Forty Hours — An Opportunity For All.

In 1527 the city of Milan, Italy was terribly scourged by disease and famine. To all this was added the fear of invasion from enemies that had just sacked Rome. In their plight the people had recourse to prayer. They went with their priest to the church, and before the tabernacle in adoration, they begged God to take away the evils surrounding them. For forty consecutive hours groups of adorers kept watch in prayer before Christ in the Blessed Sacrament. And their prayer was heard; Milan was spared.

The news of the efficacy of the forty hours of prayer spread rapidly. The devotion soon received the approval of the Pope. In 1856 the Exposition was introduced in the United States. Ten years later it was approved for the entire country. So now every diocese has the Forty Hours Devotion.

Somewhere in the diocese in which you are living the Forty Hours is being carried on by some parish. One parish starts the Adoration when another leaves off. The schedule is so arranged that there is ALWAYS, as far as possible, Exposition going on with some of the faithful at prayer before the altar.

Forty Hours for Notre Dame starts Sunday. Now it is your turn to come to the church to pray to Christ for the rest of us, for the parish, the university, for peace and for your own needs. THIS IS A TIME OF SPECIAL GRACE AND RICH BLESSINGS. In virtue of our united prayer, Our Lord will hear us more quickly, and even grant us favors we would ordinarily not receive.

The Forty Hours is an opportunity for students about to leave Notre Dame for new fields of endeavor. Graduating seniors, departing ROTC's and V-12 and draftees should spend at least one half-hour of Adoration in asking Christ to bless their future and to protect them. Students who wish to obtain the maximum of blessings will assist at the Solemn Mass at 8:30. The Mass, the procession of the Blessed Sacrament which follows it and the chanting of the Litany of the Saints are among the most inspiring ceremonies of the Church.

If everyone makes a period of Adoration, the day of Victory and Peace will be hastened immensely.

Sunday 8:30 A.M. Solemn Mass opening Forty Hours (No 9:00 Mass)
