11:30 p.m. - A professor reported that the telephone was stolen from his room. The phone is valued at $80.

Sunday

10:00 a.m. - Security officers recovered a stolen car which had been used in a break-in in Michigan last week. The car was inspected and turned over to the Saint Joseph County Police to be returned to the owner.

11:15 a.m. - A student's brother reported damage to his car while it was parked in the A-10 parking lot. The damage, apparently caused by another car, happened sometime between 7 p.m. Saturday and 11 a.m. Sunday.

the Tower commission's investigation of U.S. arms sales to Iran, and it played a major role in the most European papers to comment in Sunday editions.

The new Soviet position seemed sure to win support in Western Europe, where opposition to nuclear weapons is widespread.

Gorbachev has met with officials from several NATO countries in recent months to discuss European security, the latest being Italian Foreign Minister Giulio Andreotti on Friday.

The governments of West Germany, Denmark and Belgium on Sunday welcomed the Soviet offer. Britain, France, the Netherlands and Italy said they needed more time to study it.

In Geneva, U.S. officials said they believed the Soviets made the new offer in hopes it would increase Western European opposition to the so-called "broad interpretation" of the 1972 antiballistic missile treaty.
Elderly man kills three others then turns gun on himself

Associated Press

LOS ANGELES - A man who had accused his wife of setting up a $7,000 burglary grabbed a revolver after an argument and fatally shot two neighbors and his stepdaughter before killing himself, said neighbors and police.

Ed Smith, 83, had been arguing with his 80-year-old wife, Ann, in their home for hours Saturday before he armed himself and began shooting, said Detective Steve Morgan.

"During the course of the dispute, she decided to move out and called relatives to help," said Lt. Charles Massey. The shooting began after Mrs. Smith left the couple's small, white clapboard house, and walked to the rear of a neighbor's home.

Smith fired 10 to 12 times, police said. He fired at and missed his wife, shot his stepdaughter, and then seemed to fire at random targets, fatally wounding a 91-year-old neighbor and another woman.

A witness, Robert Livingston, said he tried to help Smith's stepdaughter, 45-year-old Linda Downard, while she was lying on the ground.

"He told me to get away from her," said Livingston, who was not injured. "I didn't think he was doing the shooting. I thought there was something wrong. He pointed the gun up, I ducked, and he fired."

"He went back to the house, reloaded his gun and again shot the daughter, who was still in the street, then went to the rear yard of the (neighbor's) house," Morgan said.

When he realized police were coming, Smith shot himself in the chest. He was pronounced dead at the scene, Morgan said.

Downard died Saturday afternoon in surgery in California Medical Center.

Tornado victims clean up after storm leaves 8 dead

Associated Press

LAUREL, Miss. - Residents and cleanup crews worked under a sunny sky Sunday to recover belongings and clear up wreckage from a tornado that left eight people dead, nearly 500 families homeless and millions of dollars in damage. “Everybody is tired, but things are looking up,” said Carl Carlos, Jones County Civil Defense director. “It’s just a matter of cleanup and get back on our feet now.”

The tornado left at least 145 people injured as it cut a 30-mile-long, 2-mile-wide path of destruction across mostly rural Jones County in southeastern Mississippi on Saturday morning.

Some residents camped overnight at bonfires beside the piles of splintered lumber and brick that had been their homes, and the National Guard blocked off 13 roads and highways.

“It probably caused more damage in one county than I’ve ever seen,” said Gov. Bill Allain.

One of the hottest tickets in the country this year is a seat at one of the masses which Pope John Paul II will celebrate in September.

Though stadiums may be full, they won’t be sold out - the tickets are free. Local church officials are depending on the generosity of Roman Catholics and corporations to defray millions of dollars in expenses for the 10-day, nine-city visit.

“Everybody is tired, but there are many who are willing to help,” said Rev. Miles Riley, spokesman for the San Francisco Archdiocese.

“We’d really be surprised at the generosity of Roman Catholics from the city of San Francisco alone. The pope’s two-day visit is estimated at up to $2 million. Local church officials are depending on the generosity of Roman Catholics and corporations to defray millions of dollars in expenses for the 10-day, nine-city visit.

“It probably caused more damage in one county than I’ve ever seen,” said Gov. Bill Allain.

Hairest Salons in S. C., Phoenix, Los Angeles, Monterey, Calif., San Francisco and Detroit. The pope departs for Rome on Sept. 19.

Arrangements are being made now for security, media coverage and hotel rooms in the cities. Half a year before the pope’s second extended visit to this country, the church is already saying “no” to some demands for tickets or a few minutes of the pontiff’s time.

The diocese has 265,000 members and 76,000 seats for a mass at Sun Devil Stadium. Rather than sell tickets, the diocese hopes to raise nearly $1 million, plus $300,000 to spruce up St. Mary’s Basilica, through private and corporate donations, and by a special collection in every parish church this month.

Diocesan officials in San Antonio reported raising about $500,000 of the required $2.5 million. “We’re right on target,” said Bishop Charles V. Graham of Victoria.

Financing is a particular pinch for the small diocese of Monterey, which is trying to raise $3 million. The diocese had proposed seeking bids for rights to televise the pope’s visit, but backed down last month after broadcasters protested.

“We appreciate the problems they have, but you can’t sell rights to the pope’s visit as if it were the Super Bowl,” said Dick Little, news director of KSCO radio in Santa Cruz.

I think that what has happened to me last weekend will remain very close to me, no matter how old, or how far away I find myself from these past few days, or this place.

Coni Rich
guest column
My mother did not come to South Bend last weekend because she has cancer and is currently fighting through chemotherapy treatments. The doctors felt that she would greatly jeopardize her already fragile health if she were to come in contact with large crowds, or if she were to become too tired from the long trip from Phoenix. She stayed at home with my sister Chrislay, and Dad made the decision that he would come in to share the weekend with me instead of sending a favorite aunt and uncle or close friends.

My dad and I enjoyed our time together, although I was really worried by the amount of fatigue and sadness I saw in his eyes when my neighbor and I picked him up from the bus stop on Friday afternoon. He tried so hard to smile and laugh at my frustration at being late, but I just couldn’t help but feel a tinge of guilt. I knew that my dad was the most emotionally involved and exhausting weekends of our lives.

'The ring on my father’s hand was much more than just a symbol - it was everything my dad represented to me.'

Like all of my other classmates, my dad and I attended every event. We were amazed at the huge crowds at the Friday night cocktail dance, almost more than a little tired when we finally found a place to sit down. It was the same exhaustion she was going to be one of the most emotionally involved and exhausting weekends of our lives.

A sign in the Notre Dame locker room outlines what must be done to win 20 games. The Irish will attempt to reach that perennial milestone when they square off against Brooklyn College tonight at 7:30 in the ACC.

If successful, it will be Notre Dame's fourth straight 20- victory season, the 11th of Digger Phelps 16 seasons with the Irish, and the 24th in Notre Dame's history. The Kingsmen, who gained Division I status in 1983, stand at 10-16 going into the contest, which is the first ever meeting between the two schools.

"Brooklyn will come in here with the idea of making its name by beating us in our home court. The key to Notre Dame head coach Digger Phelps, "They have played a lot of tough road games this year, so that aspect should bother them. This is one of those games where if we don't have much time to prepare, so we are going to come out and play hard and concentrate, especially early in the game."

The only returning starter for Head Coach Mark Reiner is 6-7 senior Keith Grady who is averaging 18.9 points per game and 8 rebounds per contest. Other probable starters include 6-6 junior forward Frank Gregory (16.1 ppg, 8.2 rpg), 6-7 junior transfer Adam Weinstein (8.6 ppg, 8.6 rpg), 5-11 freshman Spisio Kilpatrick (10 pts, 2.3 rpg) and 5-9 junior guard Jeff Petway (7.4 ppg, 2.2 rpg).

The Irish will be looking for their seventh consecutive victory as they head toward the NCAA tournament, which can not afford a loss of any sort as momentum is a vital ingredient in tournament play.

"I like the way we are playing right now, and with the confidence we've developed," Phelps said. "We're playing with a lot of intensity, and I think our players know what they can do in every different situation. Right now everyone just want to be in a groove as we wind down the last week of the regular season.

"I am sure everyone is excited about the NCAA tournament," Phelps added. "It is going to be a great year for Notre Dame basketball and we will be ready to go."

The Notre Dame women's swim team ended its season placing sixth among a field of 12 teams in the Midwest Independent Swimming and Diving Championships at Notre Dame's Rolfs Aquatic Center. Tallying 325 points, the Irish did not match last year's third place finish, but did manage to place 25 swimmers in the top ten positions for 19 of 20 events.

"We saw some incredible teams here this weekend," said second-year coach Tim Welsh. "As a team, we swam very well also. We had significant timing drops across the board and we were able to hold our own. One of our season goals was to move up a place in the rankings this weekend, but through the season, we realized that as a team we would probably not be able to accomplish that goal. We decided to stress the individual events and the best possible performance."

The squad depended heavily on seniors Amy Darlington and Suzanne DeVine to carry the burden of the events. Darlington, a junior from Fairfield, Ohio, captured a second-place finish in the 400-yard individual Medley with a time of 4:38.34 to reset her own university record. Darlington also earned a third-place standing in the 500-yard freestyle with a time of 5:06.72. As a member of the 800-yard freestyle relay team, Darlington helped change the record with a time of 7:34.93.

Senior Suzanne DeVine captured fourth place in the 100-yard butterfly with a time of :59.50 and also an eighth place finish in the 200-yard individual Medley. DeVine contributed to the 800-yard freestyle relay and also swam a leg of the sixth-place medley relay.

"Other outstanding performances were put in by freshmen Georgia Bosseler and sophomore Barbara Byrne. Bosseler captured eighth place in a tough field of 26 divers in the one-meter diving event and Byrne placed eighth and sixth in the 100 and 200-yard backstroke events respectively.

"We entered the season with some worries," said Welsh. "We were lacking depth in some of our events and we needed to pull everything together. It was an exciting weekend, partly due to having the championships here for the first time, and partly because we knew we would be doing our best."

Suzanne DeVine had a big weekend as the women's swim team placed sixth in the Midwest Independent Swimming and Diving Championships. Rose Pietrzak has the details at left.

The talent and depth of the Notre Dame men's track team, including a great performance by hurdler Glen Watson, were too much for DePaul and Marquette Saturday in the ACC Fieldhouse. The Irish overwhelmed the Blue Demons and the Warriors with the final team scores of Notre Dame 92, Marquette 34 and DePaul 36.

"We had a lot of kids run really well," said Coach Joe Piane. "It was a great tune-up for the ICAAs."

"We ran a lot of different guys in different events. We like a meet where we can do that." Piane also liked the performance of Glen Watson. The freshman set a school record in the 60 yard high hurdles. With his time of 7.29 seconds (also a meet record), Watson missed qualifying for the NCAA meet by just three tenths of a second. The NCAA standard is 7.26 seconds.

"Glen ran the race of the day," said Piane. "He was just great. He just missed qualifying for Nationals by an eyelash."

Field event standout Rick Muench won the triple jump with 47-5, almost a foot better than the old meet record, and also an eighth place finish in the one-meter diving event and placed second in the high jump with 6-6 for the Irish.

"I was really pleased with Rick Muench," said Piane. "He did well for us Saturday and has really performed well all year."

Many meet records fell in addition to those broken by Watson and Muench. Pole vaulter Chris Matteo bettered his own meet record by 2 inches, vaulting 12-3," and the Irish mile relay team of Robert Nobles, Yan Searcy, Watson, and Chris McGuire set a new mark of 3:27.81. Tim Brown ran a record time of 6.38 seconds in the sixty yard dash and blew away the old mark of 32.35 with a 30.50 in the 200 yard dash. Other Irish victors were:

- David Warth in the mile run, Searcy taking the 440 yard dash, and Nobles winning the 880 yard run.
- "Tim Brown ran well. He always runs well," said Piane. "Yan (Searcy) ran really well, too. It was good to see him get a win."

"You have a small capacity for reason, some basic tool-making skills, and the use of a few simple words. ... Yep, that's you."

Gary Larson
Irish whip Warriors, environment, 72-60

BY RICK RIETBROCK

MILWAUKEE - In an "NCAA-type atmosphere" at the MECCA, Notre Dame ended a super month of basketball with a 72-60 win over Marquette. The Irish used a 33-23 rebounding advantage and hot shooting, 60 percent, that spilled beer from the quette student section could not between the two independents.

Irish head coach Digger Phelps said the environment prepared his team for what the NCAA Tournament will be like.

"This was like playing the first- or second-round game in the NCAA Tournament on the road, with this type of crowd, these types of conditions and the excitement," he said. "We came into the game knowing that Marquette may have to beat Notre Dame and DePaul to get an NCAA Tournament bid, so we expected them to really be up, have the emotion going, and have the crowd going, and yet we took it to them early."

Take it to them they did. The Irish exploded at the outset, breaking out to a 23-10 lead. But Marquette responded with a 16-2 run of their own, and when Mike Flory hit a driving layup, Donald Royal and Flory traded baskets before the Irish went on a 6-2 run that gave them a 33-30 halftime edge.

The Irish continued the surge at the beginning of the second half. After Michael Sims hit a jumper to open the scoring, Scott Hicks, Mark Stevenson, and Royal connected to give Notre Dame a nine-point advantage.

But Marquette was not about to fold that easily. Copa and David Boone scored four points apiece to help Marquette into a tie at 48 with 11:41 left to play.

The Irish came back with six quick points, punctuated by a Royal driving dunk, with David Rivers sitting on the bench. Copa scored on a nice assist from Sims to close the Irish lead down to four, 54-50, but the Warriors never got any closer.

Rivers came back into the game at the 7:59 mark, ran the show from there on. He found Hicks on an inbounds pass for a layup, and after Mike coped and put in Rivers' missed point guard put in a driving basket. He then helped to salt the game away with four-for-four free throw shooting and two field goals when the Irish spread out the offense.

The Irish backcourt duo of Rivers and Hicks scored 21 and 17 points to help Marquette into the lockerroom. Royal, also had 17, in the first half.

MU's beer-throwing students lead to post-game fireworks.

MILWAUKEE - If there is one thing people think of most often in connection with the city of Milwaukee, it's beer. Saturday night at the MECCA, the university's best played a decidedly less-than-prudent part in Notre Dame's 72-60 victory over Marquette.

As the Irish were leaving the court at halftime, fans pelted them with beer cups, not all of them empty, and when Mike Flori hit a driving layup, the Warriors had a 33-23 lead. Donald Royal and Flori traded baskets before the Irish went on a 6-2 run that gave them a 33-30 halftime edge.

Comebacks highlight Bengal Bouts in weekend's early-round contests

By TERRY LYNCH

In an improbable comeback, Steve "Slim" Riedl survived a first-round knockout to claim a split-decision victory over Gerry "The Boston Strangler" Graf in the quarterfinal round of the 57th annual Bengal Bouts last night at the Bopan Center.

Riedl, a sophomore Grace native from Columbus, Ohio, used a late flurry of punches in the third round of the junior middleweight to claim the victory. Graf appeared to have the advantage through two rounds, but Riedl drew blood from Gral, who seemed to lose both energy and momentum after the bloody nose.

Three freshmen are making strong bids for titles in their respective divisions. David "Sugar" Cane won a split decision over Mike "Candy Man" Canavan to continue his rise in the junior welterweight division. Cane, who scored a knock out in his first match on Friday, used an opening flurry of punches to stagger Canavan. But Canavan, by this point sporting a bloody nose, put in a late flurry of punches that carried him to decision.
