The Poor. A letter from "the lady with the large family" whose case attracted attention at Christmas time, reads in part: "I wish you would send me a little money. I need it awfully bad. My husband is still sick. He can hardly walk now. Please send me about $15 or $20. I will pay you back when I pick strawberries. I will be working that time to earn money."

When this letter was received the last ten dollars had just gone to a convert-minister who is destitute. Then came the life-saver: $30 - "Lenten Offering from The Boys."

Disce aut discede. From The Collegian of St. Mary's College, California, we glean the following item by Brother Leo, P.S.C.:

"On Beulah Gate at Mills College these words are inscribed: 'Disce aut discede.' It is a ladylike reminder to women students that persons lacking intellectual interests have no business on a college campus.

"The same admonition is given in somewhat more rugged language at St, Mary's: 'Get in line or get out.' It is not carved on a gate, for we haven't any gate; but the spirit of the exhortation is among the most vital and cherished of our local traditions."

The Notre Dame Club of Chicago. By request of this club an anniversary Mass for the repose of the soul of Knute Rockne was said at St. Peter's Church, Chicago, with members of the club assisting at the Mass and receiving Holy Communion. It was more than an anniversary Mass: it was an attempt by the club to make a beginning of joint spiritual activity in line with the spirit of the campus. The action was well taken, and we hope it will blossom into a full spiritual program - including an annual retreat.

Bengal. $3.50 from four individual donors have helped the cause since the last report. We have also to thank the Junior Class for a check for $14.92 - part payment of the profits of the Prom; prayer for the re-opening of the bank on which the check is drawn will be appreciated by the Bengalese. These benefits have been a godsend to the Mission this year: they have not only enabled the work to go on by furnishing material assistance, but they have heartened the Notre Dame men who are giving their lives to spreading the Gospel.

The Holy Hour Thursday. The Holy Father calls on all Christendom - not only Catholics, but all who believe in the Redemption - to spend an hour in prayer Thursday, in memory of the Hour of Agony spent by Our Lord in the Garden of Olives the night before the Crucifixion. Our public hour here will begin at 4:30 p.m.

First Friday. Twenty-two adorers are needed. How did you happen to slip on that day? It is also the feast of the Seven Sorrows of Our Blessed Mother.
