Fine Friends.

It's a fine friend who gets you into jail and then won't bail you out. Hidden behind the modern realistic novel is materialism, which destroys Adam and original sin, substitutes the rise of man from a lower state for his fall from a higher state, and gives him nothing in exchange for the soul of which it robs him.

"Surely they that pass their time in wine, and study to drink off their cups."

"Look not upon the wine when it is yellow, when the color therof shineth in the glass. It goeth in pleasantly:"

"But in the end, it will bite like a snake, and will spread abroad poison like a basilisk."

Proverbs, 23: 22-32.
