Lounge Car On Train, 1700 Rooms Reserved

At 2:00 in the afternoon of November 27, the day before Thanksgiving, the student trip's special train will leave South Bend, and the students will be made up of cooks, a dining car to cater to short orders, i.e., hamburgers and sandwiches, and a lounge car in which the students will have their own staff. Under the student regulations of the train, no liquor or beer will be on the train. Hand luggage will be handled by an American railroad policeman on the train. Although, as mentioned, the food will be a dining car, but luncheon in the lounge car will be on the trip into New York.

At approximately 7:00 a.m. on Friday, November 28, the train will arrive in Grand Central Station, New York City. The Commodore Hotel will immediately on hand to meet the train. The hotel has made reservations with the hotel for some 1760 in doubles, triples, or public rooms. Of the 1760 students, sixty per cent will be four in a room and twenty per cent will be two in a room. Before the trip, the trip will be drawn up so that room assignments will be made.

Sometime soon after check-in at the Commodore, the students will be held in one of the nearby Catholic churches.

About 11:00 a pep rally with the bond will be held in McCombs's Stadium. Subway maps will have been given to the students that everyone will know how to get there. Also, a trip will be held for the students who everyone will be allowed to see the little extra's' attended the student dinner. A list of where to see what's going on in New York during the week-end will be another. The games start at noon.

The Victory Dance in the ballroom of the Commodore will probably start about 8:00 p.m. Thanksgivings' Day being attended, everyone is welcomed to the dance. The dance will be one dollar if the ticket is bought at the door. The packages, including games tickets, will cost $5.00. There will be vaccinations and victory dance costs $37.00.

At 2:00 in the afternoon of Sunday, November 30, the train will arrive in Grand Central Station for the trip back to South Bend. The train will be in plenty of time to allow attendance of 6:30 classes.

The trip to New York was sponsored by the Blue Circle which sponsors the student trip. The trip was previewed in the student newspaper, "The Digger," a week before the trip. Students are asked to plan carefully as the trip to Notre Dame is at stake in New York.

Seniors Travel To Mich. State

For Class Trip

This year's senior trip will be to East Lansing for the Michigan State University and will consist of two days and two nights. The trip will leave South Bend on Friday afternoon and arrive at Michigan State in time for a full night's rest. The trip will cost $49.00 per student and will have big entertainment planned.

Saturday morning the group will depart from campus for East Lansing, a part of Dines Restaurant, at 311 East Michigan Avenue. A program of entertainment in the East Lansing State College of Education will be set up. Saturday night the group will be on its own as the University Light Night, and a guest speaker will attend the state college. The trip will never be far from the Dines, except for lunch.

Senior chairman Dave Clem, "since the half The Hotel State where one is staying is right across the street will have no problem in "building with its own Downtown." The price for a game ticket, a room in one of the hotels, and the party are a part of the trip. It is a good idea to go to the event tonight since "this trip is designed with the Senior in mind."

Three Plays Staged at Well

Folding chairs stood in rows in front of the wall in the Courtyard of the Main Building. Two long tables were set up on the concrete apron of the wall, several people from the Skyline, a local club, were making sandwiches. Thus, the people in the audience were hungry for a view of the new stage play. And as the first presentation of Imperical Promon Produc-

The play was presented in the Main Building's parlors. The play was written by August Strindberg. Sean Griffin and Michael Comler played in the role of a "Fugitive". Da and John Miller, of the Notre Dame English Department, and Larry Peterson performed Luigi Pirandello's "Man with the Flower in His Mouth."

Private Phones Rare, Due To Fire Hazard

In the spring of 1962, a questionnaire was circulated to determine student opinion about having phones in every room. Again last spring there was much speculation on the question. This year there are only about 10 private phones around, and they belong to such dignitaries as Dave Ellis, Karl King, Paul Tierney, Dick Davila and Tom Hohler, all of whom conduct a great deal of business for the student body. Why the restrictions on telephones, and what are the prospects for getting them? 

Slippy Installation

To begin with, the telephone men did a sloppy installation job last year. The fire marshal then came around, and declared that there was too much of a hazard, so phones had to be removed. There are several other minor ailments. Periodically, on the list of obstacles to be cleared for a larger number of students is building, according to Fr. McCarragher. Bell will have to install the same amount of equipment as the number of buildings. The phones will not pay, then.

The telephone company estimates that it would take 20 years to pay for the equipment, or about 40 per cent of the annual bill. If the company is in the situation, it will have to install them by the Federal installation charge, an approximate sum of 5.5 cents per month.

Practice Trials

In Court House

Practice court trials will be held on Dec. 8, 13, 14, 20, 25, and Jan. 27, and 4 and 14.

Unquestionable condemnation would be a verdict in favor of the court for a clear majority of 20, and the court for a clear majority of 10 out of 12. The final court of the student body will hear the case. The final court will be held at 8:30 a.m.

S.G. To Aid Travelers

The Student Affairs Commission of student government is holding a meeting on Dec. 31 at 4:30 in the Bulletin Building, Executive 2306. The purpose of the meeting is to discuss travel arrangements for the student body. The meeting is open to all interested parties.

The Patio Restaurant

This year's football season has been an exciting one for the student body. The football team has been a consistent winner, and the students have been enjoying the atmosphere of the stadium.

The Patio Restaurant, located in the Student Union Building, has been a popular gathering place for students to relax and enjoy each other's company. The restaurant offers a variety of food options, including sandwiches, salads, and beverages.

The restaurant is open throughout the day, and is a great place to grab a quick lunch or dinner. The staff is friendly and attentive, and the atmosphere is vibrant and lively.

In conclusion, The Patio Restaurant is a great spot to enjoy a meal with friends or family, and to take in the excitement of the football season.
Irish Blitzen Bruins 27-12

Before 42,948 partisan fans, the Fighting Irish defeated several reasons why they won with autographed six runs. These were no four-quarter sliders, this is the contest in which 42 Irish players saw new action including 14 sophomores, and 1,200 fans. Because, an Irish passes too in Carmel's No. 10 line and no slips in the Rose Bowl.

These hopes were founded in a series of 25 returning letterman, and one of the biggest mistakes has plagued the Indians so far this season. In immersion, the Broncos and Oregon and UCLA, the Irish was 10, 0-0, and six of these occasions, the opposition recovered. For good measure.

Coach Hugh Devore's Fighting Irish will attempt to make a clean sweep of their west coast opponents Saturday, when they take on Stanford in Stanford Stadium. A nationwide television audience will see the Irish, who won Southern California and UCLA 27-12 and 12-12, respectively, in the last two seasons of the history of the two schools. Notre Dame has won both previous encounters. Had devore's report, 1st-year coach at Stanford, has seen his team get off to a disappointing start in winning only one of its first five.
