Begin now the list of your relatives and friends for whom you wish to ask the gift of Faith during the Church Unity Octave. This devotion begins next Wednesday, and will continue through eight days. It is customary here to hand in (in sealed envelopes) the names of those for whom you want the prayers of the Octave; these are left on the altar during the eight days for remembrance in the Masses, Holy Communions and prayers of the Octave.

For Daily Communicants As Well.

Don't get the idea that the fixed confession day each week is only for those who never go to confession. It applies to all. If daily communicants will get the habit of going on a certain day each week, they can become attached the idea of weekly confession, and this practice will keep them on the job during the summer. Religious Surveys of the past have shown that often students will go daily during the year and not at all, or rarely, during the summer. Weekly confession established in school will help prevent this anomaly.

Only Seven To Choose From.

The more you have to pick over the harder it is to decide when you go shopping. In the choice of a confession day you have only seven possibilities, Sunday, Monday, Tuesday, Wednesday, Thursday, Friday, and -- well, you know what the other one is. It's the day that comes tomorrow. Don't all pick Sunday. The confessionals are pretty harder worked on that day as it is. A good suggestion, already offered, is that you choose the day which you write to your mother. When you call your mother dear your conscience should be in good condition.

The Origin Of The Sissies.

"To the Editor of the Bulletin: Speaking of the blank adoration lists in Sorin Hall -- where do the sissies come from? It doesn't speak so well for the school if they get that way after three years at Notre Dame. -- I. Deny."

They come from Corby Hall. The practice originated there two years before Sorin took it up.

More New Information.

Add to the Don't-be-so-dumb squad of yesterday's Bulletin those who don't know that confessions are heard in the basement chapel every evening after supper, 365 days of the year (and 366 this year), and those who never knew what the adoration list was for.

Prayers.

The grandfather of Gene and Tom Edwards and Andy Sleigh, all of the Class of 1926, died during the holidays; the grandfather of John, Tom, and Dick Nash, was buried a few days ago. W. G. McCarthy is ill with pneumonia. Prayers are requested for the two young ladies who met with the accident at the College of New Rochelle a few days ago in which one of them was killed and the other injured; the one injured, Miss McDonough, has a friend at Notre Dame. A deceased friend and five special intentions are recommended to your prayers.

A Hint on the Adoration Lists.

In the old days Chet Wynne used to take the Sorin adoration list around and make the Catholics go to church. Perhaps Ike Voelisch has been leafing on the job.
