**Bomb detonation injures 17 in latest apartheid unrest**

Associated Press

JOHANNESBURG, South Africa - A bomb left at the parcel counter yesterday blew out the front of a store in a middle-class white suburb of Durban. Police said 18 blacks and whites were injured, including a 3-year-old girl.

The whole place was filled with smoke within minutes, according to Larry McDonald, a pharmacist. He described the scene as chaos, and said people were screaming and running everywhere.

Dr. John Reenan, acting chief of emergency services for Natal province, said the 3-year-old white child and four other people were seriously wounded. The government and witnesses said the casualties were 12 employees and six customers.

It was the ninth bombing since the government imposed a nationwide state of emergency. June 12 is an attempt to quell racial unrest and started arresting thousands of people without charges.

**Soviet passenger liner sinks; casualties untold**

Associated Press

Search and rescue operations continued last night, about 20 hours after the ship went down, according to officials in the Black Sea ports of Odessa and Novorossiysk.

A naval Ministry official said by telephone late yesterday that the freighter remained afloat. He would not answer other questions.

Soviet media carried only a brief statement from the Communist Party Central Committee and Soviet government. It was the second sinking of a Soviet passenger liner in seven months.

The official announcement, distributed by the Tass news agency, said only that the 17,053-ton Admiral Makarov collided with a cargo ship not far from Novorossiysk and sank on the night of Aug. 31.

Rescue measures have been taken, the official news agency said. It also said that necessary assistance is being rendered to those affected and that there has been loss of life.

It did not say how many people were aboard, how many were dead, if any foreigners were among the passengers or what route the ship was following.

Lloyds Registry of Ships, published in London, says the ship had berths for 870 passengers. A Soviet citizen who sailed on it in 1971 said many other fourth-class passengers customarily slept on the uppermost of its decks.

**Anti-Reagan rhetoric marks Gadafi speech**

Associated Press

TRIPOLI, Libya - Moammar Gadafi celebrated his 17th anniversary yesterday as Libya's leader by deriding President Reagan and praising Soviet leader Mikhail Gorbachev, saying the Libyans and Russians share common interests.

"Reagan is a madman, physically and psychologically sick," Gadafi told a flag-waving crowd of 5,000 in Green Square, gathered to hail the Sept. 1, 1969 military coup that brought him to power.

As the crowd held aloft his portrait and applauded, the 44-year-old colonel gestured with a silver pointer as he vowed to recruit an army from Central Africa. Asia and the United States didn't cease what he called its confrontational policies.

"If Reagan does not stop his stupidities, I will form an international army to fight America everywhere, and I am sure that in a few years the world will be rid of this new Nazi empire, he said.

The crowd shouted, "When you call us, a commander, we will leap into the fire!"

Flanked by Soviet officials, Gadafi later reviewed a 90-minute military parade by more than 18,000 soldiers and Soviet-made tanks. SA-5 surface-to-air missiles and Scud ground-to-ground missiles.

Gadafi mixed insults to Reagan and criticism of U.S. policy in his speech with compliments for Moscow, which he said stood by its responsibilities toward Libya.

The Soviet's have supplied Libya with two frigates, MiG jet fighters and military transport planes to replace losses from U.S. attacks in the Gulf of Sidra in March and on Tripoli and Benghazi in April.

This anti-American outburst by Gadafi came after four months of silence following the U.S. air raid on April 15, when sites hit included his home in Tripoli. An adopted baby daughter was one those killed in the air strikes.

The bomb demolished the front windows of a Pick-n-Pay store in the Montclair shopping center and tore a hole in the ceiling, said Vernon Mitchell, general manager of the chain of budget department stores.

He said the bomb was deposited at the counter where customers leave their bags and packages while shopping. The counter and a nearby cigarette and candy kiosk were destroyed.

Government spokesmen said one of those seriously injured was the cigarette seller, Monica Strydom, who had wounds on her head and hands.

Two of the previous bombings occurred in Durban. Eight people were killed Union and 145 wounded in the nine explosions, the last of which was Aug. 2 in Waivis Bay on the Atlantic coast.

No one has claimed responsibility for any of the attacks, but the government blames guerrillas of the African National Congress.

**Corby's assets sold to brothers**

The assets of CTI, Inc., the parent corporation of Corby Tavera, are being sold to Thomas and Robert Froebelinski for $75,000, according to James Bradley, the attorney representing the Corporation.

The ruling that allows CTI to sell these assets was determined in the U.S. Bankruptcy Court in South Bend on Friday.

The sale of the assets was finalized in order to include the sale of the Alcoholic Beverage Permit, said Bradley.

Before the Przybylinski brothers can set up the restaurant-tavern business, they need a variance that will allow them to bypass a city ordinance which prohibits two alcohol establishments to operate within 1000 feet of each other.

Senior ticket distribution traditionally signals cookouts and sleeping bags at the ACC, and this year was no exception. Seniors Jay Vosburgh and Molly Meyer hold their place in a line which began early Sunday morning.

Those students who spent the night were rewarded, however, with an early-morning visit yesterday from Coach Holtz.

ND fundraising drive ranked 18th

The Council for Financial Aid to Education (CFAE) has recently named the University of Notre Dame as 18th among private universities in the amount of money raised in 1984-85, a figure that exceeds that of any institution of higher learning in Indiana and any Catholic college or university in the nation.

The University raised $33.8 million in 1984-85, a figure that exceeds that of any institution of higher learning in Indiana and any Catholic college or university in the nation.

The total, which set a new school record, was 18th in a list led by Harvard ($185.6 million), Stanford ($125.5 million), and Columbia ($93.4 million). The funds were raised from voluntary support from individuals, foundations, and corporations.

Senators criticized the closing of campus buildings, such as LaFortune, as early such as LaFortune, as early, said Student Body Vice-President Don Montanaro. If you are spending millions of dollars on a student activity center, its ridiculous to keep it closed.

The Senate's number two priority was a dearth of University liability at student-organized events. One proposal included an idea for a dorm insurance program.

Third on the agenda was expanding student financial aid. The present policy gives aid on a need basis only, also requiring that the student be a Notre Dame scholar.

Along with the perennial issue of parietals, senators gave priority to coed dorms. They noted that Planner and Grace Halls are ideally suited for that purpose due to the halls having two wings.

More attention, however, was focused on the lack of on-campus housing facilities, with Senator Mike Jaeger noting that there are many people off campus who would like to be on campus.

Committees were established for the top five issues on the Student Senate agenda. Other issues will be worked on, but in a prioritized manner, according to Senior Class President David Miklos. Miklos added that students are encouraged to join the committees, and to contact the committee chairman.

Senate sets priorities on campus availability

Environmentalist group plans to sue Pentagon in dispute

Associated Press

WASHINGTON - An environmental activist group is preparing to sue the Pentagon to stop defensive biological warfare research while simultaneously establishing a fund to encourage scientists to disclose evidence of illegal experiments.

The Foundation on Economic Trends, successful in a similar suit against the Army, also has distributed a position paper to officials from more than 55 foreign governments, suggesting ways to strengthen a 1972 international accord banning the pursuit of biological weapons.

Delegates from more than 100 countries are scheduled to meet in Geneva next week to review the 1972 accord. The position paper disputes the recently outlined position of the Reagan administration on the 1972 Biological and Toxic Weapons Convention.

The Washington-based research organization has focused its studies in recent years on developments in biological and genetic engineering. The group describes itself as a clearinghouse for public information on the political, economic and environmental implications of such research.

The lawsuit against the Pentagon, a copy of which was provided to reporters in advance of its filing in U.S. District Court today, seeks to stop all Defense Department research aimed at identifying potential defenses against biological weapons.

Under the 1972 agreement, the United States, Soviet Union and more than 100 other countries have agreed not to develop toxic biological agents for offensive purposes. But the accord does not prohibit defensive research.

The foundation's suit asserts that the Defense Department has expanded defensive research to such a point that it now falls under the National Environmental Policy Act, meaning environmental impact studies must be performed.

It requests both preliminary and permanent injunctions against continued research until environmental impact studies are conducted.

Field goal gives Terps 10-7 win
Associated Press

PITTSBURGH - Dan Plocki kicked a 29-yard field goal with 2:10 to play and Maryland rode a dominating defense to a 10-7 college football victory last night over Pittsburgh, ruining the debut of Pitt Coach Mike Gottfried.

Pitt drove to the Maryland 38 in the final minute. But quarterback John Congemi, who completed 25 of 45 passes for 281 yards, was dropped for a nine-yard loss on a third-down play and threw a fourth-down incompletion to turn the ball back over to the Terps.

The loss continued a string of frustration for Gottfried, who also failed to win in his first game in three previous coaching assignments.

Congemi, contained for three-and-a-half quarters by a big-play Maryland defense, rifled a 32-yard scoring pass to Reggie Williams on a second-and-15 play with 5:12 to go to rally Pitt to a 7-7 tie.

Pitt had failed to score in the first half despite a thirteen-and-a-half-minute edge in time of possession, as junior kicker Mark Brasco missed field goal attempts of 41, 29 and 53 yards.

Tommy Neal, who had given Maryland a 7-0 lead with a 1-yard scoring dive midway through the third quarter, had runs of 14 and five yards, and Dan Henning hit Ferrell Edmunds for 13 and Azizuddin Abdur-Ra'oof for 15 to set up Plockis winning kick.

Maryland's first score came after a turnover.

The officials had initially ruled that Gladman was down before fumbling, but reversed their ruling after a conference.

The loss eliminated the fifth-place Cubs from the National League East race.

Billy Hatcher opened the sixth with a single, extending his hitting streak to 11 games, and Craig Reynolds drew a walk off Ed Lynch, 4-4.

Sophomores Tom Doyle and Chris Petillo, roommates at Grace Hall, teamed up to win the third annual Non-Varsity Athletics-sponsored biathlon Sunday morning at St. Joe's Lake.

Doyle doubted the two would have competed together if they had not been roommates.

Petillo swam half a mile across St. Joe Lake and back, and Doyle ran two miles around the beach in a time of 21:33, the best time for both two-person teams and individuals.

Senior Tom Doyle did both the swimming and the running in 22:53, placing first in the individual competition and third overall.

This was the first year NVA had allowed two-person teams to compete in the biathlon. A total of 21 individuals and four teams participated.

Sunday's biathlon at 11 a.m. kicked off a beach party Labor Day weekend sponsored by NVA. Festivities included canoe races, kayak instructions, and appearances by the rowing and sailing clubs.

NVA assistant director Sally Derengoski said NVA held the biathlon Sunday morning at St. Joe's Lake. The club will also be represented at tonight's Activity Night.

ND soccer team earns 'biggest win' in 1-0 shutout of UW-Milwaukee

By BOB KEMPER

The Notre Dame soccer team started its season off on the right foot with a hard-fought 1-0 victory over host University of Wisconsin-Milwaukee. The lone goal was scored by junior striker Bruce McCourt at 15:02 of the first half. The tally was scored on a header and was set up with an assist by freshman midfielder Kevin Kade. The shutout was recorded by senior goalkeeper Hugh Breslin, who recorded six saves.

Aside from starting the season on a good note, the victory had special significance for the Irish. The win helped to avenge a disappointing 3-2 overtime loss of the previous season and proved to the team that they can compete with high-caliber competition. "I have only been coaching here for three years, but this is certainly the biggest win so far," said Head Coach Dennis Grace. Wisconsin had nine returning starters and was ranked as high as 11th in the nation last year.

In addition, the UWM Panthers were ranked third in the ISAA Great Lakes regional poll, while the Irish were given no preseason mention. The only disappointment of Sunday's contest was the injury suffered by co-captain Jim Flynn. The senior goalkeeper/stopper sustained a separated shoulder and was scheduled for diagnosis last night. Although sidelined for the time being, Flynn was very enthusiastic about the season debut. "The team played a superb game," he said. "To play that well at the beginning of the season is very encouraging. The defense was spectacular and the freshmen played with a lot of composure.

Coach Grace said he was especially pleased with the unfinished play of his squad. Teamwork was quite evident," he said. "The players worked for each other and that is the way a good team must play."

It was a great defensive effort. I am not talking about just the goalkeeper and fullbacks, but the entire team. Everybody, including the frontline, played with a lot of intensity on defense.

Turnbull ousts Mandlikova from U. S. Open

Associated Press

NEW YORK - Veteran Wendy Turnbull of Australia pulled off one of the biggest shocks of the U.S. open Tennis Championships last night, ousting defending women's champion Hana Mandlikova 6-4, 1-6, 6-3.

The victory sends the 33-year-old Turnbull, the oldest player left in the singles competition, into a quarterfinal matchup against seventh-seeded Helena Sukova of Czechoslovakia.

"I guess when you're over 30 people start writing you off," Turnbull, who is playing in her 10th U.S. open, said. In people start writing you off, 'I let her have a kind of tired. That's the kind of player Hana is. I let her have an inch and she took the whole second set."

Defending U.S. Open champ Hana Mandlikova was upset by Wendy Turnbull in yesterday's play. Details of that and other matches appear above.
